Patt, 2024-01-25 Avinoam Patt examines the relationship between two of the most significant events in modern Jewish history the Holocaust and the creation of the state of Israel While there may be no direct causal connection between the Holocaust and the founding of the Jewish state in 1948 the memory of the Holocaust has been a constant presence in Israeli politics culture and society since even before 1948 The State of Israel has always existed in an uneasy relationship with the Shoah On the one hand Israel was faced with the challenge of taking in hundreds of thousands of Holocaust survivors as new citizens of the state many of whom were discouraged from sharing their traumatic wartime experiences with their fellow citizens On the other hand the destruction of European Jewry and the failure of Western democracy to protect the Jewish minority in Europe seemed to vindicate the Zionist worldview even as classical Zionism argued that the Jewish people deserved a state on the basis of their deep historical connection to the Land of Israel By tracing the evolving relationship to the memory of Shoah Avinoam Patt argues we can also trace shifting conceptions of Israeli self understanding and identity Israel s relationship to the wider world its neighbors the Jewish Diaspora and the Jewish past Israel and the Holocaust documents these tensions and analyses the changing nature of Israel s relationship to the Shoah revealing that it only seems to strengthen with the passage of time The World Jewish Congress during the Holocaust Zohar Segev, 2014-07-14 Drawing on hitherto neglected archival materials Zohar Segev sheds new light on the policy of the World Jewish Congress WJC during the Holocaust Contrary to popular belief he can show that there was an impressive system of previously unknown rescue efforts Even more so there is evidence for an alternative pattern for modern Jewish existence in the thinking and policy of the World Jewish Congress WJC leaders supported the establishment of a Jewish state in Palestine but did not see it as an end in itself They strove to establish a Jewish state and to rehabilitate Diaspora Jewish life two goals they saw as mutually complementary The efforts of the WJC are put into the context of the serious difficulties facing the American Jewish community and its representative institutions during and after the war as they tried to act as an ethnic minority within American society Kindheit und Jugend im Exil Claus-Dieter Krohn, et al., 2022-01-19 Keine ausführliche Beschreibung für Kindheit und Jugend im Exil verfügbar Jahrbuch des Simon-Dubnow-Instituts / Simon Dubnow Institute Yearbook XV/2016 Raphael Gross, Magnus Klaue, Markus Kirchhoff, Gil S.
