Talking Together About Love And Sexuality:

Talking Together about Love & Sexuality Mildred Tengbom, 1985 Introduces preteens and young teenagers to various aspects of sexuality from a Christian perspective including the questions of contraceptives and premarital sex Includes quizzes exercises and discussion questions Let's Talk about Sex Sam Gitchel, Lorri Foster, 2005 Here is information for parents using the guide at the back of the book on how to approach that Big Talk in a way that is comfortable and positive It is the ideal starting point for the parent who wants to communicate sexuality information that is frank and clear and with the feelings and values they wish to convey **I Want to Talk to My Teen about Love, Sex and Dating** Karl Wendt, Shannon Wendt, 2006 The I Want to Talk with My Teen series provides parents and youth leaders with clear and concise guidance real life hints and helps and quick tips and checklists to equip them to communicate with their teens while connecting biblical principles to relevant topics **Sex, Love Or Romance** Ray E. Short, 2004 From the author of Sex Dating and Love comes a foolproof guide to determining the strength of a relationship *How to Talk with Your Kids about Sex* Dr. John Chirban, 2012-06-04 Equips parents to teach their children how to make sexuality a safe healthy and sacred part of their lives How parents address sex their openness the context and their attitudes will impact how their children view their own sexuality and self worth Dr Chirban helps parents know when how and how much and stresses the vital importance of their role in sex education He uses humor compassion and real life examples to prepare parents for healthy and ongoing conversations that equips their kids to own their own sexuality and provide an understanding of the larger issues of relationships love commitment and intimacy In addition parents discover how helping their children grasp these veiled yet critical keys to a fulfilling life deepens their own connection with their children With specific helps for children from birth through young adult Dr Chirban provides context for what needs to be communicated at each stage of their development as well as tips for the inevitable surprise questions In addition he tackles complicated issues such as pornography relationships and the Internet sexting and homosexuality Most important is the emphasis on strong family values and spirituality as it relates to sexuality Previously released in 2007 as What's Love Got to Do With It this revised book adds new insights from today's culture that make it even more relevant to parents and families *Living in Love and Faith* Bishops of the Church of England, 2020-11-09 Issues of gender and sexuality are intrinsic to people's experience their sense of identity their lives and the loving relationships that shape and sustain them The life and mission of the Church of England and of the worldwide Anglican Communion are affected by the deep and sometimes painful disagreements about these matters divisions brought into sharper focus because of society's changing perspectives and practices especially in relation to LGBTBI people *Living in Love and Faith* sets out to inspire people to think more deeply both about what it means to be human and to live in love and faith with one another It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender sexuality and marriage continue to change Commissioned and led by

the Bishops of the Church of England the Living in Love and Faith project has involved many people across the Church and beyond bringing together a great diversity and depth of expertise conviction and experience to explore these matters by studying what the Bible theology history and the social and biological sciences have to say Amid the biblical theological historical and scientific exploration each part includes Encounters with real contemporary disciples of Christ whose stories raise questions which ask us to discern where God is active in human lives The book ends with an appeal from the Bishops to join them in a period of discernment and decision making following the publication of Living in Love and Faith The Living in Love and Faith book is accompanied by a range of free digital resources including films podcasts and an online library together with Living in Love and Faith The Course a 5 session course which is designed to help local groups engage with the resources also published by Church House Publishing

An Ordered Love Louis J. Kern, 2014-07-01 *An Ordered Love* is the first detailed study of sex roles in the utopian communities that proposed alternatives to monogamous marriage The Shakers 1779 1890 the Mormons 1843 90 and the Oneida Community 1848 79 The lives of men and women changed substantially when they joined one of the utopian communities Louis J Kern challenges the commonly held belief that Mormon polygamy was uniformly downgrading to women and that Oneida pantagamy and Shaker celibacy were liberating for them Rather Kern asserts that changes in sexual behavior and roles for women occurred in ideological environments that assumed women were inferior and needed male guidance An elemental distrust of women denied the Victorian belief in their moral superiority attacked the sanctity of the maternal role and institutionalized the dominance of men over women These utopias accepted the revolutionary idea that the pleasure bond was the essence of marriage They provided their members with a highly developed theological and ideological position that helped them cope with the ambiguities and anxieties they felt during a difficult transitional stage in social mores Analysis of the theological doctrines of these communities indicates how pervasive sexual questions were in the minds of the utopians and how closely they were related to both reform social perfection and salvation individual perfection These communities saw sex as the point at which the demands of individual selfishness and the social requirements of self sacrifice were in most open conflict They did not offer their members sexual license but rather they established ideals of sexual orderliness and moral stability and sought to provide a refuge from the rampant sexual anxieties of Victorian culture Kern examines the critical importance of considerations of sexuality and sexual behavior in these communities recognizing their value as indications of larger social and cultural tensions Using the insights of history psychology and sociology he investigates the relationships between the individual and society ideology and behavior and thought and action as expressed in the sexual life of these three communities Previously unused manuscript sources on the Oneida Community and Shaker journals and daybooks reveal interesting and sometimes startling information on sexual behavior and attitudes

Sexual Intimacy in Marriage William R. Cutrer, Sandra Glahn, 2020-03-17 Expert biblical answers to tough questions Every couple has those questions they don't know how or whom to ask *Sexual Intimacy in Marriage*

discusses the basics like the definition of marriage and the not so basic topics such as achieving sexual pleasure and biblically OK sexual activity It addresses real people in the real world without compromising God's wonderful purpose and design for his gift of sex This highly acclaimed medically and biblically accurate book extensively covers sex in marriage with a sensitivity and frankness that every couple will appreciate With over 100 000 copies in print and now in its fourth edition this best selling biblically based book for newlyweds and trulyweds is the gold standard for Christian intimacy guides Has greatly benefited our own family and marriage relationship Marvelously blends the glory of sex with the reality of life Dr Tony and Lois Evans Scientifically accurate biblically based intensely practical and written with a large dose of humor David Stevens President Christian Medical Dental Association Cutrer and Glahn cut through the fog of partial truths to help newlyweds soon to weds or couples who have been married for years The Dallas Fort Worth Heritage **Sexual**

Nature/Sexual Culture Paul R. Abramson, Steven D. Pinkerton, 1995-07 In this multidisciplinary study of human sexuality an international team of scholars looks at the influences of nature and nurture biology and culture and sex and gender in the sexual experiences of humans and other primates Using as its center the idea that sexual pleasure is the primary motivational force behind human sexuality and that reproduction is simply a byproduct of the pleasurability of sex this book examines sexuality at the individual societal and cultural levels Beginning with a look at the evolution of sexuality in humans and other primates the essays in the first section examine the sexual ingenuity of primates the dominant theories of sexual behavior the differences in male and female sexual interest and behavior and the role of physical attractiveness in mate selection The focus then shifts to biological approaches to sexuality especially the genetic and hormonal origins of sexual orientation gender and pleasure The essays go on to look at the role of pleasure in different cultures Included are essays on love among the tribespeople of the Brazilian rain forest and the regulation of adolescent sexuality in India Finally several contributors look at the methodological issues in the study of human sexuality paying particular attention to the problems with research that relies on people's memories of their sexual experiences The contributors are Angela Pattatucci Dean Hamer David Greenberg Frans de Waal Mary McDonald Pavelka Kim Wallen Donald Symons Heino Meyer Bahlburg Jean D Wilson Donald Tuzin Lawrence Cohen Thomas Gregor Lenore Manderson Robert C Bailey Alice Schlegel Edward H Kaplan Richard Berk Paul R Abramson Paul Okami and Stephen D Pinkerton Spanning the chasm of the nature versus nurture debate Sexual Nature Sexual Culture is a look at human sexuality as a complex interaction of genetic potentials and cultural influences This book will be of interest to a wide range of readers from scholars and students in psychology anthropology sociology and history to clinicians researchers and others seeking to understand the many dimensions of sexuality If we ever expect to solve the sexually based problems that modern societies face we must encourage investigations of human sexual behavior Moreover those investigations should employ a broad range of disciplines looking at sex from all angles which is precisely what Sexual Nature Sexual Culture does Mike May American Scientist This timely and relevant book reminds us

that we cannot rely on simple solutions to complex problems It represents a transdisciplinary approach integrating knowledge from diverse fields and provides the reader with a challenging and rewarding experience Especially for those who are involved in teaching human sexuality to medical students and other health care professionals this book is highly recommended Gerald Wiviott M D Journal of Nervous and Mental Disease In short this volume contains much to stimulate inform and amuse in varying proportions What more can one ask Pierre L van den Berghe Journal of the History of Sexuality the book succeeds in bring together some of the sharpest thinkers in the field of human sexuality and goes a long way toward clarifying the diverse perspectives that currently exist David M Buss and Todd K Shackelford Quarterly Review of Biology

Demystifying Love Stephen B. Levine, 2013-05-13 Intended primarily for mental health professionals Demystifying Love deals plainly with topics rarely written about for clinicians The book discusses in a small package highly readable and useful topics such as love as both noun and verb psychological intimacy sexual desire as well as infidelity both in background concepts and clinical guidelines As the book shows love is the logical point of departure for a clinical understanding of sexuality and its problems It is the most conventional framework for understanding sexual behaviors the one that is broadly endorsed across many cultures often as the ideal context for sexual expression The book integrates an analysis of love in patients dealing with intimacy sexual desire infidelity forgiveness and reconciliation Detailed with compelling case studies the author's skill as a therapist comes through in the discussion of these topics many of which are at the heart of numerous couple problems In creating this illuminating work for mental health professionals Dr Levine may have underestimated its appeal Dr Levine's ability to shed light on our internal processes as we love and attempt to be loved throughout life may prove to be of interest to a far broader audience
