Tantra Experience Discoveries On The Royal Song Of Saraha:

TANTRA EXPERIENCE Osho,2024-05-10 Out of the ancient prehistoric worship of mother earth arose an all embracing truly holistic vision of life the Tantra vision Tantra which can be translated as the essential thread winds its way through the most vibrantly alive and creatively rich parts of every religion Both Hinduism and Jainism met and were enriched by Tantra It influenced the Christian Gnostics and the Mohammedan Sufis The flame of Tantric Buddhism is kept alive to this day by the Tibetan Lamas This branch which lives today in Tibet was founded by Saraha In a way Saraha had two masters one being Sri Kirti who is in direct descent from Buddha *Global Encyclopaedia of Indian Philosophy* Nagendra Kr Singh,A. P. Mishra,2010 **Whitaker's Books in Print** ,1998 **The Tantra** Bhagwan Shree Rajneesh,Osho,2002-02-01 Extemporaneous talks given by the author at the Osho International Meditation Resort Pune India *The Tantra Experience* Osho,2011 This life is a gift from existence to be lived and enjoyed But with the seemingly impossible and conflicting demands of society morality and culture people struggle with feelings of unfulfilled potential frustration and guilt rather than living full lives The world of Tantra has no division between higher and lower The simple ordinary things of life are transformed into great things when we enter into them totally be it car fixing floor cleaning or lovemaking Osho shows how living this vision new heights of consciousness and freedom are realized The da **The Tantra Vision** Shree Rajneesh (Bhagwan),1979 **The Tantra Vision** Shree Rajneesh (Bhagwan),1978 Tantric Transformation Osho,1994 Looking at issues such as sex love and relationships the author describes the Tantra map of inner consciousness including the Four Seals or locks that open as couples move higher in meditation Tantra means expansion expansion to the point where our boundaries and the boundaries of existence are no longer separate they are the same This cosmic expansion is the goal of Tantric transformation **The Tantra Experience** Osho,2012-02-14 This life is a gift from existence to be lived and enjoyed But with the seemingly impossible and conflicting demands of society morality and culture people struggle with feelings of unfulfilled potential frustration and guilt rather than living full lives The world of Tantra has no division between higher and lower The simple ordinary things of life are transformed into great things when we enter into them totally be it car fixing floor cleaning or lovemaking Osho shows how living this vision new heights of consciousness and freedom are realized The days of tantra are coming Sooner or later tantra will explode for the first time in the masses because for the first time the time is ripe ripe to take sex naturally One thing to be remembered always if you are not very alert you may go on believing that you are moving into tantra and you may be simply rationalizing your sexuality it may be nothing but sex rationalized in the terminology of tantra If you move into sex with awareness it can turn into tantra If you move into tantra with unawareness it can fall and become ordinary sex Tantra Transformation Bhagwan Shree Rajneesh,2002-02-01 Extemporaneous talks given by the author at the Osho International Meditation Resort Pune India
