Tekhelet The Renaissance Of A Mitzvah:

Jewish Blues Gadi Sagiv, 2023-02-14 Jewish Blues presents a broad cultural social and intellectual history of the color blue in Jewish life between the sixteenth and twenty first centuries Bridging diverse domains such as religious law mysticism eschatology as well as clothing and literature this book contends that by way of a protracted process the color blue has constituted a means through which Jews have understood themselves In ancient Jewish texts the term for blue tekhelet denotes a dye that serves Jewish ritual purposes Since medieval times however Jews gradually ceased to use tekhelet in their ritual life In the nineteenth century however interest in restoring ancient dyes increased among European scholars In the Jewish case rabbis and scientists attempted to reproduce the ancient tekhelet dye The resulting dyes were gradually accepted in the ritual life of many Orthodox Jews In addition to being a dye playing a role in Jewish ritual blue features prominently in the Jewish mystical tradition in Jewish magic and popular custom and in Jewish eschatology Blue is also representative of the Zionist movement and it is the only chromatic color in the national flag of the State of Israel Through the study of the changing roles and meanings attributed to the color blue in Judaism Jewish Blues sheds new light on the power of a visual symbol in shaping the imagination of Jews throughout history The use of the color blue continues to reflect pressing issues for Jews in our present era as it has become a symbol of Jewish modernity *A Cultural History of Jewish Dress* Eric Silverman, 2013-01-01 A Cultural History of Jewish Dress is the first comprehensive account of Jewish clothing both profane and sacred from its origins through to the present day Fascinating and accessibly written it will appeal to anybody with an interest in the central role of clothing in defining Jewish identity *Fifty-four Pick Up* Shmuel Herzfeld, 2012 There is no issue too controversial for Rabbi Shmuel Herzfeld as he seamlessly connects ideas and themes of the Torah to the major issues of our times What does the Torah say about homosexuality What is the agunah crisis and what can we do about it How do we effectively combat intermarriage Is our justice system truly just In this collection of thoughts about the fifty four weekly Torah portions Rabbi Herzfeld shows us how the Torah can guide us and inspire us in our daily lives Why is giving away your pillow the best way to get a good night's sleep Should the Internet be used for bar mitzvah lessons How can you be a good parent What would you do if you had only five minutes to live Rabbi Herzfeld is confident and proud of his Jewishness His enthusiasm and unabashed love for the Torah is contagious and his Jewish pride shouts out from every page Warning If you read this book you will be infected by Rabbi Herzfeld's love of Torah **Journal of Halacha and Contemporary Society**, 2004 □□□□ Alfred S.
