Elizabeth L-B. Black

Target Switzerland Swib Armed Neutrality In World War II:

Target Switzerland Stephen P. Halbrook, 1998-06-21 **Swiss Armed Neutrality in World War II** **Faces of Neutrality** Herbert R. Reginbogin, 2009 This important book fills a historical gap and acts as a valuable corrective in the general treatment of Switzerland's role during the Second World War. In addressing all of the moral and historical charges laid at Switzerland's door in relation to Nazi Germany it does not offer an apology but far more valuably provides a sustained nuanced analysis of the issues at stake. Contending that Swiss neutrality during the Second World War has not only been misunderstood but has also been unfairly stigmatized the book's wide ranging assessment offers a much needed corrective to received wisdom on the subject. Commendably it presents a comparative assessment comparing the Swiss both to European neutrals and to the U.S. which it is often forgotten defended the posture of neutrality for the first two years of the war. The study highlights the need for careful assessment in the context of more than half a century ago. Seen in those terms the behavior of the Swiss emerges far more nuanced more driven by the desperate conditions of total war and far less susceptible to present day moralizations than in the work of many writers. This important contribution deepens our understanding of the Second World War. *Retrospectives on Switzerland in World War Two* Donald P. Hilty, 2001-01-01 Switzerland landlocked and encircled by the Axis averted invasion and occupation in World War II largely through its own efforts. They prepared for war through a strong military build up backed by strict adherence to its centuries old policy of armed neutrality and were able to preserve its own democracy and provide a safe haven for hundreds of thousands of victims of the conflict. *The Role of the Swiss Army During World War II* Ramon Bonacorsi, 2012 *Swiss Neutrality During World War II* Elizabeth L-B. Black, 2001 **Aspects of Swiss Neutrality During World War II.** Vera Kuffner, 1950 *The Swiss Corridor* Józef Garliński, 1981 *The Challenge of Neutrality* Georges André Chevallaz, 2001-01-01 Prominent historian and former President of the Swiss Confederation Georges André Chevallaz begins his study of Swiss neutrality during World War II with two essential questions. Why in the face of German imperialism with its authoritarian totalitarian and racist ideology did Switzerland declare neutrality? Why did it not join the camp of democracies or the other European nations who resolved to hold firm against the Germans? Chevallaz's provocative and insightful book presented here for the first time in English attempts to answer these questions. Chevallaz further offers an even handed reevaluation of the role of the principal actors in Swiss politics of the time notably Marcel Pilet-Golaz head of the Department of Foreign Affairs and General Henri Guisan. *The Nature and Development of Swiss Neutrality with Special Emphasis on World War II* Christine Lisle Vestermark, 1965 **The Eye Of The Hurricane** Urs Schwarz, 1980-11-12 Despite the voluminous research published about World War II there has remained a surprising gap. There is little perhaps nothing on the role of Switzerland. It was in the neutral Swiss oasis where a perilous balancing act was required for survival that a combination of determination and delicate negotiation continued to frustrate the Axis powers. Urs Schwarz cuts through the myths surrounding this period in a narrative based

largely on his experiences as both participant and observer. He was a soldier then a journalist in war-torn Berlin and beginning in 1942 foreign editor of the *Neue Zürcher Zeitung*. These experiences and subsequent extensive research result here in a unique and discerning and colorful history. Dust jacket

Uncover the mysteries within Crafted by is enigmatic creation, **Target Switzerland Swib Armed Neutrality In World War Ii** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation.
