Teenagers Jonathan McKee, 2013-08-15 The Zombie Apocalypse Survival Guide for Teenagers isn't a normal book. It's not even a normal Zombie survival guide. It's a story of three teenagers enduring and surviving against the odds, adapting where many adults failed. Not many teenagers survived The Havoc, probably because most didn't acclimate and learn like these three. So what's the secret to their survival? Good question. The answer lies in these pages: a journal written by a teenager named Chris. Each section includes some discussion questions to help you digest what you just read. These questions will point to the Bible here and there for some wisdom that has stood the test of time: wisdom for surviving your real world.

Teenage Survival Guide David Kirk, 2015-11-24 Being a teenager has so many things going on all at once. Social dynamics are developing at the same time as puberty, and you are supposed to be learning math, science, and language arts. Sports, girls, boys, mean people, school drama, sex. All this with no real experience to speak of or to draw from. I am writing this book as a survival guide to the hardest part of life you will ever have to face: your teen years. *The Courage to Change*, 2011
