- Brunetto Latini, *Tresor*, l. III (composto tra 1260 e 1266)
- Paolino Minorita, *De regimine rectoris* (1314)

Speeches From The Oculus Pastoralis

CH Cherryholmes

Speeches From The Oculus Pastoralis:

Oculus Pastoralis University of Toronto. Centre for Medieval Studies, Pontifical Institute of Mediaeval Studies, 1990 Text in Latin pref introd and notes in English **Medieval and Renaissance Letter Treatises and Form Letters** Emil J. Polak, 1994 Betr Manuskripte der Universit tsbibliothek Basel S 193 215 **The Two Latin Cultures and the Foundation of Renaissance Humanism in Medieval Italy** Ronald G. Witt, 2012-03-19 Traces the intellectual life of Italy where humanism began a century before it influenced the rest of Europe Marsilius of Padua at the Intersection of Ancient and Medieval Traditions of Political Thought Vaileios Syros, 2012-12-31 This book focuses on the reception of classical political ideas in the political thought of the fourteenth century Italian writer Marsilius of Padua Vasileios Syros provides a novel cross cultural perspective on Marsilius s theory and breaks fresh ground by exploring linkages between his ideas and the medieval Muslim Jewish and Byzantine traditions Syros investigates Marsilius s application of medical metaphors in his discussion of the causes of civil strife and the desirable political organization He also demonstrates how Marsilius s demarcation between ethics and politics and his use of examples from Greek mythology foreshadow early modern political debates involving such prominent political authors as Niccol Machiavelli and Paolo Sarpi about the political dimension of religion church state relations and the emergence and decline of the state Peace and Penance in Late Medieval Italy Katherine Ludwig Jansen, 2020-03-31 Medieval Italian communes are known for their violence feuds and vendettas yet beneath this tumult was a society preoccupied with peace Peace and Penance in Late Medieval Italy is the first book to examine how civic peacemaking in the age of Dante was forged in the crucible of penitential religious practice Focusing on Florence in the thirteenth and fourteenth centuries an era known for violence and civil discord Katherine Ludwig Jansen brilliantly illuminates how religious and political leaders used peace agreements for everything from bringing an end to neighborhood quarrels to restoring full citizenship to judicial exiles She brings to light a treasure trove of unpublished evidence from notarial archives and supports it with sermons hagiography political treatises and chronicle accounts She paints a vivid picture of life in an Italian commune a socially and politically unstable world that strove to achieve peace Jansen also assembles a wealth of visual material from the period illustrating for the first time how the kiss of peace a ritual gesture borrowed from the Catholic Mass was incorporated into the settlement of secular disputes Breaking new ground in the study of peacemaking in the Middle Ages Peace and Penance in Late Medieval Italy adds an entirely new dimension to our understanding of Italian culture in this turbulent age by showing how peace was conceived memorialized and occasionally achieved *In the Footsteps of the Ancients* Ronald Witt, 2021-10-01 This monograph demonstrates why humanism began in Italy in the mid thirteenth century It considers Petrarch a third generation humanist who christianized a secular movement The analysis traces the beginning of humanism in poetry and its gradual penetration of other Latin literary genres and through stylistic analyses of texts the extent to which imitation of the ancients produced changes in cognition and visual

perception The volume traces the link between vernacular translations and the emergence of Florence as the leader of Latin humanism by 1400 and why limited to an elite in the fourteenth century humanism became a major educational movement in the first decades of the fifteenth It revises our conception of the relationship of Italian humanism to French twelfth century humanism and of the character of early Italian humanism itself This publication has also been published in hardback please [click here](#) for details

Literature without Frontiers Cornelis van der Haven, Youri Desplenter, J.A. Parente Jr., Jan Bloemendal, 2023-07-31 This volume explores the indispensability of a transnational perspective for the construction and writing of literary histories of the Low Countries from 1200 1800 It looks at the role of mediators such as translators printers and editors at characteristics of literary genres and the possibilities they offered for literary boundary crossing and adaptation and at the role of regions and urban centers as multilingual hubs This collection demonstrates the centrality of transnational perspectives for elucidating the complex inter relationship between Netherlandic and European literary history The Low Countries were a dynamic site for new literary production and transnational exchange that shaped and reshaped the intellectual landscape of premodern Europe Contributors include Lia van Gemert Lucas van der Deijl Feike Dietz Paul Wackers David Napolitano James A Parente Jr Frank Willaert Youri Desplenter Bart Besamusca Frans R E Blom and Jan Bloemendal

Kingship and Propaganda Suzanne F. Cawsey, 2002-07-04 In the thirteenth and fourteenth centuries the Crown of Aragon was a rapidly expanding and powerful political unit with an original form of representative government Throughout this period a series of energetic and talented rulers sought to maintain royal authority and govern their realms effectively Their persuasive rhetoric and that of their advisers is preserved in the archives of the Crown of Aragon in Barcelona which provide a rich and under exploited vein of source material for historians There are long letters to their subjects historical works and the proceedings of the cortes where the kings and queens persuaded their reluctant subjects to grant taxes and to support their decisions Suzanne F Cawsey examines the tradition of royal eloquence thereby illuminating the nature of political discourse and persuasion in medieval Aragon and exploring the key ideas shared by the king and the political classes of the kingdom

The Prince and the Law, 1200-1600 Kenneth Pennington, 2023-12-22 The power of the prince versus the rights of his subjects is one of the basic struggles in the history of law and government In this masterful history of monarchy conceptions of law and due process Kenneth Pennington addresses that struggle and opens an entirely new vista in the study of Western legal tradition Pennington investigates legal interpretations of the monarch's power from the twelfth to the seventeenth century Then tracing the evolution of defendants rights he demonstrates that the origins of due process are not rooted in English common law as is generally assumed It was not a sturdy Anglo Saxon but most probably a French jurist of the late thirteenth century who wrote A man is innocent until proven guilty This is the first book to examine in detail the origins of our concept of due process It also reveals a fascinating paradox while a theory of individual rights was evolving so too was the concept of the prince's absolute power Pennington illuminates this paradox with a clarity

that will greatly interest students of political theory as well as legal historians The power of the prince versus the rights of his subjects is one of the basic struggles in the history of law and government In this masterful history of monarchy conceptions of law and due process Kenneth Pennington addresses that struggle and opens **Information and Power in History** Ida Nijenhuis, Marijke van Faassen, Ronald Sluijter, Joris Gijzenbergh, Wim de Jong, 2020-01-29 The relationship between information and power is a relevant subject for all times Today's perceived information revolution has caused information to become a separate object of study during the last two decades for several disciplines As the contemporary perspective is dominant information history as a discipline of its own has not yet crystallized In bringing together studies around a new research agenda on the relationship between information and power across time and space presenting various governance regimes media materials and modes of communication this book forces us to rethink the prospects and challenges for such a new discipline *Amor Amicitiae* J. J. McEvoy, 2004 This volume honors the Rev Professor James McEvoy on the occasion of his sixtieth birthday The theory of friendship which has been one of McEvoy's major fields of research and publication used to be at the heart of the philosophical project and indissociable from it For Socrates philosophy was possible only as the pursuit of wisdom virtue and beauty in a community of friends engaged in an erotic quest for the good The present volume wants to make a contribution to the recovery of the friendship theme in its central importance to philosophy It contains eighteen contributions by colleagues and pupils of Professor McEvoy from three different continents who approach the topics of friendship love and charity from a variety of different angles Several contributions are devoted to the theory of friendship in ancient and medieval thought including its Christian appropriation Others analyze friendship in modern and contemporary philosophy while two contributors introduce cross cultural perspectives Hinduism and traditional African thought This volume will help to throw into higher relief the importance of the philosophy of friendship as well as stimulating further discussion on this intriguing topic The Oxford Handbook of Humanism Anthony B. Pinn, 2021 As a system of thought that values human needs and experiences over supernatural concerns humanism has gained greater attention amid the rapidly shifting demographics of religious communities This outlook has taken on global dimensions with activists artists and thinkers forming a humanistic response not only to religion but to the pressing social and political issues of the 21st century The Oxford Handbook of Humanism aims to explore the subject by analyzing its history its philosophical development and its influence on culture It will also discuss humanism as a global phenomenon an approach that has often been neglected in more Western focused works Toscana bilingue (1260 ca.-1430 ca.) Sara Bischetti, Michele Lodone, Cristiano Lorenzi, Antonio Montefusco, 2021-01-18 The contributions gathered in this volume discuss the complex topic of translating in medieval Italy from an interdisciplinary perspective combining the philological approach with a detailed social and cultural analysis The authors discuss among other topics translations of classical and particularly so called modern texts the distribution of knowledge and languages and the social history of

translating **Cum verbis ut Italici solent ornatissimis** Florian Hartmann, 2011 English summary Numerous 12th and 13th century sources bear witness to a particularly pronounced appreciation of eloquence In the light of more recent studies on the influence of rhetoric on the self conception of the aristocracy in ancient Rome it makes sense to take a look at the same time at functions of eloquence in the communes yet this still remains to be done The present volume addresses this omission for the first time in a multi perspective approach by analysing political and religious forms of public rhetoric in the light of the respective circumstances of their origin and functionalisation Public speeches and epistolary rhetoric in the Italian communes are examined both in the context of contemporary theoretical treatises and in their practical implementation Each of these defined peculiarities of eloquence in the communes are examined closely in terms of their specific social functions and contrasted with comparable forms of rhetoric at the Curia the Staufer Court and in Byzantium German text German description Zahlreiche Quellen des 12 und 13 Jahrhunderts die die italienischen Stadtkommunen beschreiben dokumentieren eine besonders ausgeprägte Wertschätzung der Eloquenz Angesichts jungerer Forschungen zum Einfluss der Rhetorik auf das Selbstverständnis der Aristokratie im antiken Rom liegt ein analoger Blick auf Funktionen der Eloquenz in den Kommunen zwar nahe steht aber noch aus Dieser Band widmet sich erstmals dieser Forschungslücke um politische ebenso wie religiöse Formen öffentlicher Rhetorik in ihren Entstehungsbedingungen und Funktionalisierungen zu untersuchen Dabei werden öffentliche Rede und briefliche Rhetorik in den italienischen Kommunen sowohl im Rahmen der zeitgenössischen theoretischen Traktate als auch in ihrer praktischen Umsetzung analysiert Diese im Einzelnen definierten Ausprägungen der Eloquenz in den Kommunen werden jeweils in besonderem Mass auf ihre spezifische sozialen Funktionen überprüft und mit vergleichbaren Formen der Rhetorik an der Kurie am Staufischen Hof und in Byzanz kontrastiert Italian description Numerose fonti sia comunali che extracomunali dei secoli XII e XIII sui comuni italiani dimostrano la particolare importanza dell'eloquenza Dato che delle recenti ricerche storiche hanno dimostrato l'influenza della retorica sull'autocoscienza dell'aristocrazia nell'antica Roma sembra utile svolgere lo sguardo anche sulle funzioni dell'eloquenza nella società comunale Questo volume analizza le diverse forme del discorso pubblico della retorica religiosa e dell'eloquenza scritta indagando sia la teoria contemporanea della retorica sia la performance pratica I contributi del volume descrivono da diversi punti di vista le funzioni delle diverse forme dell'eloquenza nella società comunale comparandole con le forme della retorica alla curia papale nella cancelleria imperiale degli Staufer e infine nel mondo bizantino **Parergon**, 1992

Renaissance Thought and Its Sources Paul Oskar Kristeller, 1979 Representing an extraordinary lifetime of scholarship Renaissance Thought and Its Sources offers a systematic account of major themes in Renaissance philosophy science and literature Here in some of Paul Oskar Kristeller's most comprehensive and ambitious writings is an exploration of the distinctive trends and concepts of the Renaissance grounded in detailed historical investigation **Visions of Politics:**

Renaissance virtues Quentin Skinner, 2002 The second of three volumes of essays by Quentin Skinner one of the world's

leading intellectual historians This collection includes some of his most important essays on the political thought of the Italian renaissance each of which has been carefully revised for publication in this form All of Professor Skinner s work is characterised by philosophical power limpid clarity and elegance of exposition these essays many of which are now recognised classics provide a fascinating and convenient digest of the development of his thought Professor Skinner has been awarded the Balzan Prize Life Time Achievement Award for Political Thought History and Theory Full details of this award can be found at http://www.balzan.it/News_eng.aspx ID 2474

Medieval Italy Christopher Kleinhenz,2004-08-02 This Encyclopedia gathers together the most recent scholarship on Medieval Italy while offering a sweeping view of all aspects of life in Italy during the Middle Ages This two volume illustrated A Z reference is a cross disciplinary resource for information on literature history the arts science philosophy and religion in Italy between A D 450 and 1375 For more information including the introduction a full list of entries and contributors a generous selection of sample pages and more visit the Medieval Italy An Encyclopedia website

The Italian City-Republics Trevor Dean,Daniel Waley,2022-09-16 Now in its fifth edition The Italian City Republics illustrates how from the eleventh century onwards many Italian towns achieved independence as political entities unhindered by any centralising power Until the fourteenth century when the regimes of individual tyrants took over in most towns these communes were the scene of a precocious and very well documented experiment in republican self government In this new edition Trevor Dean has expanded the book s treatment of women and gender the early history of the communes and the lives of non lites Focusing on the typical medium sized towns rather than the better known cities the authors draw on a rich variety of contemporary material both documentary and literary to portray the world of the communes illustrating the patriotism and public spirit as well as the equally characteristic factional strife which was to tear them apart Discussion of the artistic and social lives of the inhabitants shows how these towns were the seedbed of the cultural achievements of the early Renaissance The Bibliography has been updated to a list of Further Reading with the latest scholarship for students to continue their studies Both students and the general reader interested in Italian history literature and art will find this accessible book a rewarding and fascinating read

The Italian City Republics Daniel Philip Waley,Trevor Dean,2013-09-13 Daniel Waley and Trevor Dean illustrate how from the eleventh century onwards many dozens of Italian towns achieved independence as political entities unhindered by any centralising power Until the fourteenth century when the regimes of individual tyrants took over in most towns these communes were the scene of a precocious and very well documented experiment in republican self government Focusing on the typical medium sized towns rather than the better known cities the authors draw on a rich variety of contemporary material both documentary and literary to portray the world of the communes illustrating the patriotism and public spirit as well as the equally characteristic factional strife which was to tear them apart Discussion of the artistic and social lives of the inhabitants shows how these towns were the seed bed of the cultural achievements of the early Renaissance In this fourth edition Trevor Dean has

expanded the book's treatment of religion, women, housing, architecture, and art to take account of recent trends in the abundant historiography of these topics. A new selection of illuminating images has been included and the bibliography brought up to date. Both students and the general reader interested in Italian history, literature, and art will find this accessible book a rewarding and fascinating read.
