Tantric Tradition:

An Indian Tantric Tradition and Its Modern Global Revival D.E. Osto, 2020-03-06 This book analyzes the contemporary global revival of Nondual aivism a thousand year old medieval Hindu religious philosophy Providing a historical overview of the seminal people and groups responsible for the revival the book compares the tradition s medieval Indian origins to modern forms which are situated within distinctively contemporary religious economic and technological contexts The author bridges the current gap in the literature between insider emic and outsider etic perspectives by examining modern Nondual aivism from multiple standpoints as both a critical scholar of religion and an empathetic participant observer The book explores modern Nondual aivism in relation to recent scholarly debates concerning the legitimacy of New Age consumptive spirituality the global spiritual marketplace and the contemporary culture of narcissism It also analyzes the dark side of the revived tradition and investigates contemporary teachers accused of sexual abuse and illegal financial activities in relation to unique features of Nondual aivism s theosophy and modern scholarship on new religious movements NRMs and cults This book shows that although Kashmir aivism has been adopted by certain teachers and groups to market their own brand of High Tantra some contemporary practitioners have remained true to the system s fundamental tenets and teach authentic albeit modern forms of Nondual aivism This book will be of interest to academics in the fields of religion and Asian philosophies especially South Asian tantric neo tantric and yoga philosophies alternative and New Age spiritualities religion and consumerism and NRMs and cults Winner of the inaugural 2021 New Zealand Asia Society Book Award second prize

Tantric Traditions in Transmission and Translation David B. Gray, Ryan Richard Overbey, 2016 This volume explores the movement of tantric Buddhist traditions through time and space from the early history of tantric Buddhism to the present day These studies investigate the development of tantric Buddhist traditions in India their dissemination into Central and East Asia and exchanges between tantric Buddhist and rival religious traditions From the hyper masculine Buddha to the ritualized bodies of the siddhas the first chapter traces shifts in Indian Buddhist ideal masculinities The second chapter explores the intersection of Buddhism and aivism in early medieval India through the evolving figure of the yogin Another chapter explores how tenth and eleventh century scholars and translators in Tibet purified a Buddhist deity that showed signs of aiva Hindu origins Two chapters use often overlooked Tibetan and Chinese materials to explore the influence of incantations and ritual manuals on the formation of early tantric Buddhist literature The volume s longest chapter is a detailed history of Vajrayana Buddhism in Nepal The work concludes with two studies of hybridity and transformation in East Asia one on the Homa of the Northern Dipper a fire ritual which passed from India to China to Japan adapting to Daoist Buddhist and Shint contexts and another on the True Buddha School a contemporary Chinese transformation of Vajrayana Buddhism

The Tantric Tradition Swami Agehananda Bharati, 1970 The tantric tradition plays a major role in Hinduism and Tibetan Buddhism yet its teachings and philosophy are still little understood and often distorted in the West The

powerful erotic and sensual symbolism of the literature and the apparently amoral tendencies of the teachings and the care with which their inner meaning has been guarded have made objective study of them difficult This classic text offers an in depth study of the literature and philosophy of the tantric tradition one of the central themes of Hinduism and Tibetan Buddhism The author analyzes from within the literary linguistic ideological philosophical and ritualistic patterns of tantrism illustrating them with passages from the Indian and Tibetan texts Bharati gives emphasis to mantra initiation male female polarity symbolism and to the history and development of tantrism

The Tantric Body Gavin Flood, 2005-10-28 Tantra is the Hindu based religion which links ecstatic sexual practice with meditation and direct spiritual experience It originated in India some 1200 years ago when the great sacred erotic temples were built In the West it is best known for its inspiration of tantric yoga and its associated ritualistic forms of sex But is tantra just about esoteric sex or does it amount to something more This lively and original book contributes to a more complete understanding of tantra s mysteries Without minimising its sexual dimensions Gavid Flood argues that within tantra the body is more than just a sexual entity It is a vehicle for the spirituality that is fundamental to people s minds The Tantric Body makes an important and fascinating contribution to the study of South Asian religion and will have strong appeal to students of South Asian cultures and societies as well as to those of comparative philosophy

Tantric Traditions Swami Agehananda Bharati, 1993

The Tantric Tradition Swami Agehananda Bharati, 1966

Auspicious Wisdom Douglas Renfrew Brooks, 1992-10-01 Rooting itself in Kashmir Shaivism rividly became a force in South India no later than the seventh century and eventually supplanted the Trika as the dominant Tantric tradition in Kashmir This is the first comprehensive study of the texts and traditions of this influential school of goddess centered kta Tantrism Centering on the goddess s three manifestations the beneficent deity Lalita Tripurasundari her mantra and the visually striking sricakra rividly creates a systematic esoteric discipline that combines elements of the yogas of knowledge of devotion and of ritual Utilizing canonical works historical commentaries and the interpretive insights of living practitioners this book explores the theological and ritual theories that form the basis for rividly practice and offers new methods for critical and comparative studies of esoteric Hinduism

The Tradition of Everlasting Bön , 2023-08-15 An annotated translation of five key texts of the Everlasting Yungdrung B n school selected by the late H H Menri Trizin Rinpoche that includes scriptural teachings a root tantra based on revealed teachings of the unconditioned absolute a canonical commentary on the root tantra an exposition of the Yungdrung tantric system and the oral instructions on B n meditation practices associated with experiencing the nature of the mind the Great Perfection systems This authoritative annotated translation of five key texts of Everlasting Yungdrung B n by Marc des Jardins opens up a relatively unknown tradition that since the arrival of Buddhism in Tibet has undergone great transformations in its philosophy doctrinal teachings and meditative practices Each text represents an important aspect of the tradition The first text by Drog n Azha Lodr Gyaltsen 1198 1263 presents the grounds and paths of the Greater Vehicle of the B n tradition and represents the philosophical

ideology of its teachings based on the scriptures contained in the B n canon The second text is a short root tantra attributed to revealed teachings from Kuntu Zangpo the personification of the unconditioned absolute The third text is a commentary on this root tantra attributed to Drenpa Namkha fl eighth century a B npo sage contemporary with Padmasambhava The fourth text by Nyam Sherap Gyaltzen 1356 1415 presents a general exposition of the tantric system according to Yungdrung B n The final text by Drut n Gyalwa Yungdrung 1242 90 pertains to the oral instructions on the meditation practices of B n especially on the cycle of practices associated with experiencing the nature of the mind the Great Perfection systems All five texts have been selected by the late H H Menri Trizin Rinpoche Lungtok Tenpai Nyima 1927 2017 the thirty third abbot of Menri Monastery the central institution of the Yungdrung B n school

The Tantric Alchemist Peter Levenda, 2015-09-01

The Tantric Alchemist is a work on alchemy as decoded by Tantra and a work on Tantra as understood by alchemists It uncovers works by Thomas Vaughan and suggests how he and his wife a 17th century Welsh couple unique in the history of western alchemy met their fate when dealing with forces they knew only too well but which were stronger than their ability to control them Using the works of Vaughan as his text Levenda applies the twilight language of Tantra to the surreal prose of the alchemist and in the process lays bare the lineaments of the arcane tradition that gave rise to the legend of Christian Rosenkreutz the reputed founder of Rosicrucianism who learned his art in the East and to the 19th and 20th century occult movements lead by such luminaries as P B Randolph Theodore Reuss Helena Blavatsky and Aleister Crowley who also sought and discovered this technology in the religions and cultures of Asia Readers will find that the many disparate threads of an authentic spiritual tradition are woven together here in a startling tapestry that reveals without pretense or euphemism the psycho sexual technique that is at the root of both Tantra and alchemy that is to say of both Asian and European forms of esoteric praxis

The Hindu Tantric World André Padoux, 2017-03-07

Tantra occupies a unique position in Western understandings of Hindu spirituality Its carnal dimension has made its name instantly recognizable but this popular fascination with sex has obscured its philosophical depth and ritual practices to say nothing of its overall importance to Hinduism This book offers a clear well grounded overview of Tantra that offers substantial new insights for scholars and practitioners Andr Padoux opens by detailing the history of Tantra beginning with its origins founding texts and major beliefs The second part of the book delves more deeply into key concepts relating to the tantric body mysticism sex mantras sacred geography and iconography while the final part considers the practice of Tantra today both in India and in the West The result is an authoritative account of Tantra s history and present place in the world

Enjoying the Tune of Expression: An Psychological Symphony within **Tantric Tradition**

In a global consumed by monitors and the ceaseless chatter of fast connection, the melodic beauty and psychological symphony developed by the prepared word often disappear in to the background, eclipsed by the persistent sound and interruptions that permeate our lives. But, situated within the pages of **Tantric Tradition** a stunning literary prize filled with raw feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that charming masterpiece conducts visitors on a psychological trip, skillfully unraveling the hidden songs and profound influence resonating within each cautiously constructed phrase. Within the depths of the moving assessment, we can investigate the book is key harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
