Taming the Beast Mark R. Sneed, 2021-11-08 Leviathan a manifestation of one of the oldest monsters in recorded history 3rd millennium BCE and its sidekick Behemoth have been the object of centuries of suppression throughout the millennia Originally cosmic terrifying creatures who represented disorder and chaos they have been converted into the more palatable crocodile and hippo by biblical scholars today However among the earliest Jews and Muslims and possibly Christians these creatures occupied a significant place in creation and redemption history Before that they formed part of a backstory that connects the Bible with the wider ancient Near East When examining the reception history of these fascinating beasts several questions emerge Why are Jewish children today familiar with these creatures while Christian children know next to nothing about them Why do many modern biblical scholars follow suit and view them as minor players in the grand scheme of things Conversely why has popular culture eagerly embraced them assimilating the words as symbols for the enormous More unexpectedly why have fundamentalist Christians touted them as evidence for the cohabitation of dinosaurs and humans Forthcoming Books Rose Arny, 1999 **Regain Be Gone** Sameera Khan, 2019-12-03 An experienced dietician shows how to keep the weight off after bariatric surgery With twenty years of training in the field of bariatrics trusted dietitian Sameera Khan shares strategies toward a balanced stress free weight loss journey so that readers can feel confident powerful and successful Weight regain is a manageable setback that can be reversed with a little effort and guidance The longer one ignores it the harder it is to regain lost ground so act now Regain Be Gone is the only resource people need to help them keep weight regain at bay after bariatric surgery Praise for Regain Be Gone A great book and really good comprehensive companion for both patients and practitioners William S Richardson MD FACS FAMBS Professor University of Queensland Section Head General Surgery Ochsner Clinic New Orleans LA Sameera Khan is an incredibly knowledgeable guide on your weight loss journey following bariatric surgery With decades of experience as a dietitian and physical assistant working with weight loss surgery patients she is an invaluable resource Allison M Barrett MD FACS FASMBS Director of Bariatric Surgery at Penn State St Joseph Medical Center Reading PA Clinical Assistant Professor of Surgery at Penn State University Love Bombing Oliver James, 2018-05-01 Love Bombing is a radical new method for resetting the emotional thermostats of troubled children and their parents setting them on a much happier trajectory It is simple to do easily explained and works for both severe and mild problems from aged three to early teenage Many if not most parents feel that their children may have missed out in some way during the early years Offering a simple relatively trouble free self help method for putting that right is what parents are waiting for This book is written in highly accessible language assures Oliver James The method is explained as simply as possible illustrated with cases Love Bombing is a very simple technique which helps most children from aged three to early teenage Because so many parents are or have had periods of living very busy or miserable or complicated lives most of us need to reconnect with our children from time to time Love

Courting Chaos Kevin Durrant, 2021-09-01 How are we meant to understand the worsening ecological crisis and how do we discover God's presence within it? These are questions *Courting Chaos* explores with the help of Scripture, art, and poetry. Focusing particularly on the writings of Jeremiah, this book sees parallels between the looming threat of Babylonian invasion which hung over the people of Judah and our own global predicament. Because it offered a hope that would survive the chaos of defeat and exile, the book of Jeremiah is presented as a spiritual resource for us today as we face living with an increasingly unstable climate. *Courting Chaos* weaves together the teaching of Jeremiah with the linked ministries of Jonah and Jesus, each of whom came through the chaotic waters of death to deliver a message of hope. Combining this with arresting works of art and poetry and his own struggles since participating in a pilgrimage to the 2015 Paris Climate Conference, the author thoughtfully applies biblical theology to our current ecological situation. The Orphic Moment Robert McGahey, 1994-07-01 This book examines Orpheus as a figure who bridges the experience of the Greek tribal shaman and the modern poet Stéphane Mallarmé, the father of modernism. First mentioned in 600 B.C., Orpheus was present at the moment when the Apolline forms of western culture were being encoded. He appears again at the opposite moment embodied in the language crisis at the end of the nineteenth century which inaugurated the break up of those forms and ushered in the Dionysian. Mallarmé's Orphic Moment when Orpheus's scattered limbs first begin to stir back to life enacts a dance at the boundary of Apollo and Dionysos, marking the collapse of Apolline form back into its Dionysian ground in Nietzsche's *The Birth of Tragedy*.
