Norfleet, 2012-06-19 Every woman on Key West is swooning over newcomer Chase Buchanan All except bakery owner Nikita Coles Bad enough that he's bought the building next door blocking Nikita's plans to expand her business Worse he works for a big oil company She can't trust the man or his motivations even if he does look good enough to eat Convincing Nikita to sell her property will be a challenge but Chase is ready for it The Coles family has a rich history on Key West but the Buchanans never give up on what they want Seduction begins as a business strategy and quickly becomes the most pleasurable experience of Chase's life Yet winning the battle of wills could mean losing the love he never expected to find Jataka Tales of the Buddha (Volume I) Ken and Visakha Kawasaki, 2018-02-15 Whereas Western intellectuals seek the essence of Buddhism in its doctrines and meditation practices the traditional Buddhists of Asia absorb the ideas and values of their spiritual heritage through its rich narrative literature about the Buddha and his disciples The most popular collection of Buddhist stories is without doubt the Jatakas These are the stories of the Buddha's past births relating his experiences as he passed from life to life on the way to becoming a Buddha At times he takes the form of a bird at times he is born as a hare a monkey a prince a merchant or an ascetic but in each case he uses the challenges he meets to grow in generosity virtue patience wisdom and compassion This anthology of Jatakas ably told by Ken and Visakha Kawasaki remains faithful to the original yet presents the stories in clear and simple language It thereby makes the Jatakas accessible even to young readers and to those for whom English is not their first language Is It Still Good to Ya? Robert Christgau, 2018-10-04 Is It Still Good to Ya sums up the career of longtime Village Voice stalwart Robert Christgau who for half a century has been America's most widely respected rock critic honoring a music he argues is only more enduring because it's sometimes simple or silly While compiling historical overviews going back to Dionysus and the gramophone along with artist analyses that range from Louis Armstrong to M I A this definitive collection also explores pop's African roots response to 9 11 and evolution from the teen music of the 50s to an art form compelled to confront mortality as its heroes pass on A final section combines searching obituaries of David Bowie Prince and Leonard Cohen with awed farewells to Bob Marley and Ornette Coleman
