Teen Mothers Citizens Or Dependents

Thomas E. MaCurdy, Margaret O'Brien-Strain

Teen Mothers Citizens Or Dependents:

Teen Mothers--Citizens Or Dependents? Ruth Horowitz, 1996-06-15 Horowitz examines one of the most critical questions of welfare policy how can a government program help one of society's most needful groups move from welfare dependency to employment independence and responsible citizenship This book brings to life the dramas of women on welfare women that daily face dramas unknown to most Americans

The Culture of Teenage Mothers Joanna Gregson, 2010-07-02 Society stigmatizes teen pregnancy but most teenage mothers keep their babies and many regard their pregnancies as the best thing that ever happened to them In this book Joanna Gregson explores teen mothers shared culture how they perceive their situations and how they experience stigma Drawing from four years of participant observation research in a school based program for parenting teens Gregson presents the stories and voices of a group of mostly but not exclusively white teen mothers a group often overlooked in the literature She reveals a world in which teenage mothers compete with each other to show competency as parents and proclaim the virtues of teen parenting over that of women in their twenties thirties and forties Gregson discusses the teen mothers conceptions of fatherhood and how they judge their own children's fathers including the issue of older boyfriends impregnating teenage girls The young women's thoughts on the stigma they experience and the transformations in their lives and relationships are illuminating and important to all who care about teenage girls as well as about teenage mothers and their children

Invisible Children in the Society and Its Schools Sue Books, 2015-04-24 The authors in this book use the metaphors of invisibility and visibility to explore the social and school lives of many children and young people in North America whose complexity strengths and vulnerabilities are largely unseen in the society and its schools These invisible children are socially devalued in the sense that alleviating the difficult conditions of their lives is not a priority children who are subjected to derogatory stereotypes who are educationally neglected in schools that respond inadequately if at all to their needs and who receive relatively little attention from scholars in the field of education or writers in the popular press The chapter authors some of the most passionate and insightful scholars in the field of education today detail oversights and assaults visible and invisible but also affirm the capacity of many of these young people to survive flourish and often educate others despite the painful and even desperate circumstances of their lives By sharing their voices providing basic information about them and offering thoughtful analysis of their social situation this volume combines education and advocacy in an accessible volume responsive to some of the most pressing issues of our time Although their research methodologies differ all of the contributors aim to get the facts straight and to set them in a meaningful context New in the Third Edition Chapters retained from the previous edition have been thoroughly revised and updated and five totally new chapters have been added on the topics of young people pushed into the school to prison pipeline the environmental landscape of two out of school Mexican migrant teens in the rural Midwest the perceptions and practices in and outside schools that construct African American boys as school failures negative portrayals of blackness

in the context of understanding the collateral damage of continued white privilege and working class pregnant and parenting teens efforts to create positive identities for themselves Of interest to a broad range of researchers students and practitioners across the field of education this compelling book is accessible to all readers It is particularly appropriate as a text for courses that address the social context of education cultural and political change and public policy including social foundations of education sociology of education multicultural education curriculum studies and educational policy

Social Work Diagnosis in Contemporary Practice Francis J. Turner, 2005-02-10 The unifying theme of this broad reaching volume is that responsible ethical and effective social work practice rests on the diagnostic skills of the practitioner Social work diagnosis refers to the conscious formulation of an ongoing set of decisions about the client and his or her situation which serve as the basis for intervention decisions for which the practitioner must be prepared to take responsibility Diagnostic skill development is an ongoing process principally enhanced by a continuous commitment to remain at the cutting edge of the profession s body of knowledge but one of the challenges for today s practitioner is keeping abreast of the rapidly expanding body of knowledge contained in some 200 important social work periodicals in circulation Francis J Turner a preeminent clinical scholar brings together in one volume some of the best work published since 2000 each reflecting new insights into understanding psychosocial situations and innovative methods of applying knowledge and skills in an increasingly effective manner Each of the 78 articles in this volume highlights some of the critical dimensions of contemporary social work practice guiding clinicians to address four key aspects in order to craft an accurate diagnosis The first section presents articles covering the developmental spectrum each of which fully explains various ages and stages of development The second section focuses on a range of specific situations helping practitioners and students enrich their understanding of different types of problems they meet in contemporary practice whether they are based in mental illness psychosocial issues or physical ailments The third section addresses the crucial component of diversity demonstrating the complexity and critical importance of truly understanding clients and their lives The last section of the book discusses innovative approaches to practice selected to offer practitioners easy access to the latest interventions for a host of contemporary challenges facing clients and their therapists Broad in scope and tightly focused on the goal of providing the most up to date information necessary for accuracy in the diagnostic process this volume represents some of the best research available to today s social workers

On Becoming a Teen Mom Mary Patrice Erdmans, Timothy Black, 2015-02-06 In 2013 New York City launched a public education campaign with posters of frowning or crying children saying such things as I m twice as likely not to graduate high school because you had me as a teen and Honestly Mom chances are he won t stay with you Campaigns like this support a public narrative that portrays teen mothers as threatening the moral order bankrupting state coffers and causing high rates of poverty incarceration and school dropout These efforts demonize teen mothers but tell us nothing about their lives before they became pregnant In this myth shattering book the authors tell the

life stories of 108 brown white and black teen mothers exposing the problems in their lives often overlooked in pregnancy prevention campaigns Some stories are tragic and painful marked by sexual abuse partner violence and school failure Others depict girl next door characters whose unintended pregnancies lay bare insidious gender disparities Offering a fresh perspective on the links between teen births and social inequalities this book demonstrates how the intersecting hierarchies of gender race and class shape the biographies of young mothers

Unbecoming Mothers Diana Gustafson, 2013-10-08

Learn the who what and why of unbecoming a mother In a society where becoming a mother is naturalized unbecoming a mother the process of coming to live apart from biological children is regarded as unnatural improper or even contemptible Few mothers are more stigmatized than those who are perceived as having given up surrendered or abandoned their birth children

Unbecoming Mothers The Social Production of Maternal Absence examines this phenomenon within the social and historical context of parenting in Canada Australia Britain and the United States with critical observations from social workers policymakers and historians This unique book offers insights from the perspectives of children on the outside looking in and the lived experiences of women on the inside looking out

Unbecoming Mothers The Social Production of Maternal Absence explores how gender race class and other social agents affect the ways women negotiate their lives apart from their children and how they attempt to recreate their identities and family structures An interdisciplinary international collection of academics community workers and mothers draws upon sources as diverse as archival records a therapist's interview a dance script and the class presentation of a student to offer refreshing insights on maternal absence that are innovative accessible and inspiring

Unbecoming Mothers examines five assumptions about maternal absence and the families that emerge from that absence the focus on parenting as highly gendered caring work done by women the idea that women share the same experience of unbecoming mothers and share the same circumstances and background the perception of maternal absence as a recent phenomenon the notion that women who want to manage their mother work will make choices to overcome life's obstacles the Western concept of womanhood being achieved through motherhood and the unrealistic ideal of the good mother

Unbecoming Mothers The Social Production of Maternal Absence is a rich multidisciplinary resource for academics working in women's studies psychology sociology history and any health related fields and for policymakers social workers and other community workers

Creating Small Scale Social Programs Barbara Schram, 1997-10-14

Built around a single case study **Creating New Agency Programs** clearly illustrates how to effectively plan implement and evaluate a small scale social program Each step in the planning process is introduced and described in a way that allows the reader to vicariously participate in the evolution of the program Useful charts time lines and resource lists are included and can be easily referenced and utilized This book's emphasis on planning is important not only because it is a much used and generally under taught skill but because successful planning is the process that can turn the dreams of a community into concrete reality This book is geared toward designing programs to meet specific social needs and organizing the relevant and human

resources to implement them The programs are specific detail and activity oriented but are designed to support long range goals which may be handed down by a parent organization or the community in general The author s strategy of using a case study serves as a creative learning tool that leads readers through each practical step toward successfully creating their own small scale social program Filling the void of literature on designing programs *Creating New Agency Programs* is ideal for professionals and students in a variety fields social work human services clinical counseling psychology drugs and alcohol psychology nursing and management who are faced with the task of planning designing and evaluating a program Teen 2.0 Robert Epstein,2010-02-24 National Indie Excellence Awards first prize in the Parenting and Family category Arguing that adolescence is an unnecessary period of life that people are better off without this groundbreaking study shows that teen confusion and hardships are caused by outmoded systems that were designed to destroy the continuum between childhood and adulthood Documenting how teens are isolated from adults and are forced to look to their media dominated peers for knowledge this discussion contends that by infantilizing young people society does irrevocable harm to their development and well being Instead parents teachers employers and others must rediscover the adults in young people by giving them authority and responsibility as soon as they exhibit readiness Teens are highly capable in some ways more than adults and this landmark discussion offers paths for reaching and enhancing the competence in America s youth *Flat Broke with Children* Sharon Hays,2004-11-04 This text explores the impact of recent welfare reform on motherhood marriage and work in women s lives It also focuses on what welfare reform reveals about work and family life and its impact on us all Disruptive Christian Ethics Traci C. West,2006-01-16 This book brings to the fore the difficult realities of racism and the sexual violation of women Traci West argues for a liberative method of Christian social ethics in which the discussion begins not with generic philosophical concepts but in the concrete realities of the lives of the socially and economically marginalized *Qualitative Research in Action* Tim May,2002-03-20 This exciting new book brings together contributions from world leading scholars as well as younger researchers and focuses on cutting edge issues related to the practice of qualitative research in the field It provides a forum for contributors to discuss the issues and processes which inform qualitative research in its various forms as based on fieldwork experiences In achieving this in an accessible manner to both practicing students and researchers it seeks to enable a dialogue over ideas and provide the reader with a state of the art overview of the topic from a contemporary perspective Rather than being a how to do book this volume should prove vitally useful for advanced students and researchers who wish to engage with those ideas and practices in terms of their applicability for an understanding and explanation of the place of qualitative research in the social sciences It is also a forum in which leading scholars make an original contribution to the subject Lively and highly readable throughout *Qualitative Research in Action* will be essential reading for advanced undergraduates and above in a variety of disciplines as well as researchers who wish to engage with contemporary ideas and practices in relation to qualitative research **Telling Birth Stories of Teen**

Mothers Suzanne Marie Broetje, 2003 *Women at the Margins* J Dianne Garner, Rosemary Sarri, Josefina Figueira-McDonough, 2013-01-11 A compelling look at the crisis of disadvantaged women This powerful document takes a sobering look at the phenomenon of marginalized women pushed to the edges of society holding on with the barest of hope and extraordinary bravery Handicapped by the increasing societal inequality they face as an everyday fact of life these women and in many cases their children have been disconnected from the mainstream for reasons of age race gender health incarceration domestic abuse unwanted pregnancy unemployment and economic circumstance They are poor in an affluent society powerless in a powerful nation and the suffering caused by their exclusion is poignant and troubling Eloquently illustrated with poetry art and prose created by marginalized women *Women at the Margins Neglect Punishment and Resistance* makes a compelling argument for social change The book offers a no holds barred look at how economic restructuring welfare reform neo conservative ideology and institutional exclusion have locked women into subservient substandard roles stripping them of their citizenship and rendering them expendable Diverse authors track the life cycle of marginalized women from teenage pregnancy to the loneliness of older women in poverty or prison *Women at the Margins Neglect Punishment and Resistance* addresses the effects of welfare reform the forgotten group women in prison and jail low income women and housing women marginalized by substance abuse poverty and incarceration teenage pregnancy children and their incarcerated mothers recidivism and reintegration women law and the justice system and much more *Women at the Margins Neglect Punishment and Resistance* acknowledges the long history of the inequality faced by women living in exclusion but focuses on the present with a hopeful but realistic eye toward the future It is an indispensable resource for sociology social work legal and penal system professionals and academics and an essential read for everyone **Recent Developments in Criminological Theory** Stuart Henry, 2017-07-05 This volume contains recent and cutting edge articles from leading criminological theorists The book is organized into ten sections each representing the latest in the multi disciplinary orientations representing a cross section of contemporary criminological theory These sections include 1 Classical and Rational Choice 2 Biological and Biosocial 3 Psychological 4 Social Learning and Neutralization 5 Social Control 6 Social Ecology Sub cultural and Cultural 7 Anomie and Strain 8 Conflict and Radical 9 Feminist and Gender 10 Critical Criminologies Anarchist Postmodernist Peacemaking The articles were selected based on their contributions to advancing the field including ways in which the authors of each chapter understand the current theoretical tendencies of their respective approaches and how they envision the future of their theories Because of this the articles focus on theory rather than empirical research Of particular note is the tendency toward integration of different perspectives as described by editors Henry and Lukas in their original introduction to this volume *MTV and Teen Pregnancy* Letizia Guglielmo, 2013-05-30 In 2009 16 and Pregnant premiered on MTV closely followed by the spinoffs Teen Mom and Teen Mom 2 Because of their controversial portrayals of teenage mothers the shows have received ongoing media attention While some

argue that the programs could play a factor in reducing the number of teen pregnancies others claim the shows exploit young women and glamorize their situations Among these debates there have been surprisingly few in depth discourses that discuss the roles such shows have on teenage audiences In MTV and Teen Pregnancy Critical Essays on 16 and Pregnant and Teen Mom contributors from a variety of backgrounds and expertise offer potent essays about these programs Divided into four parts the book tackles the controversial representations of teen pregnancy from various disciplines Part I explores gendered social norms and the shows roles as either educational resources or idealized depictions of teenage motherhood Part II prompts readers to consider the intersections of race class gender and the social and cultural power structures often glossed over in these programs Part III focuses on teenage fathers the portrayal of masculinity and good vs bad parents Part IV draws from TV's representations of reality to discuss the impact of these shows on the viewing audience This section includes a narrative from a teen mother who argues that the shows do not accurately reflect the life she leads As the debates about 16 and Pregnant and Teen Mom continue this collection provides a valuable critical discourse to be used both inside and outside the classroom Those engaged in courses on gender and women's studies as well as media studies social work and family and childhood development will find MTV and Teen Pregnancy especially insightful as will those involved in community outreach programs not to mention teens and young mothers themselves

Education, Training, and Service Programs that Serve Disadvantaged Teens United States. Congress. House. Committee on Ways and Means. Subcommittee on Human Resources, 1992 A hearing was held on education training and service programs that serve disadvantaged teens Testimony was presented on recent research findings concerning these programs and on their implementation The major lessons learned from the Summer Training and Employment STEP program were presented including those of implementation and impact A second topic was a discussion of the effectiveness of three programs serving teenage mothers on welfare New Chance for mothers who have dropped out of school Learning Earning and Parenting LEAP an Ohio program for teen parents and Demonstrations of Innovative Approaches to Reduce Welfare Dependency among Teen Parents A third topic was the discussion of the work provisions of the Family Support Act of 1988 The following witnesses addressed the hearing 1 Milton J Little Manpower Demonstration Research Corp 2 Deanna Phelps Maryland Department of Human Resources 3 Alan M Hershey Mathematica Policy Research Inc 4 Kevin W Concannon Oregon Department of Human Resources and 5 Michael A Bailin and Frances Vilella Velez Public Private Ventures Three submissions for the record are included SLD

Not Our Kind of Girl Elaine Bell Kaplan, 2023-04-28 One of the most worrisome images in America today is that of the teenage mother For the African American community that image is especially troubling All the problems of the welfare system seem to spotlight the black teenage mom Elaine Bell Kaplan's affecting and insightful book dispels common perceptions of these young women Her interviews with the women themselves and with their mothers and grandmothers provide a vivid picture of lives caught in the intersection of race class and gender Kaplan challenges the assumption conveyed in the popular media

that the African American community condones teen pregnancy single parenting and reliance on welfare Especially telling are the feelings of frustration anger and disappointment expressed by the mothers and grandmothers Kaplan interviewed And in listening to teenage mothers discuss their problems Kaplan hears first hand of their misunderstandings regarding sex their fraught relationships with men and their difficulties with the educational system all factors that bear heavily on their status as young parents Kaplan s own experience as an African American teenage mother adds a personal dimension to this book and she offers substantial proposals for rethinking and reassessing the class factors gender relations and racism that influence black teenagers to become mothers One of the most worrisome images in America today is that of the teenage mother For the African American community that image is especially troubling All the problems of the welfare system seem to spotlight the black teenage mom Elaine Bell Kaplan s a *Who Will be Affected by Welfare Reform in California?* Thomas E. MaCurdy, Margaret O'Brien-Strain, 1997 **Making Sense of Women's Lives** , Lauri Umansky, Michele Plott, 2000-08-01 Making Sense of Women s Lives presents a wide range of writings about women s lives in the United States Michele Plott and Lauri Umansky have drawn on their experiences as both students and professors to assemble the collection Seeking to provide as full a sampling from a diverse and intellectually vibrant field as one volume permits the editors have also chosen writing that makes an enjoyable read A few of the selections here represent the undisputed classics of the field More of them constitute simply the works drawn from academic and nonacademic sources alike that could make a difference in understanding what it means to be female in America Making Sense of Women s Lives is intended as the primary text in Women s Studies courses With that usage in mind Plott and Umansky have provided brief introductions to each article to help students understand the author s perspectives Thought and discussion questions follow each selection The book contains as well numerous Flash Exercises suggestions for class exercises and activities The editors have used these activities in their courses over the past decade in conjunction with readings in this volume and have found that the full complement of materials coalesces into an intellectually powerful introduction to Women s Studies A Collegiate Press book

Teen Mothers Citizens Or Dependents Introduction

In today's digital age, the availability of Teen Mothers Citizens Or Dependents books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Teen Mothers Citizens Or Dependents books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Teen Mothers Citizens Or Dependents books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Teen Mothers Citizens Or Dependents versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Teen Mothers Citizens Or Dependents books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Teen Mothers Citizens Or Dependents books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Teen Mothers Citizens Or Dependents books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Teen Mothers Citizens Or Dependents books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Teen Mothers Citizens Or Dependents books and manuals for download and embark on your journey of knowledge?

FAQs About Teen Mothers Citizens Or Dependents Books

What is a Teen Mothers Citizens Or Dependents PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Teen Mothers Citizens Or Dependents PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Teen Mothers Citizens Or Dependents PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Teen Mothers Citizens Or Dependents PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Teen Mothers Citizens Or Dependents PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without

significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
