Taste Of Puerto Rico Traditional And New Dishes From The Puerto Rican Community

Toni Tipton-Martin

Taste Of Puerto Rico Traditional And New Dishes From The Puerto Rican Community:

A Taste of Puerto Rico Yvonne Ortiz, 1997-04-01 Foodies and lovers of Caribbean cooking will be inspired by the authentic Puerto Rican recipes in Yvonne's Ortiz's essential cookbook *A Taste of Puerto Rico*. Yellow rice, papayas, guavas, pina colodas, adobo, cilantro, and recaito color spirit and sun-splashed flavor identify the national cuisine of Puerto Rico. *A Taste of Puerto Rico* is the first major cookbook in years to celebrate the vibrant foods of Puerto Rico from hearty classics to today's new light creations. Culinary professional Yvonne Ortiz captures the very best of island cooking in 200 recipes for every course. Adapted for the modern kitchen but completely authentic, these wonderful dishes bursting with tropical tastes bring a rich and diverse culinary heritage to your table.

Savoring Gotham, 2015-11-11 When it comes to food, there has never been another city quite like New York. The Big Apple, a telling nickname, is the city of 50,000 eateries of fish wriggling in Chinatown baskets, huge pastrami sandwiches on rye, fizzy egg creams, and frosted black and whites. It is home to possibly the densest concentration of ethnic and regional food establishments in the world, from German and Jewish delis to Greek diners, Brazilian steakhouses, Puerto Rican and Dominican bodegas, halal food carts, Irish pubs, Little Italy, and two Koreatowns, Flushing and Manhattan. This is the city where if you choose to have Thai for dinner, you might also choose exactly which region of Thailand you wish to dine in. *Savoring Gotham* weaves the full tapestry of the city's rich gastronomy in nearly 570 accessible, informative A to Z entries. Written by nearly 180 of the most notable food experts, most of them New Yorkers, *Savoring Gotham* addresses the food, people, places, and institutions that have made New York cuisine so wildly diverse and immensely appealing. Reach only a little ways back into the city's ever-changing culinary kaleidoscope and discover automats, the precursor to fast-food restaurants, where diners in a hurry dropped nickels into slots to unlock their pre-made meal of choice. Or travel to the nineteenth century when oysters cost a few cents and were pulled by the bucketful from the Hudson River. Back then, the city was one of the major centers of sugar refining and of brewing, too. 48 breweries once existed in Brooklyn alone, accounting for roughly 10% of all the beer brewed in the United States. Travel further back still and learn of the Native Americans who arrived in the area 5,000 years before New York was New York, and who planted the maize, squash, and beans that European and other settlers to the New World embraced centuries later. *Savoring Gotham* covers New York's culinary history but also some of the most recognizable restaurants, eateries, and culinary personalities today. And it delves into more esoteric culinary realities such as urban farming, beekeeping, the Three Martini Lunch, and the Power Lunch, and novels, movies, and paintings that memorably depict Gotham's foodscapes. From hot dog stands to haute cuisine, each borough is represented. A foreword by Brooklyn Brewery Brewmaster Garrett Oliver and an extensive bibliography round out this sweeping new collection.

Welcome to Puerto Rico Deborah Kopka, 2011-09-01 Issue your students a passport to travel the globe with this incredible packet on Puerto Rico. Units feature in-depth studies of its history, culture, language, foods, and so much more.
