Ken Ludden,2010-11-05 The Ankahr Muse tradition is one of the oldest traditions of reading Tarot in Eastern Europe The oral tradition of the ancient masters has been passed down from Master to Apprentice for millennia and until now has been the domain of an unseen world With the popularity of so many different methods for reading Tarot and the introduction of hundreds of different Tarot decks both old and new this book goes back to the origins of Tarot in Europe and gives a complete orientation to the cards their images and how to read them This is one of the deepest looks into the ancient art of divination readings Until now only Ankahr Muse apprentices were privy to this information But now it is available to those who wish to read Tarot with the depth and accuracy of ancient masters
