Among the many benefits conferred by these practices are a reduction in the discomfort caused by menstruation and the ability to attain full-body orgasm. *Taoist Yoga and Sexual Energy* Eric Steven Yudelove, 2000. In 100 Days to Better Health Good Sex Long Life Eric Yudelove provided the foundation course in Taoist practice. Now he takes you to the next level referred to as Beginning Internal Alchemy. Gather the energies from the five major internal organs, harmonize them and change them from negative to positive. It's a process of refining yourself so you can absorb energy from nature and the cosmos, thus becoming a universe in miniature. *The Tao of Sexology* Stephen Thomas Chang, 1986. [Sex in China](#) Fang Fu Ruan, 2013-11-22. China today is sexually and in many other ways a very repressive society, yet ancient China was very different. Some of the earliest surviving literature of China is devoted to discussions of sexual topics and the sexual implications of the Yin and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins. In recent years a number of books have been written exploring the history of sexual practices and ideas in China but most have ended the discussion with ancient China and have not continued up to the present time. Fang Fu Ruan first surveys the ancient assumptions and beliefs, then carries the story to present-day China with brief descriptions of homosexuality, lesbianism, transvestism, transsexualism and prostitution and ends with a chapter on changing attitudes toward sex in China today. Dr. Ruan is well qualified to give such an overview. Until he left China in the 1980s he was a leader in attempting to change the repressive attitudes of the government toward human sexuality. He wrote a best-selling book on sex in China and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems. A physician and medical historian, Dr. Ruan's doctoral dissertation was a study of the history of sex in China.

Taoist Sexual Meditation Bruce Frantzis, 2012. You will learn how to work with chi energy during sex, gain an understanding of Taoist ethics and morality and realize the highest spiritual potential of sex as meditation. Find out how to increase sensitivity, activate your yin and yang meridians and overcome cultural conditioning. Understand how the Chinese theory of the Five Elements can give insight into your own sexual nature and determine sexual compatibility with potential partners. **The Alchemy of Sexual Energy** Mantak Chia, 2009-12-23. Taoist techniques for replenishing our internal energy with universal cosmic energy. Shows how to transform excess sexual energy (Ching Chi) into self-healing energy. Presents advanced Cosmic Healing Chi Kung practices which gather the limitless resources of Cosmic Chi for healing. Explains how opening of the three tan tiens to the six directions allows personal consciousness to connect directly to higher sources of energy. Taoists consider our sexual energy to be the creative force that we can use to regenerate the body's internal energy but we must learn how to harness excess sexual energy and transform it into chi or life force energy. When we circulate the sexual energy in the Microcosmic Orbit, a continuous energy loop that runs up the spine and down the front

of the body we transform it into self healing energy that can be stored in the organs and the three tan tiens energy centers in the brain the heart center and the lower abdomen The Alchemy of Sexual Energy builds upon Microcosmic Orbit practices discussed in Healing Light of the Tao The more we open the flow of our internal energy the more capable we are of connecting to the cosmic energy that exists outside ourselves in the universe By learning to open the three tan tiens to the six directions the Taoist practitioner combines mind power with extension of chi to draw cosmic energy into the body This energy too can be stored in the three tan tiens and used as needed for healing When we learn to flow in this way with the energy of the Tao life ceases to be a struggle
