

TEEN PREGNANCY FACTS

Teen Pregnancy The Facts About Series

RJ Alexander

Teen Pregnancy The Facts About Series:

MTV and Teen Pregnancy Letizia Guglielmo, 2013-05-30 In 2009 *16 and Pregnant* premiered on MTV closely followed by the spinoffs *Teen Mom* and *Teen Mom 2*. Because of their controversial portrayals of teenage mothers the shows have received ongoing media attention. While some argue that the programs could play a factor in reducing the number of teen pregnancies others claim the shows exploit young women and glamorize their situations. Among these debates there have been surprisingly few in depth discourses that discuss the roles such shows have on teenage audiences. In *MTV and Teen Pregnancy Critical Essays* on *16 and Pregnant* and *Teen Mom* contributors from a variety of backgrounds and expertise offer potent essays about these programs. Divided into four parts the book tackles the controversial representations of teen pregnancy from various disciplines. Part I explores gendered social norms and the shows roles as either educational resources or idealized depictions of teenage motherhood. Part II prompts readers to consider the intersections of race class gender and the social and cultural power structures often glossed over in these programs. Part III focuses on teenage fathers the portrayal of masculinity and good vs bad parents. Part IV draws from TV's representations of reality to discuss the impact of these shows on the viewing audience. This section includes a narrative from a teen mother who argues that the shows do not accurately reflect the life she leads. As the debates about *16 and Pregnant* and *Teen Mom* continue this collection provides a valuable critical discourse to be used both inside and outside the classroom. Those engaged in courses on gender and women's studies as well as media studies social work and family and childhood development will find *MTV and Teen Pregnancy* especially insightful as will those involved in community outreach programs not to mention teens and young mothers themselves.

The Facts about Teenage Pregnancies Bill Gillham, 1997-01-01 This helpful and practical book addresses the key issues surrounding this complex and emotive subject. Drawing on the latest research evidence with a minimum of jargon Bill Gillham examines the causes and consequences of teenage pregnancies and argues for changes to be made including more realistic education about parenthood and greater accessibility for teenagers to contraceptive services. *The Facts About Teenage Pregnancies* is an invaluable book for all professionals who work with teenagers and their families.

Safe Sex 101, 2nd Edition Elizabeth H. Forsyth, MD, Margaret O. Hyde, 2013-01-01 Becoming sexually involved with another person is a big step in your life. It's something to think about on your own long before you have to make a decision with anyone even the partner you love deeply. It is probably one of the most important decisions you'll ever make. Sixty seven percent of sexually experienced teens say they wish they had waited longer before having sexual intercourse. Through case studies and information from experts *Safe Sex 101* provides the overview teens need to understand abstinence contraception sexually transmitted diseases and unplanned pregnancies and how these can affect their lives.

Teen Pregnancy and Parenting Keri Weed, Jody S Nicholson, Jaelyn R. Farris, 2014-08-01 Whether glamorised or stigmatised teenage parenthood is all too often used to stand for a host of social problems and empirical research results ignored. Identifying core

controversies surrounding teen pregnancy and parenting this book resolves misperceptions using findings from large scale longitudinal and qualitative research studies from the US and other Western countries Summarising the evidence and integrating it with a systems perspective the authors explore ten prevalent myths about teenage parents including Teen pregnancy is associated with other behavior problems Children of teen parents will experience cognitive delay adjustment problems and will themselves become teen parents Better outcomes are achieved when teen mothers live with their own mothers Teen pregnancy costs tax payers lots of money Abstinence education is the best way to prevent teen pregnancy Teen Pregnancy and Parenting ends by highlighting the prevention and intervention implications for families practitioners and policymakers It will be of interest to academics and advanced students from a range of disciplines and professions including psychology public policy nursing social work and sociology Facts About Teenage Pregnancies Bill Gillham,2010-07-15 This text presents facts and figures about the incidence of teenage pregnancies throughout Europe together with current research based information on this subject Bill Gillham looks at the accompanying problems of stress and emotional financial and quality of life problems which in turn may lead to abuse and neglect of the child He analyzes these areas and asserts that teenage pregnancies with effective support and care need not be such a problem **Children, Youth, and Families in the Southeast** United States. Congress. House. Select Committee on Children, Youth, and Families,1984 **Mediating Moms** Elizabeth Podnieks,2012-03-22 In recent decades popular culture from television and film to newspapers magazines and best selling fiction has focused an enormous amount of attention on mothers Through feminist psychoanalytic sociological literary and cultural studies perspectives the twenty chapters in this book examine an array of current and relevant contemporary topics related to maternal identities such as working stay at home ambivalent absent good bad single teen elder celebrity and lesbian mothers and issues such as the mommy wars self care pregnancy abortion contraception infanticide adoption sex and sexuality breastfeeding post partum depression fertility genetics and reproductive technologies Contributors from Canada the United States Britain and Australia engage critically and theoretically with stereotypes perpetuated by popular culture media and chart some of the provocative and liberating ways that we can use and interpret this media to encourage and promote alternative and transformative maternal readings identities and practices Mediating Moms looks at mothers as imaged by and in the media how mothers mediate or negotiate these images according to their historical corporeal and lived personhoods and how scholars mediate the popular and academic discourses of motherhood as a way of registering strengthening and alleviating the tensions between representation and reality Mediating Moms engages critically with stereotypes perpetuated by popular culture while mapping some of the provocative and liberating ways that mothers can use the media to transform and reaffirm their identities Contributors include Jennifer Bell Alberta H Louise Davis Miami Irene Gammel Ryerson Nicola Goc Tasmania Fiona Joy Green Winnipeg Latham Hunter Mohawk Joanne Ella Johnson Hosu Kim Staten Island Beth O Connor Ontario Ministry of Municipal Affairs and Housing Debra Langan Wilfrid Laurier Sally Mennill

British Columbia Stuart J Murray Ryerson Kathryn Pallister Red Deer Maud Perrier Bristol Lenora Perry Texas Dominique Russell Jocelyn Stitt Minnesota Stephanie Wardrop Western New England Imelda Whelehan Tasmania *The Real Truth about Teens and Sex* Sabrina Weill, 2006-09-05 The former editor in chief of Seventeen magazine provides a revealing look at teens and sex covering such topics as virginity celibacy the role of the media birth control sexually transmitted diseases peer pressure sex education and the latest tre **Getting Ready to Move Out** Ashley Anello, 2018-06-28 You have taken the first step in obtaining some of the most important information you need to start preparing for life on your own You re ready to start taking these steps one at a time You re armed with the proper tools to set yourself up to look for and interview to get a job open bank accounts establish credit seek housing save up deposits for a new home and utilities accumulate household goods and look for other options that may be available to you You have insight on life game changers being homeless date rape human trafficking drug use and getting medical attention If you are in a foster program now you know where to look for and find resources specifically for you selecting mentors is a key to success and no one has to go through life alone This is the guide that will fill you in on the things that may not be learned in most homes schools communities and colleges Never be too afraid or have too much pride to ask for help Failure only comes from not trying You can do it This is your map *Pop Culture in Language Education* Valentin Werner, Friederike Tegge, 2020-11-23 Pop Culture in Language Education provides comprehensive insight on how studies of pop culture can inform language teaching and learning The volume offers a state of the art overview of empirically informed cutting edge research that tackles both theoretical concerns and practical implications The book focuses on how a diverse array of pop culture artifacts such as pop and rap music movies and TV series comics and cartoons fan fiction and video games can be exploited for the development of language skills It establishes the study of pop culture and its language as a serious subfield within language education and applied linguistics and explores how studies of pop culture its language and its non linguistic affordances can inform language education at various levels of proficiency and with various learner populations Presenting a broad range of quantitative and qualitative research approaches including case studies on how pop culture has been used successfully in language education in and beyond the classroom this book will be of great interest for academics researchers and students in the field of language education applied linguistics psycholinguistics and sociolinguistics as well as for language teachers and materials developers
