Hanna,2022-02-20 Teenage years can be difficult but military connected adolescents have added obstacles growing up within the military culture They are essentially conscripted into serving their country whether they want to or not from the moment they are born For the youth of this generation who have known nothing but a world consistently engaged in global conflict capable of ripping their loved ones away from them the path they travel can be arduous lonely and hidden from the world Schools are one of the few places that adolescents could receive support nurturing and acceptance outside of the home Yet military students and their needs remain unacknowledged making them an invisible minority in education With more than four million military connected children in the nation over 80% enrolled in public schools these students deserve to have a light shined on their lives *Forgotten Conscripts Understanding the Needs of Military Connected Adolescents* looks deeper into the perceptions beliefs and experiences of military connected adolescents to better inform teaching and learning among members of this culture so they might no longer be forgotten **A Survival Guide to Parenting Teens** Joani

Geltman,2014-05-01 The teenage years will bring problems that will make any parent long for the days of their childhood However you're not alone This invaluable resource tackles all of the issues that you can possibly encounter with your teen Oh to be able to return to the days of messy bedrooms and preteen attitudes Now as parents of teenagers the days have the potential of bringing us not so fun issues like sexting cyber bullying and eating disorders Let's not forget the old standbys of drugs alcohol and depression As much as you pray that your child will be the shining exception as their parent you must still be prepared Will you know what to do when a naked picture of your daughter gets forwarded by her boyfriend to the entire school How will you respond when your child is bullied online or is the bully himself *A Survival Guide to Parenting Teens* has thought through all the issues you haven't covering a broad range of issues including sex drinking drugs depression defiance

laziness conformity entitlement and more Parenting expert Joani Geltman approaches 80 uncomfortable topics with honesty and a dash of humor She reveals what your teens are thinking and feeling and what developmental factors are involved A Survival Guide to Parenting Teens explains how to approach each problem in a way that lets your kid know you get it and leads to truly productive conversations

**George Mason, Forgotten Founder** Jeff Broadwater,2009-11-13 George Mason 1725-92 is often omitted from the small circle of founding fathers celebrated today but in his service to America he was in the words of Thomas Jefferson of the first order of greatness Jeff Broadwater provides a comprehensive account of Mason's life at the center of the momentous events of eighteenth century America Mason played a key role in the Stamp Act Crisis the American Revolution and the drafting of Virginia's first state constitution He is perhaps best known as author of the Virginia Declaration of Rights a document often hailed as the model for the Bill of Rights As a Virginia delegate to the Constitutional Convention in Philadelphia Mason influenced the emerging Constitution on point after point Yet when he was rebuffed in his efforts to add a bill of rights and concluded the document did too little to protect the interests of the South he refused to sign the final draft Broadwater argues that Mason's recalcitrance was not the act of an isolated dissenter rather it emerged from the ideology of the American Revolution Mason's concerns about the abuse of political power Broadwater shows went to the essence of the American experience
