Teen Gangs:

Teen Gangs Maureen P. Duffy, Scott E. Gillig, 2004-03-30 Teen gangs are a hot issue in the United States This volume shows the international scope of the phenomenon today Gang activity in 14 countries including the United States is discussed within the larger framework of social and economic conditions Each chapter explains the nature of the gang activity in that country touches on the causes such as poverty marginalization and self identity problems and heavily emphasizes the responses including education and community based intervention Students and researchers will find a wealth of current information on teen gangs to mine and use for comparisons

Street Gangs Throughout the World Herbert Covey, 2021-07-01 This new third edition provides an update on what is known about street gangs throughout the world and summarizes some of the major works on street gang phenomena It focuses on those countries that have a greater presence in the literature Chapter 1 introduces the reader to the topic of street gangs throughout the world Chapter 2 identifies some of the challenges faced by scholars when studying gangs in different countries Chapter 3 reviews some of the basic research on street gangs in the United States and Canada Chapter 4 covers what is known about street gangs in Europe and Russia Chapter 5 reviews the literature on street gangs in one of the hottest areas of the world for gangs Central America In addition this chapter examines South American and Caribbean gangs Street gangs in Brazil El Salvador Guatemala Jamaica Brazil Mexico Nicaragua Trinidad and other countries are covered The presence of street gangs and gang violence in these and other countries has been identified as a major factor in the mass migration of refugees to the United States Chapter 6 reports on the street gangs of Africa Research on gangs in South Africa goes back decades and the country has a unique history on how gangs evolved Other countries such as Egypt Nigeria and Kenya are developing a body of literature that highlights the distinctive nature of gangs and gang members in these countries Chapter 7 addresses street gangs in Asia including China India Hong Kong post reunification Japan and other countries This chapter provides rare glimpses of gangs in China a relatively secretive country Although different in many ways from gangs in Asia information is also included here about gangs in Australia and New Zealand Practitioners in the criminal justice and juvenile justice fields will find this book to be a valuable resource

Youth Gangs and Community Intervention Robert Chaskin, 2010-01-29 Although a range of program and policy responses to youth gangs exist most are largely based on suppression implemented by the police or other criminal justice agencies Less attention and fewer resources have been directed to prevention and intervention strategies that draw on the participation of community organizations schools and social service agencies in the neighborhoods in which gangs operate Also underemphasized is the importance of integrating such approaches at the local level In this volume leading researchers discuss effective intervention among youth gangs focusing on the ideas behind approaches to and evidence about the effectiveness of community based youth gang interventions Treating community as a crucial unit of analysis and action these essays reorient our understanding of gangs and the measures undertaken to defeat them They

emphasize the importance of community both as a context that shapes opportunity and as a resource that promotes positive youth engagement. Covering key themes and debates, this book explores the role of social capital and collective efficacy in informing youth gang intervention and evaluation, the importance of focusing on youth development within the context of community opportunities and pressures, and the possibilities of better linking research, policy, and practice when responding to youth gangs among other critical issues.

Teen Violence in America Joseph Kolb, 2019-09-24 A powerful and important book that explains the epidemic rise and complex underlying causes of youth violence and opens a discussion on strategies to protect our children from physical and emotional harm. Our children are our future. Yet every day new reports come in describing violent assaults against youths or dramatic increases in gang recruitment of teens or the terrible hostile environments children are forced to grow up in. *Teen Violence in America* is a careful examination of the causes of this epidemic rise in youth violence. But more than that, it opens a discussion on strategies that have been proven most effective for protecting our children from physical and emotional harm. Each of us has a responsibility to do all we can to ensure that children are raised happy, healthy, and emotionally whole. Change is needed, as is a renewed commitment to our youth, and the only way that can happen is if we understand the dangers our children face in their daily lives. *Teen Violence in America* identifies those circumstances that place youths at risk for violent behavior, what ignites this predilection into violent action, and identifies strategies that can be employed to mitigate the damage and put them on a positive life track. From family life to school environment and opportunities, cultural and political influences, drugs, and gangs, *Teen Violence in America* looks deeply into the different factors contributing to this epidemic.

Studying Youth Gangs James F. Short, Lorine A. Hughes, 2006-04-27 Provides an introduction to the study of gangs: how we define them, what we know and not know about gangs. This title offers both a domestic and international view of processes of delinquency and gang formation and identity. It is suitable for criminal justice, sociology, and social work, parole practitioners, and public defenders.

The Truth about Drugs Robert N. Golden, Fred L. Peterson, John Haley, Mark J. Kittleson, 2009 This title presents information designed to help teens understand such topics as the biology of addiction, drugs and drinking, drug testing, the law on drugs, common illegal drugs, overdose, rehabilitation, and treatment, and much more. p 4 of cover.

Youth Gangs, Violence and Social Respect R. White, 2013-06-13 This is the first book dedicated to Australian youth gangs, exploring the subtleties and nuances of street life for young men and their quest for social respect. The key focus is on group violence and the ways in which the gang provides a forum for the expression of this violence.

Winning the War Against Youth Gangs Valerie Wiener, 1999-11-30 Gangs have spread throughout the entire sector of society, and what was once viewed as an inner city problem can now be found everywhere, including suburbia. This guide for teenagers, their families, and impacted communities addresses the youth gang issue in understandable, manageable terms. Quotes from teens themselves provide valuable insight into the problems that can cause kids to join gangs: absent parents, the need for excitement, or to belong to a group following in the footsteps of family.

members who are involved in gangs These factors and others are explored including an examination of the workings of the adolescent mind and sound solutions are suggested to help kids resist gang membership Four distinct sections bring into focus the topic of youth gangs and ways to prevent kids from joining them Part I describes many basic issues and needs all teens and pre teens have in common and how these relate to gangs Part II addresses how and why certain young people enter and sometimes exit gang alliances Part III focuses on how several integral components of the teen s life and community can work together to resolve youths involvement with gangs Part IV analyzes the critical influence of families and the teens themselves as they approach important life choices Wiener s unique approach includes suggestions and comments from the young people themselves to try to bridge the gap between themselves and the adults in their lives *Crime in*

Youth Gangs and

Street Children Paula Heinonen,2011-07-01 The rapidly expanding population of youth gangs and street children is one of the most disturbing issues in many cities around the world These children are perceived to be in a constant state of destitution violence and vagrancy and therefore must be a serious threat to society needing heavy handed intervention and tough love from concerned adults to impose societal norms on them and turn them into responsible citizens However such norms are far from the lived reality of these children The situation is further complicated by gender based violence and masculinist ideologies found in the wider Ethiopian culture which influence the proliferation of youth gangs By focusing on gender as the defining element of these children s lives as they describe it in their own words this book offers a clear analysis of how the unequal and antagonistic gender relations that are tolerated and normalized by everyday school and family structures shape their lives at home and on the street **Youth Gangs** Irving A. Teen Gangs Introduction

In today's digital age, the availability of Teen Gangs books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Teen Gangs books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Teen Gangs books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Teen Gangs versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Teen Gangs books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Teen Gangs books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Teen Gangs books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students.

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Teen Gangs books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals.
