Teen Moms The Pain And The Promise:

Teen Moms Evelyn Lerman, 1998-01-01 On Becoming a Teen Mom Mary Patrice Erdmans, Timothy Black, 2015-02-06

In 2013 the New York City Public Health Department placed public service announcements on trains and buses and at transportation stops that showed photos of frowning or crying children saying such things as I m twice as likely not to graduate high school because you had me as a teen and Honestly Mom Chances are he won t stay with you What happens to me Campaigns like this support a public narrative that portrays teen mothers as threatening the moral order bankrupting state coffers and causing high rates of poverty incarceration and school dropout These campaigns demonize teen mothers but tell us nothing about their lives before they became pregnant In this myth shattering and often deeply disturbing book sociologists Mary Patrice Erdmans and Timothy Black tell the life stories of 108 brown white and black teen mothers They expose the problems that cause distress in these young women s lives and that are often overlooked in pregnancy prevention campaigns Some stories are tragic and painful marked by child sexual abuse partner violence and school failure Others are less devastating depicting girl next door characters whose unintended pregnancies expose their lack of contraception and unwillingness to abort Offering a fresh critical perspective on the links between early childbirth and social inequalities On Becoming a Teen Mom demonstrates how the intersecting hierarchies of gender race and social class shape the personal stories of young mothers Provided by publisher MTV and Teen Pregnancy Letizia Guglielmo, 2013-05-30 In 2009 *16 and Pregnant* premiered on MTV closely followed by the spinoffs *Teen Mom* and *Teen Mom 2* Because of their controversial portrayals of teenage mothers the shows have received ongoing media attention While some argue that the programs could play a factor in reducing the number of teen pregnancies others claim the shows exploit young women and glamorize their situations Among these debates there have been surprisingly few in depth discourses that discuss the roles such shows have on teenage audiences In *MTV and Teen Pregnancy* Critical Essays on *16 and Pregnant* and *Teen Mom* contributors from a variety of backgrounds and expertise offer potent essays about these programs Divided into four parts the book tackles the controversial representations of teen pregnancy from various disciplines Part I explores gendered social norms and the shows roles as either educational resources or idealized depictions of teenage motherhood Part II prompts readers to consider the intersections of race class gender and the social and cultural power structures often glossed over in these programs Part III focuses on teenage fathers the portrayal of masculinity and good vs bad parents Part IV draws from TVs representations of reality to discuss the impact of these shows on the viewing audience This section includes a narrative from a teen mother who argues that the shows do not accurately reflect the life she leads As the debates about *16 and Pregnant* and *Teen Mom* continue this collection provides a valuable critical discourse to be used both inside and outside the classroom Those engaged in courses on gender and women s studies as well as media studies social work and family and childhood development will find *MTV and Teen Pregnancy* especially insightful as will those involved in community outreach programs

Throughout the series, you'll feel as if you're walking right alongside Melissa through her life's journey. You'll need to buckle up because the *Torn Series* takes you on an emotional roller coaster ride. Not only will you cry through her struggles, but you'll also celebrate in her triumphs. Throughout the *Torn Series*, you'll see Melissa make some good and not-so-good decisions in her life. Despite all that hardship she's experienced, it seems as if Melissa is constantly caught in the middle of one crisis after the next. *Torn 2: Passion, Pain, Promise* is Ella's recollection of events that take place years after Melissa and Kalin's day in court. Over the years, Patrick has struggled with his feelings for Melissa, but after all this time, something surprisingly happens that forces him to turn up the heat in Miami. Melissa's faith continues to be tested to the extent that she has to make some critical decisions that could possibly end in destruction for her and her entire family. Although some of the children are away from home and seemingly doing well, Sharelle, Amber, Princess, and Justice are still at home, but will they be able to adjust to the new changes? In *Torn 2: Passion, Pain, Promise*, you'll be scratching your head until you find out who sends Melissa over the edge. Will she recover this time? Unfortunately, there may not ever be a next time. Across town, Stevie returns to Miami for his first time sold-out comedy event, but what was meant to be an enjoyable event turns out to be a nightmare when Melissa's darkest secret is revealed. What is it that sends him back to California with a broken heart? It's always been said that where there's no pain, there's no gain, but does Melissa's pain gain her anything?
