The story of Danny and Annie takes place on Christmas morning in their living room. They are in their final year, celebrating their final Christmas in the closing hours of their final day on earth. As they commemorate this very last Christmas morn, Annie makes a wish to live their lives all over again. The wish is granted, but not in a way foreseen by either of them. Their adventure begins at the ages they were when they first met in early childhood and ends with them having spent a lifetime together in marriage. Along the way, Danny and Annie face trials and tribulations, both new and old. This story is about how new beginnings can have old endings and how old endings can have new beginnings. Some of the characters, Danny and Annie, encounter during their perilous journey show themselves at times to be treacherous and dangerous. Other characters show themselves to be open and honest, with their most common trait being a timely response to a desperate need. The overriding theme is Danny and Annie's journey together, culminating in an encounter with the Grantor of wishes and prayers. This story hopes to reveal the crucial balance between grace and obedience during our walk of life in faith. **Snowflakes on**

**Christmas Street** Ivy Pembroke, 2017-10-17 Heartwarming, festive if only all streets were like Christmas Street. Ali McNamara: Readers love *Snowflakes on Christmas Street*. For such a gentle plot, this book packs an emotional punch. There's romance, the odd drama, and a whole lot of satisfaction. The characters are real. The ending is lovely and perfect. I sat and wept, liked good old-fashioned sobbing. I wanted to hug both Jack and Teddy into a big blanket and keep them safe forever. A charming, heartwarming, beautiful tale, not just of Christmas but of compassion, kindness, and love. Every time I tried to put it down to get on with life, I found it was calling me back for just one more chapter. Until I ran out of chapters, I just thoroughly adored this story. A feel-good and at times tear-jerking story leaving you with that magical Christmassy warmth at the end. On a little street in a big city, everything is changing. Bill has lived on Christmas Street since he was a young man. He's seen families come and go, watched children grow up. Now he wants to be left alone. Everything eight-year-old Teddy loves is in America. But his widowed father, Sam, has brought them both back to England to be closer to their family. Sam's one wish is for Teddy to be happy again. As Teddy and Sam settle into their new life, and Sam has an unusual meet-cute with the delightful Libby, a very special four-legged neighbour is determined to make them feel at home. Jack, the Christmas street dog.
