Teen Rebel Dopefiends:

Teen-Rebel Dopefiends, 2000 *Dissecting Hannibal Lecter* Benjamin Szumskyj, 2008-01-22 This comprehensive study of author Thomas Harris popular works focuses particularly on Harris's internationally known antihero Hannibal The Cannibal Lecter in the classic novels *Red Dragon*, *Silence of the Lambs* and *Hannibal*. In 12 scholarly essays the work examines several themes within Harris trilogy including the author's artistic exploration of repressed desires his refinement of neo noir themes and the serial killer motif and his developing perceptions of feminine gender roles. Several essays also focus on Harris works before and after the popular trilogy examining themes such as gothic romance in Harris's first novel *Black Sunday* and the making of a monster in the trilogy's 2006 prequel *Hannibal Rising*. *Flesh and Spirit* Felipe Luciano, 2023-11-21 WINNER AMERICAN BOOK AWARD Chronicles a Black Puerto Rican man's odyssey and transformation from an incarcerated gang member to the Co Founder of the Young Lords Party. Growing up fatherless and poor Felipe Luciano didn't yearn for wealth or dream of becoming a famous actor or athlete. He was tired of being poor and ached to be a man to reach that point of sagacity, courage and independence that would signal to the world that he was now a warrior ready to fight the battle for truth and justice to slay the dragon of evil whatever that might be. In *Flesh and Spirit* Luciano paints a vivid portrait of his life in New York City as a member of the city's Latino community as well as his pivotal role in the Young Lords and *The Last Poets*. Luciano's memoir begins when as a teenage Brooklyn gang member he is convicted of manslaughter. This pivotal moment changes the trajectory of his life. The American kid raised on Davy Crockett and Superman TV tales emerged from the womb of prison into a harsh new monochromatic black white world without the benefit of rose colored glasses. It was a painful shattering of all his childhood beliefs and the realization that he was a poor Black Puerto Rican in white America clutching onto values that didn't work. The only flotsam in this churning sea of 60s social turmoil was college poetry, revolutionary activity and sometimes God. After getting an education Luciano went on to become an acclaimed poet and political activist who advocates for the Latino population of New York City for the kids growing up in the same circumstances he did. Sparing no one not the revolutionaries the Revolution nor the author himself *Flesh and Spirit* is written with honesty and humility to help guide young people of color and other Americans through the labyrinths of ideology, organization missteps, false paths and phony societal promises. Featuring archival photographs by Michael Abramson reproduced from *Palante*, *Voices* and *Photographs of the Young Lords* 1969-1971 2011 Haymarket Books *Life and Def* Russell Simmons, 2002-09-24 Russell Simmons the original and eternal hip hop mogul is one of the most innovative and influential figures in modern American business and culture. When no one outside of inner city New York had even heard of hip hop Simmons saw the seeds of a global force that would change the way people talk, dress, listen to music and choose the heroes they hang on their walls. Today he oversees a sprawling multimillion dollar empire of culture defining businesses in everything from music to fashion, advertising to film and media to visual art. At the same time he's broadened his interests

and influence and pushed hip hop to new plateaus of power and relevance *Life and Def* is a one of a kind tale that interweaves the remarkable journey of Russell Simmons with the story of the culture he's transformed and been transformed by. In his own brash compelling voice Simmons chronicles his numerous business successes and occasional failures. He tells the story of the founding of the legendary Def Jam Records whose roster stretches from original rap icons like LL Cool J, Public Enemy and the Beastie Boys to today's top stars including Jay Z and DMX. He traces the launching of Def Comedy Jam, the long running hit television series that introduced a new generation of black comedic stars to America from Martin Lawrence and Bill Bellamy to Bernie Mac and Chris Rock. He spins hilarious tales of his adventures in Hollywood where he's produced hit movies like Eddie Murphy's *The Nutty Professor* and worked with quirky geniuses like Abel Ferrara. He also tells the story of Phat Farm, the wildly successful pioneering urban clothing label whose origins lay in Russell's longtime fascination with fashion and fashion models. Simmons's story is also one of personal transformation from the driven man who in the heady days of early success indulged himself with drugs, sex and world class decadence to the husband and father he is today, a man who has found meaning in activism, philanthropy and spiritual practice while never losing his passion for the social, political, artistic and commercial potential of hip hop. Through it all he relates telling anecdotes about the characters he's dealt with: models and gangsters, street poets and gurus and major players like Donald Trump, Sean Combs, Jon Peters and Tupac Shakur. Full of advice, opinions and behind the scenes scoop, *Life and Def* is the story of the quintessential hip hop life.

Pot, Inc. Greg Campbell, 2012-04-03 Greg Campbell coauthor of the bestselling *Flawless* and *Blood Diamonds* presents a compelling close up investigation of a hot button topic: America's schizophrenic attitude to the legalization of pot. Campbell, a suburban father whose biggest vice is a cold beer, seems like the last person who would grow weed in his basement. But his attitude changed in 2009 when his home state of Colorado led the nation in mainstreaming medical marijuana. Watching with fascination as above board and financially thriving dispensaries popped up everywhere, Campbell wondered: Why not me? *Pot Inc.* chronicles Greg's journey into DIY ganjapreneurialism as he learns how to cultivate marijuana, examines America's often unduly harsh laws and uncovers ignorance about pot's centuries old therapeutic value. Ignorance the government is desperate to maintain. Along the way he also gains a very personal insight into the drug's medicinal value that shapes his opinion about legalization.
