Tao Of Cannabis And Other Poems

Timothy Leary

Tao Of Cannabis And Other Poems:

The Tao of cannabis and other poems David Swartz,1990 *AUTUMN in the Hothouse and Other Poems* David Swartz,2006-04 The metaphysical outrage and indignation contained within these verses for the most part formal yet seething with fury has its only parallel in Wilfred Owen s terrible indictments of the first Great War There is a significant difference however The poet s torment is expressed in the face of God and His Creation and not simply humankind s personal handiwork The lure of Swartz s Hothouse is how dangerously it verges on disintegration and madness The trial simply stated is why a boundless WHY hurled into abyss Only more fearful is the implied silence the calculated indifference of the answer The four long poems comprising Part Two are a lull in the rage of the opening section The poet while certainly not at ease with his Maker s universe attempts even to entertain while having his own private jokes with Bard Himself Part Three includes two representative dramatic poems The first Last Supper depicts the final moments of Christopher Marlowe the second The Hitler Sonata those of Adolf Hitler a disturbing powerful read If Plath confronted demons in her brilliant final anguish the author of THESE skillful wrenching poems assails the very source of them One cannot leave this book behind

Psychedelic Prayers After the Tao Te Ching Timothy Leary,1966 **Psychedelic Prayers** Timothy Leary,2010-09-15 Leary s only book of meditative poetry Manual to higher consciousness inspired by Lao Tse s Tao Te Ching Way of Life Includes six rediscovered poems photos and drawings from the cover of the German edition by H R Giger and photos of Leary in India along with essays by Michael Horowitz Rosemary Woodruff Leary and Ralph Metzner who was with Leary in India when he wrote the book A companion volume to High Priest My objective Leary wrote was to find the seed idea in each Sutra and rewrite it in the lingua franca of psychedelia The result was this handy take along prayer book It is intended to be read slowly during a session as a guide to transcendental experiences **Marijuana Medicine** Christian Rätsch,2001-03

Cannabis has accompanied the development of human culture from its very beginnings Christian Ratsch profiles the medicinal historical and cultural uses of cannabis throughout the world and includes remedies and recipes for using cannabis to treat specific conditions **The Tao of Cannabis** Woodhenge Press,1990-01-01 **Cannabis** Robert Clarke,Mark

Merlin,2016-06-28 Cannabis Evolution and Ethnobotany is a comprehensive interdisciplinary exploration of the natural origins and early evolution of this famous plant highlighting its historic role in the development of human societies Cannabis has long been prized for the strong and durable fiber in its stalks its edible and oil rich seeds and the psychoactive and medicinal compounds produced by its female flowers The culturally valuable and often irreplaceable goods derived from cannabis deeply influenced the commercial medical ritual and religious practices of cultures throughout the ages and human desire for these commodities directed the evolution of the plant toward its contemporary varieties As interest in cannabis grows and public debate over its many uses rises this book will help us understand why humanity continues to rely on this plant and adapts it to suit our needs **Cold Mountain Poems** Han Shan,2019-05-07 The incomparable poetry of Han Shan

Cold Mountain and his sidekick Shih Te the rebel poets who became icons of Chinese poetry and Zen has long captured the imagination of poetry lovers and Zen aficionados Popularized in the West by Beat Generation writers Gary Snyder and Jack Kerouac these legendary Tang era 618-907 figures are portrayed as the laughing ragged pair who left their poetry on stones trees farmhouses and the walls of the monasteries they visited Their poetry expressed in the simplest verse but in a completely new tone the voice of ordinary people Here premier translator J P Seaton takes a fresh look at these captivating poets along with Wang Fan-chih another outsider poet who lived a couple centuries later and who captured the poverty and gritty day to day reality of the common people of his time Seaton's comprehensive introduction and notes throughout give a fascinating context to this vibrant collection

God Made Marijuana Santos O. González PhD, 2017-06-09 As the debate rages on over the legality of marijuana use and cultivation what if the final word on the use and cultivation of marijuana was actually found in the Word the Holy Bible And what if God's Word actually said that cannabis was not only morally and ethically acceptable but that it could help you mature spiritually and bring you closer to God God Made Marijuana A Modern Moral Ethical Argument Supporting the Use Cultivation and Legalization of Cannabis shows you why it's okay with God if you smoke cultivate or use marijuana Exploring the role of cannabis in medicine politics history religion and society author Santos O. González PhD provides scriptural evidence that shows that marijuana is good physically emotionally and spiritually and that individuals are not breaking any biblical moral code that prohibits its use for medicinal recreational or spiritual purposes God Made Marijuana also describes how the prohibition of marijuana and the war on drugs are politically and culturally constructed aberrations of the truth that have no grounding in God's moral authority With justifications that are rooted in the final authority God the Bible and other sacred texts users of cannabis or marijuana can continue without guilt But even more they can move forward with the knowledge that their use can help them expand their consciousness and grow closer to God

Sacred Bliss Mark S. Ferrara, 2016-10-20 One of the most important relationships that human beings have with plants is changing our consciousness consider the plants that give us coffee tea chocolate and nicotine Sacred Bliss challenges traditional attitudes about cannabis by tracing its essential role in the spiritual and curative traditions in Asia the Middle East Africa Europe and the Americas from prehistory to the present day In highlighting the continued use of cannabis around the globe Sacred Bliss offers compelling evidence of cannabis as an entheogen used for thousands of years to evoke peak experiences or moments of expanded perception or spiritual awareness Today the growing utilization of medical cannabis to alleviate the pain and symptoms of physical illness raises the possibility of using cannabis to treat the mind along with the body By engaging sacred and secular texts from around the world Sacred Bliss demonstrates that throughout religious history cannabis has offered access to increased imagination and creativity heightened perspective and insight and deeper levels of thought
