Chapter 1 What You Hear in the Woods

Not far away is the Whispering Woods a beautiful spot where the trees sway softly in the wind and the sun shines brightly This forest isn t like any other The Whispering Woods on the other hand are full of stories secrets and magical hints There are hidden things in the dark and old stories in the trees This magical jungle was home to Teddy a toy bear Unlike other bears Teddy had a brave heart and a never ending desire to go on adventures During a sunny afternoon game of hide and seek with his friends Teddy went deeper into the forest than he had ever been He didn t find the right place to hide instead he found something much more interesting The trees seemed to bend toward him as he went deeper into the forest They shook and mumbled as if they were trying to tell him a story Teddy was drawn to him because he liked to try new things He thought he could almost hear the trees calling him to find out what they were hiding Then as if by magic he saw it a strange house hidden among old trees Its windows looked like eyes and its tall towers stood watch over the sky Teddy found it and it looked like it had been there for hundreds of years The house had an eerie beauty with ivy growing up its stone walls and shadows dancing across its front The house looked like it was part of the forest and it was hiding secrets that only the bravest people could find Teddy knew this wasn t a normal find because his button eyes were sparkling with excitement and the wind was teasing his soft hair It seemed like every room in this house had a story or two to tell They were magical and exciting stories Teddy who loves to try new things couldn t say no to the offer He was drawn to the house by the way his feet looked like bears He was excited to see what was inside those old walls As Teddy got closer to the front door he noticed that the air was getting colder and the sounds of the forest were becoming quieter Everything in the forest seemed to be holding its breath eager to see what Teddy would do The house stood still in front of him its door slightly open as if to welcome him inside Teddy stopped for a moment thinking what adventures and secrets were inside But soon his desire to explore won out He took a deep breath and pushed the door open He was ready for the most exciting adventure of his life This is where Teddy s journey through the Whispering

Woods started This is where the magical and the everyday were mixed where stories were hidden everywhere and where shadows told old secrets Teddy was excited to find out what was hidden behind the walls of the house The sounds of the trees had led him to this wonderful place He was brave and curious about the secrets of the mansion Chapter 2 Welcome to the Front Porch Teddy the cute bear with a spirit for adventure had no idea what was in store for him when he got to the strange house in the Whispering Woods When he bravely walked up to the mansion s front door something wonderful happened The boards under his feet buzzed and squeaked as if they had just woken up after a long sleep to meet him Like the first notes of a new song Teddy saw the sound as a call to start an experience he had always wanted even though it might have scared other people away It got colder around Teddy and there was a light breeze blowing around the porch It was like the house could feel his brave heart and curious mind It was strange for Teddy to see a ghostly figure slowly appear in front of his eyes It wasn t a scary ghost though This ghost on the other hand looked smart and nice like a cat Its eyes sparkled like stars in the night sky and its tail was clear and waved gently This was Sir Whiskers the ghost cat who kept the mansion s secrets safe Sir Whiskers bowed very low to Teddy in a way that didn t make sense This show of respect and hospitality made Teddy feel both humbled and interested Sir Whiskers spoke with a kind and clear voice passing on knowledge and mysteries from the past He talked about hidden passageways and doors that were locked all over the house ready for someone brave enough to find them Teddy was already very interested but hearing what Sir Whiskers said made him even more so It was impossible to say no to the allure of a treasure hunt inside this grand house where each room had its own history and mystery Teddy paid close attention as Sir Whiskers gave him hints and clues Each one added to the bigger picture of the mystery at the house Teddy was shocked by how comfortable the ghost cat seemed to be Because of something about Sir Whiskers Teddy felt like he was meant to be standing on this porch about to start an adventure beyond his wildest dreams It was Sir Whiskers welcome that got people to move to come into a world where the past and the present lived together and stories were everywhere When Sir Whiskers left Teddy became very determined and promised to come back when he needed help He was no longer a toy he was now a ghost friend an investigator and an explorer He also had stories to tell The porch creaking under Teddy s weight seemed to be the mansion s way of saying Go on I have many stories to tell you The cool air turned into a shiver of excitement This event on the front porch was more than just a bear and a ghost meeting It was the start of an amazing trip With that thought Teddy knew that his next quest would involve more than just finding secret keys and opening doors It was about learning about the people who have lived in the house and how it works on the inside Teddy took a deep breath then walked forward ready to figure out the problems that were there The cat that had open arms for him Sir Whiskers led him in a soft ethereal whisper *Good Housekeeping* ,1918 **Memoirs of a Trumpet Teacher** Sam Bennett,2011-11-16

How a cuddly bear looked into different times Summary Teddy a soft and cuddly stuffed animal finds a cool time machine and an odd old clock hidden in his owner s garage Teddy who is naturally brave and interested accidentally turns on the machine and is swept away on a magical journey through different times in history each with its own lessons and adventures In Teddy s first adventure he is with the huge dinosaurs of the Jurassic time He meets a nice Triceratops and learns about the animals that lived on Earth before people did millions of years ago His next stop is ancient Egypt where he helps a researcher figure out what s going on in a Pharaoh s tomb and learns about hieroglyphics and ancient ceremonies Then Teddy is drawn to the Middle Ages where he meets a brave knight and learns about how people lived and what they believed In Renaissance Italy he meets famous artists like Leonardo da Vinci and sees the intellectual and cultural rebirth that marked the time This is the next part of his journey When Teddy gets on a pirate ship his trip takes a brave turn He learns about seamanship sailing and the exciting life of pirates in the past After that he sees for himself how new ideas and tools changed society as he makes his way through the huge changes that the Industrial Revolution brought about A lot of people moved into the American West during Teddy s time and he learns about the struggles and ways of life of Native Americans and cowboys Along with jazz dance and the growth of the arts during the Roaring Twenties he gets a glimpse of a rich time Watching the 1969 moon landing Teddy learns about the space race and how it changed science and how countries work together which is a turning point in history As Teddy goes through the late 20th century he learns about the digital revolution and the growth of computers He sees how these big steps forward in technology have changed everyday life Teddy goes on a trip to a future with lots of new technology where protecting the environment and being environmentally friendly are very important for keeping the world healthy Teddy finally comes back to the present day when he understands how important his home is and what he has learned Teddy is more than just a wooden bear In the attic where his story began he is a wise old man who tells stories To keep the other toys interested and teach them new things at the same time he tells them about his travels Through his books and toys Teddy s trip through time teaches him more than just the history of the world It also teaches him the importance of understanding and empathy as well as how all times and cultures are linked Each part of his journey focuses on a different time period but they all come together to make a rich tapestry of our shared past This shows that history is more than just a list of facts and dates it s a living story that shapes us into the people we are today Chapter 1 Teddy finds a clock Teddy a small stuffed animal bear with beautiful brown fur and button eyes was feeling very daring one sunny afternoon He chose to check out the attic of the house he shared with Emily his owner The attic was a strange place full of old boxes torn books and riches that had been forgotten for a long time It was the perfect place for a trip As Teddy climbed the creaky wooden steps the strange shapes made by the light from the attic window made everything look even more interesting He looked through old picture albums worn out clothes and broken tools as he walked around making small dust clouds with his soft paws Teddy was exploring the attic when he found a strange old clock buried in the dark This clock wasn

t like other ones The wooden frame was big and fancy with stars planets and golden hands carved into it The dial on the front of it looked old and had Roman numbers and two shiny hands that ticked smoothly Teddy thought it was interesting He had never seen anything like it before It looked like the clock was waiting for something or someone because it was beating very quickly Teddy looked at the clock out of interest It had more dials and buttons than a regular clock he said Teddy couldn't figure out what the symbol on a few of the small round ones meant It wasn't really a clock it looked more like the control panel of a spaceship He was most interested in the big red button in the middle of the clock Ted took out his little stuffed paw and hit the red button but he wasn't sure what he was doing The clock's quiet ticking sound turned into a much louder buzzing sound as soon as he touched it The hands on the clock started to move quickly and joined together to make a golden circle As the clock light filled the attic Teddy had a strange feeling like the ground beneath him was going away Without even having the chance to back away he felt pushed forward through a tunnel of flashing lights and colors that were spinning The attic and everything in it seemed to fall apart around him leaving him floating in a huge sparkling void Teddy saw that the clock wasn't just a hidden gem in the attic it was a time machine He didn't know what to do or where it was leading him though There was a little bit of fear and excitement in his smooth heart Where could he see these places Could he ever go back to Emily's house Swirling stopped all of a sudden Teddy noticed he was in a totally different place as the bright light went out He was not in the dark and dusty attic but in a large open area with a bright blue sky Instead of boards made of wood his paws were resting on lush green grass He heard birds singing and saw big trees in the distance Todd was shocked and a little confused By traveling through time he got to a place he had never been before As he took his first tentative steps into this new world he thought about all the amazing things that were waiting for him there How far away was he What time period did he enter Also how was he going to get home Teddy understood that the time machine had given him a one of a kind chance to learn about the past and maybe even meet some of the people who lived there Even though he was small Teddy was ready for the new adventures and challenges that lay ahead of him He was getting more and more excited about the stories he would tell Emily when he got back to the present Teddy started an amazing trip through time He would see amazing places learn about history and learn how important it is to be brave curious and open to new experiences Chapter 2 The Stone Age Teddy the stuffed bear came into a world that was very different from the one he had been in during the Jurassic time The air was warm and sticky and the sun shone through a cover of big green leaves He was surrounded by the sounds of a primitive jungle Huge leaves rustled in the light breeze and the strange calls of old birds filled the air As Teddy slowly moved forward his sensitive paws barely touching the wet soft ground he was amazed by how big everything was He had never seen plants like the ones he saw They were huge with huge trunks and broad big leaves that reached up to the sky and covered the forest in a thick mat of green Buzzing bugs that Teddy had never seen in his modern world were drawn to the bright flowers that were in full bloom Without a question the dinosaurs were the most amazing thing to see in this bright

lush area They were wonderful Teddy was amazed as a group of huge Diplodocuses walked by Their long necks reached up into the trees to eat from high branches They moved everything in their way with their tails as they swung back and forth As the ground shook a little under their weight Teddy felt a strange mix of fear and excitement At that point Teddy made friends with a nice Triceratops Teddy named this dinosaur Trudy because it had three sharp horns and a big bone flap on the back of its head making it look like a small bus Trudy seemed scary but she really just wanted to know more about things She grumbled nervously but nicely as she walked up to Teddy and quickly sniffed him with her huge round nose Teddy and Trudy quickly became close Teddy was shown around Trudy s house by her where she showed him other dinosaurs and lots of tasty plants It was taught to Teddy that Trudy s horns and frills helped keep her safe from danger As they went on their way Teddy saw more big tracks in the mud that were all bigger than him Trudy told them that they belonged to a Tyrannosaurus rex which was one of the most dangerous dinosaurs of the Jurassic period Teddy took a deep breath in and enjoyed Trudy s protected presence Teddy loved seeing all the different dinosaurs on their trip There were short velociraptors that moved quickly and had sharp claws There were stegosaurs nearby and their backs were covered with spikes and bone plates As they flew through the sky pterodactyls made deep shadows on the forest floor below their wings Trudy taught Teddy about the plants and animals that lived during the Jurassic time She talked about how the lush plants provided food for many kinds of dinosaurs which were then fed by the warm weather and lots of rain Teddy found out that some plants like ferns can send out a cloud of seeds when they are touched Teddy was amazed at how everything in this very old world was linked to each other The plants gave food to Trudy and other animals which made the predators stronger Every bug no matter how small did something useful like pollinating plants or breaking down dead animals and leaves Teddy learned and explored all day At night he sat by a calm lake and thought about what he had seen The calm clear lake showed off the bright blue sky and green surroundings Ted saw dragonflies flying across the water and off in the distance dinosaurs drinking at the water s edge As the sun went down and color changed the sky pink and orange in the sky Teddy felt awe and thankfulness The Jurassic Era was known for its huge animals and beautiful scenery It was not his world but it was still interesting He began to value the special experience of learning about the past and the wide range of events that happened on Earth Ted let out a happy sigh as he watched the stars start to appear in the dark sky No matter how many times he went back in time the Jurassic period with its huge dinosaurs and beautiful woods will always have a special place in his stuffed animal heart
