Stephen E. Kercher,2010-06-15 We live in a time much like the postwar era A time of arch political conservatism and vast social conformity A time in which our nation s leaders question and challenge the patriotism of those who oppose their policies But before there was Jon Stewart Al Franken or Bill Maher there were Mort Sahl Stan Freberg and Lenny Bruce liberal satirists who through their wry and scabrous comedic routines waged war against the political ironies contradictions and hypocrisies of their times Revel with a Cause is their story Stephen Kercher here provides the first comprehensive look at the satiric humor that flourished in the United States during the 1950s and early 1960s Focusing on an impressive range of comedy not just standup comedians of the day but also satirical publications like MAD magazine improvisational theater groups such asSecond City the motion picture Dr Strangelove and TV shows like That Was the Week That Was Kercher reminds us that the postwar era saw varieties of comic expression that were more challenging and nonconformist than we commonly remember His history of these comedic luminaries shows that for a sizeable audience of educated middle class Americans who shared such liberal views the period s satire was a crucial mode of cultural dissent For such individuals satire was a vehicle through which concerns over the suppression of civil liberties Cold War foreign policies blind social conformity

and our heated racial crisis could be productively addressed A vibrant and probing look at some of the most influential comedy of mid twentieth century America *Revel with a Cause* belongs on the short list of essential books for anyone interested in the relationship between American politics and popular culture **Animation** Scott Curtis,2019-02-08 From the earliest motion pictures and cartoons of the 1900s to the latest 3D animated feature and CGI blockbuster animation has always been a part of the cinematic experience While the boundaries between animation and live action have often been carefully tended the ubiquity of contemporary computer imaging certainly blurs those lines thereby confirming the importance of animation for the history of American cinema The last installment of the acclaimed *Behind the Silver Screen* series *Animation* explores the variety of technologies and modes of production throughout the history of American animation the artisanal solitary labors of early animators such as Winsor McCay or of independent animators such as Mary Ellen Bute the industrial assembly lines of Hollywood studio unit animation the parsimonious production houses of the post studio post war era the collaborative approach of boutique animation and special effect houses Drawing on archival sources this volume provides not only an overview of American animation history but also by focusing on the relationship between production and style a unique approach to understanding animation in general **Animated Mischief** Brian N. Duchaney,David S. Dintrone,2014-02-11 This work indexes books dissertations and journal articles that mention television shows Memoirs autobiographies biographies and some popular works meant for fans are also indexed The major focus is on service to researchers in the history of television Listings are keyed to an annotated bibliography Appendices include a list of websites an index of groups or classes of people on television and a list of programs by genre Changes from the second edition include more than 300 new shows airing on a wider variety of networks 2000 plus references more than double the second edition and a large increase in scholarly articles The book provides access to materials on almost 2300 shows including groundbreaking ones like *All in the Family* almost 200 entries cult favorites like *Buffy The Vampire Slayer* 200 plus entries and a classic franchise *Star Trek* more than 400 entries for all the shows The shows covered range from the late 1940s to 2010 *The Walking Dead* References range from 1956 to 2013 **Consumer Behaviors Exhibited in Saturday Morning Television Cartoons** Faye R.
