Television Improvement Act Hearing Before The Committee On The Judiciary Us Senate:

The Television Improvement Act United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Antitrust, Business Rights, and Competition,1997 *Implementation of the Television Program Improvement Act of 1990* United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution,1994 *Monthly Catalogue, United States Public Documents* ,1995 **Monthly Catalog of United States Government Publications** ,1995 *The Television History Book* Michele Hilmes,Jason Jacobs,2021-03-11 Traces the history of broadcasting and the influence developments in broadcasting have had over our social cultural and economic practices Examining the broadcasting traditions of the UK and USA The Television History Book make connections between events and tendencies that both unite and differentiate these national broadcasting traditions Resources in Education ,1997 **Violence in the Media** Nancy Signorielli,2005-03-25 From the popular video game Mortal Kombat to reality TV this book offers a candid compilation of the history problems impacts and solutions relating to media violence Violence in the Media A Reference Handbook documents the issues impact controversies and consequences of one of the most insidious phenomena facing American society With 99 percent of American homes having TV sets the book s main focus is on television violence and in particular its effects on children who spend an average of 28 hours a week watching television A historical synopsis covering early concerns that continue to be hotly debated describes congressional hearings and their outcomes Brief biographies present perspectives on key players like theoretician Albert Bandura communication scholar George Gerbner and Representative Edward Markey D MA A discussion of the evidence both supporting and condemning media violence includes its use by perpetrators in the Columbine High School shootings and recent sniper attacks The Right Medicine David Cundiff,Mary Ellen McCarthy,2012-12-06 When Dr David Cundiff called me with a proposal to help research and write The Right Medicine I was intrigued but skeptical His ideas for reform of the US health care system were visionary radical and highly original but would they work As a Wall Street analyst and long time student of the health care system I had my doubts had read David s book on hospice care Euthanasia Is Not the Answer and was impressed And I had recently witnessed the slow death of my grandmother from the complications of Alzheimer s disease Despite the fact that she was and had been suffering for years and despite the fact that her care was an extraordinary emotional and financial burden nursing home administrators and physicians encouraged one last ditch treatment after another pulling her back each time from the brink of what would have been a merciful death I knew that David was correct in his contention that hospice care and a more sparing application of high technology medicine were major keys to improving health care I also realized after a decade of analyzing the health care industry that a government funded system along the lines of Canada s was probably the only way to rein in rampant inflation and provide universal coverage But David had other ideas too He argued that preventive care could dramatically cut both the incidence and costs associated with the most common causes of illness in America today
