documentary genres an analysis of Kong's influence on the Japanese film Godzilla and a look at sequels remakes and spinoffs related to King Kong such as Mighty Joe Young Erb also analyzes Jackson's remake of King Kong to determine how and why Jackson revised the main character casting him as a melancholy hero The revised edition of Tracking King Kong updates a groundbreaking study of King Kong as the iconic character enters the twenty first century Scholars of film and television studies as well as general readers interested in film and popular culture will appreciate this significant volume

Forms of Attention Frank Kermode, 2004-05-31 Sir Frank Kermode the British scholar instructor and author was an inspired critic Forms of Attention is based on a series of three lectures he gave on canon formation or how we choose what art to value The essay on Botticelli traces the artist's sudden popularity in the nineteenth century for reasons that have more to do with poetry than painting In the second essay Kermode reads Hamlet from a very modern angle offering a useful and playful perspective for a contemporary audience The final essay is a defense of literary criticism as a process and conversation that while often conflating knowledge with opinion keeps us reading great art and working with and for literature
