

Tapestry POETRY

You will work with a partner to create a tapestry poem. One of you will select a title for the poem. The partner is the only one who has the option of using the title within the poem. Each of you will write a 4-line poem based on the title using the response sheets provided to you by your teacher. When you are done, attach the individual poems below and work together to combine them into one 16-line poem! You are permitted to make minor grammatical changes and adjustments to subjects and objects, but the majority of the lines should remain the same.
