Ted Kennedy Gary Allen,1981-12-01 *Focus On: 100 Most Popular 20Th-century American Politicians* Wikipedia contributors, *Focus On: 100 Most Popular American Autobiographers* Wikipedia contributors, **Edward Kennedy** Burton Hersh,2011-09-06 In this groundbreaking biography of Edward Kennedy historian and journalist Burton Hersh combines a lifetime of research and reporting with a lively mixture of never before told anecdotes including the definitive version of the incident at Chappaquiddick the details of which Kennedy himself filled in for Hersh shortly after it occurred to create a broad yet unfailingly intimate portrait of the politician who would be universally acknowledged as one of the twentieth century s greatest American legislators Hersh was acquainted with Kennedy since his college days and the result here is a unique series of revelations that serve to reinterpret the senator s public and private personas Conditioned by deep seated fears that he was an afterthought within his own powerful family Kennedy developed a genius for conciliation and strategizing that made him a dramatically more effective political figure than either of his older brothers In addition to this biography s account of the Chappaquiddick incident Hersh also delivers the first full report of the vendetta between Kennedy and Richard Nixon exposing the behind the scenes manipulations to which Kennedy resorted to drive Nixon from office during the Watergate scandal **The Rich Man's Table** Scott Spencer,2010-11-23 A man s impassioned search for his legendary rock star father becomes a journey of self discovery in this masterful novel from bestselling author Scott Spencer Billy Rothschild s obsession with legendary 60s folksinger Luke Fairchild could be considered fanatic if not for the fact that Luke is actually Billy s father Raised by his beautiful charismatic former flower child mother Billy is a lost soul Determined to learn something anything about his origins he sets out on an illuminating quest to find and confront the father he always knew of but never knew Evocative and lyrical The Rich Man s Table is a moving portrait of a man seeking to connect to a lost past and to build a new future for himself This ebook features an illustrated biography of Scott Spencer including rare photos from the author s personal collection **Class Clown** Dave Barry,2025-05-13 America s most beloved wiseass finally tells his life story with all the humor you d expect from a man who made a career out of making fun of pretty much everything How does the son of a Presbyterian minister wind up winning a Pulitzer Prize for writing a wildly inaccurate newspaper column read by millions of people In Class Clown Dave Barry takes us on a hilarious ride starting with a childhood largely spent throwing rocks for entertainment there was no internet and preparing for nuclear war by hiding under a classroom desk After literally getting elected class clown in high school he went to college where as an English major he read snippets of great literature when he was not busy playing in a rock band it was the sixties He began his journalism career at a small town Pennsylvania newspaper where he learned the most important rule of local journalism never confuse a goose with a duck His journey then took a detour into the business world where as a writing consultant he spent years trying with limited success to get corporate folks to for God s sake get the point Somehow from there he wound up as a humor columnist for The

Miami Herald where his boss was a wild man who encouraged him to write about anything that struck him as amusing and to never worry about alienating anyone His columns were not popular with everyone He managed to alienate a vast army of Neil Diamond fans and the entire state of Indiana But he also developed a loyal following of readers who alerted him to the threat of exploding toilets not to mention the fire hazards posed by strawberry pop tarts and Rollerblade Barbie which he demonstrated to the nation on the David Letterman show He led his readers on a crusade against telemarketers that ultimately caused the national telemarketers association to stop answering its own phones because it was getting irony alert too many unwanted calls He has also run for president multiple times although so far without success He became a book author and joined a literary rock band which was not good at playing music but did once perform with Bruce Springsteen who sang backup to Dave As for his literary merits Dave writes I ll never have the critical acclaim of say Marcel Proust But was Marcel Proust ever on Carson Did he ever steal a hotel sign for Oprah Class Clown isn t just a memoir it s a vibrant celebration of a life rich with humor absurdity joy and sadness Dave says the most important wisdom imparted by his Midwestern parents was never to take anything too seriously This laughter filled book is proof that he learned that lesson well
