Talking Drums From Village:

Talking Drums Shirley Deane, 1985 Talking Drums Wanda C. Finnen, 2004-01-16 Through stories spirituals and recommended resource books Finnen exposes students to the rich history and heritage of Africa and African Americans Each chapter provides the teacher or librarian with beautifully told folktales that provide the basis for further exploration of the chapter's focus This rich resource is ideal for language arts and social studies classes and provides an invaluable source of information for public and school librarians Topics include African American Storytellers Ancestral Africa Atlantic Slave Trade The Underground Railroad Emancipation and Reconstruction The Civil Rights Movement Spiritual Heritage Musical Legacy **Talking Drums of Africa** John F. Carrington, 1969 **Talking Drums**, 1985 Cameroon Ben West, 2008 This guide explores the geographical diversities of Lake Chad in the north Mount Cameroon in the west and the dense rainforests of the south **Djogbachiachuwa** Syrulwa Somah, 2012-08 Djogbachiachuwa is an attempt by the Liberian Literature Project 2012 set forth by the Liberian History Education Development Inc LIHEDE to close this literary gap It is also an attempt to have the rest of the world to read more of Liberian literature through the eyes of Liberians other than themselves It is believed that people who do not know their own history culture or language have nothing of worth and beauty to pass on to successive generations and is thus doomed and condemned to perpetual warfare and poverty The Liberian Literature Anthology Project 2012 is an endeavor to depart from this self defeating historical trend to produce an Anthology of Liberian literature that draws on the tradition of each ethnic subgroup in Liberia **Speaking for the Chief** Kwesi Yankah, 1995-06-22 offers readers profound insights and useful information on the power of the word in African societies Research in African Literatures I would recommend Speaking for the Chief not only to students of West African culture by whom it should be greatly welcomed but also to anyone interested in issues surrounding specific genres of discourse in relation to cultural organization Journal of American Folklore Drawing on the interdisciplinary modes of sociolinguistics political anthropology and the ethnography of speech Yankah allows the reader to hear a little known and even less studied voice integral to Akan chiefly power This book deserves the serious attention of Akan and Africanist scholars alike Choice an unprecedented opportunity to understand West African oratory from the point of view of a native Akan speaker who is also a gifted linguist and ethnographer Yankah shows with elegance the connections between verbal strategies and the cultural organization of West African social systems Alessandro Duranti This study is clearly important in ethnographic terms But it equally throws new light on more general aspects of verbal and political processes will stimulate both specialists and students far beyond the confines of its specific ethnographic setting American Anthropologist an immensely valuable book which deserves a wide and appreciative readership Journal of African History **Adventure**, 1929 **All Die Be Die** Kweku Abbey, 2011-09 **Bisulo's Pig** Taz Liffman, 2022-08-01 It's the turn of the nineteenth century and a small contingent of British colonialists has been dispatched to a fictitious African country their mission to establish colonial

dominion over an unclaimed territory While some of colonialism's cruelties have by this stage been realised the Scramble for Africa under the auspices of Darwinian theory Christian charity and Eurocentrism has assumed the guise of philanthropy Colonialism's noble duty the white man's burden is to save the savages from themselves Told with a dry caustic humour that lampoons the era's language and sensibilities Bisulo's Pig aims to situate the reader in the colonial mindset typical of the time that fictionalised Africa and rendered its native inhabitants as pitiful barbarous or subhuman and to reveal that a great many of us might not be quite as free of an imperialistic outlook as we may fancy In recent decades countless novelists have been criticised for the ways in which they've treated Africa and Africans in their works And often justly so many of these handlings have been crude prejudiced ignorant and dehumanising The purpose of Bisulo's Pig is to examine whether swinging too blindly in the other direction can also present problems Ultimately Bisulo's Pig is all about cultural relativism and suprarationalism Anthropology 101 It aims to show there can be logic couched in absurdity science undergirding superstition reason amid randomness While the book's aim is to darkly parody the colonial project as an exercise in farce its overriding purpose is to reveal the multifarious guises under which racial prejudices persist Taz Liffman
