East-West Relations and the Future of Eastern Europe Morris Bornstein, Zvi Gitelman, William Zimmerman, 2024-11-18 Both domestic and foreign policy considerations led Eastern European nations in the 1970s to involve their economies more deeply with the West This increased economic interdependence encompassed trade technology transfer through industrial cooperation and international credit These growing links came as a mixed blessing as Western economic problems inflation recession unemployment energy began to affect the economic development and political stability in Eastern Europe First published in 1981 East West Relations and the Future of Eastern Europe examines the implications of these problems for East West relations and the domestic scene in Eastern Europe The authors analyze the interaction of economic and political forces at three interlocking levels international regional and national The first part deals with the evolution of East West political and economic relations in the 1970s and the prospects for the 1980s and considers the implications of developments in East West relations for Soviet and East European regional economic political and military ties Thereafter experts from East and West offer their perspectives on political economic strategies for individual East European countries in the context of their regional and international relations This book will be of interest to students of comparative economics international trade and international relations

*After the Cold War* Alpo M. Rusi, 1991-05-31 This book provides new and exceptional interpretations in regard to the post World War 2 history of the East West conflict and calls for interdisciplinary approaches in analyzing international relations The systematic and political processes are undoing the division of Europe and restoring an organically interdependent continent The events of 1989 in Eastern Europe are but a harbinger of a new security order in Europe and for the first time since the Treaty of Westphalia of 1648 Europe tries to look beyond state centered concepts of security

*Conventional Arms Control and East-West Security* Institute for East-West Security Studies, 1989 This important and timely work prepared by the leading researchers planners and policymakers from both Eastern and

Western alliances analyzes the major issues in the Vienna talks on conventional forces in Europe involving NATO and Warsaw Pact nations It is likely to have a significant influence on the course of these negotiations and on emerging debate on conventional arms control The contributors met in Moscow prior to the Vienna conference to review and compare their analyses and revised them thereafter for publication in this work **Austrian Information** ,1984 **East-West Trade Relations** Myer Rashish,1981 **Technology and East-West Trade** United States. Congress. Office of Technology Assessment,1979 *The Soviet Union under Brezhnev* William J. Tompson,2014-07-30 The Soviet Union Under Brezhnev provides an accessible post Soviet perspective on the history of the USSR from the mid 1960 s to the mid 1980 s It challenges both the evil empire image of the USSR that was widespread in the early 1980 s and the stagnation label attached to the period by Soviet reformers under Gorbachev The book makes use of a range of memoirs interviews archival documents and other sources not available before 1990 to place Brezhnev and his epoch in a broader historical context The author examines high politics foreign policy and policy making explores broader social cultural and demographic trends presents a picture of Soviet society in the crucial decades prior to the upheavals and crises of the late 1980 s While stopping well short of a full scale rehabilitation of Brezhnev Tompson rejects the prevailing image of the Soviet leader as a colourless non entity drawing attention to Brezhnev s real political skills as well as his faults and to the systemic roots of many of the problems he faced **Soviet Economy in a Time of Change** ,1979 [Soviet Foreign Policy in a Changing World](#) Robbin F.
