

An illustration on a light blue background with abstract shapes. A small figure in a suit is plugging a large black power cord into a wall outlet. The cord loops around and connects to a large silhouette of a man's head. Inside the head, there are several interlocking gears, one of which is red. Three glowing lightbulbs are positioned around the head: one above, one to the left, and one below. On the right side, there is a large text header, a button, and a footer area with the iStock logo and credit.

Technology And Human Productivity

Richard C. Dorf

Technology And Human Productivity:

Technology and Human Productivity John W. Murphy, John T. Pardeck, 1986-09-23 The editors have assembled a collection of original essays offering a holistic view of how technology shapes the modern world Consideration is given to several major issues such as the dehumanizing effects of technology which tends to objectify social life the emphasis on productivity and the accumulation of material goods and the intricacies involved in creating a responsible technology that would establish more socially sensitive principles values and beliefs Technology is examined not simply as machinery but as a procedure that can be used to define every aspect of social existence and the book demonstrates how to bring about the changes that are necessary to remedy this alienating situation **Technology, Humans, and Society** Richard C.

Dorf, 2001-01-23 The book is written for the reader who wishes to address the issues of sustainability with consideration of the environmental social and economic issues It addresses a broad array of matters and provide a framework that could lead to a sustainable world **Technology and the American Economy** United States. National Commission on Technology, Automation, and Economic Progress, 1966
