Gross, Paul J. Grim, Randall Gover, Susan B. Graves, 1963      Television at the Crossroads G. Wedell, B. Luckham, 2001-06-11 Television had until recently a social and cultural purpose The BBC and to a lesser extent ITV and Channel 4 were committed by the legal instruments establishing them to develop and maintain these purposes With the enlargement of the range of choices for viewers by digital television and the provision of access to cable and satellite TV and the Internet the role of the terrestrial television channels is being diluted The authors examine the effects of this and consider whether anything can be done to maintain the standards and quality of television at a time of unlimited competition      Television at the Crossroads: an Examination of Television's Role in a Free Society Randall Gover, 1963      *Re-scheduling Television in the Digital Era* Hanne Bruun, 2019-12-06 This book explores how the television industry is adapting its production culture and professional practises of scheduling to an increasingly non linear television paradigm a testing ground where different communicative tools are tried out in a volatile industry Based on four case studies the book argues that a new television paradigm is being produced from within the multiplatform television organisations themselves in order to adapt to changing viewer habits and the tensions between digital and broadcast television Drawing on a unique genre and production studies approach that cuts across the humanities and sociology in television studies chapters cover in depth studies of The communicative changes to the on air schedule as a televisual text phenomenon in the digital era and how the conceptualisations of the audience are changing in scheduling and curation for multiplatform portfolios The changing production culture of scheduling in companies for their multiplatform portfolios The dilemmas of curation in multiplatform portfolios Situated at the intersection of the humanities and sociology in media production studies this book will be of key interest to scholars and students of television studies media production studies and cultural studies and to researchers and media professionals and management in the television industry      *The National Black Drama Anthology* Woodie King, 1995 Presents plays by African American playwrights including Robert Johnson s *Trick the Devil* Marsha Jackson s *Sisters* and Nubia Kai s *Harvest the Frost*      **Status of UHF and Multiple Ownership of TV Stations** United States. Congress. Senate. Committee on Interstate and Foreign Commerce, United States. Congress. Senate. Committee on Interstate and Foreign Commerce. Subcommittee on Communications, 1954      **Screen Tastes** Charlotte Brunsdon, 2005-07-26 Charlotte Brundson s key writings on film and television are brought together with new introductions which contextualise and update the arguments The focus is on the tastes and pleasures of the female consumer as she is produced by popular film and television      **Midnight Crossroad (TV Tie-In)** Charlaine Harris, 2017-07-04 The new series based on the author s *Midnight Texas* novels only on NBC Back cover      *Crossroads* Dorothy Hobson, 1982 *Crossroads* one of the most successful programmes on television has attracted a huge and devoted

audience of some 15 million regular viewers Yet like many soap operas it is derided by the press and treated with distaste by other programme makers Indeed despite its popularity its very future currently hangs in the balance While doing independent research on popular television in the ATV studios in 1981 Dorothy Hobson observed the storm that developed around the company's decision to dispense with Meg Mortimer star of Crossroads The repercussions of that announcement were immense and highlighted the gulf between the broadcasting authorities and the programme's critics and the Crossroads production team and the audience Through talking to the actors the programme controller and the viewing public she went on to explore the contradictions of why and how a soap opera is made and viewed examining the appeal of Crossroads and attempting to locate the programme as part of contemporary popular culture The result is a revealing controversial but also very absorbing analysis of a soap opera in crisis
