Television In The Antenna Age:

Television in the Antenna Age David Marc, Robert Thompson, 2004-12-17 Television in the Antenna Age is a brief accessible and engaging overview of the medium's history and development in the US Integrating three major concerns television as an industry a technology and an art the book is a basic primer on the complex fascinating and often overlooked story of television and its impact on American life Covers the entire history of American television from its urban middle class beginnings in the late 40s to the contemporary impact of new technologies and consolidated corporate Includes interview segments with industry insiders pictures and sidebars to illustrate important figures trends and events **With**

Amusement for All LeRoy Ashby, 2006-05-12 With Amusement for All is a sweeping interpretative history of American popular culture Providing deep insights into various individuals events and movements LeRoy Ashby explores the development and influence of popular culture from minstrel shows to hip hop from the penny press to pulp magazines from the NBA to NASCAR and much in between By placing the evolution of popular amusement in historical context Ashby illuminates the complex ways in which popular culture both reflects and transforms American society He demonstrates a recurring pattern in democratic culture by showing how groups and individuals on the cultural and social periphery have profoundly altered the nature of mainstream entertainment The mainstream has repeatedly co-opted and sanitized marginal trends in a process that continues to shift the limits of acceptability Ashby describes how social control and notions of public morality often vie with the bold erotic and sensational as entrepreneurs finesse the vagaries of the market and shape public appetites Ashby argues that popular culture is indeed a democratic art as it entertains the masses provides opportunities for powerless and disadvantaged individuals to succeed and responds to changing public hopes fears and desires However it has also served to reinforce prejudices leading to discrimination and violence Accordingly the study of popular culture reveals the often dubious contours of the American dream With Amusement for All never loses sight of pop culture's primary goal the buying and selling of fun Ironically although popular culture has drawn an enormous variety of amusements from grassroots origins the biggest winners are most often sprawling corporations with little connection to a movement's original innovators

A Short History of the Modern Media Jim Cullen, 2013-10-14 A Short History of the Modern Media presents a concise history of the major media of the last 150 years including print stage film radio television sound recording and the Internet Offers a compact teaching friendly presentation of the history of mass media Features a discussion of works in popular culture that are well known and easily available Presents a history of modern media that is strongly interdisciplinary in nature **A Survey of Consumer Attitudes and Experience Regarding UHF Television**, 1980 *American TV*

Detective Dramas Mareike Jenner, 2016-02-04 The way detectives access and attain the truth about a crime is an important indicator of how they relate to contemporary political developments This book explores these methods of detection and positions the genre in a specific political aesthetic narrative and industrial context *Social Problems* CQ

Researcher,2009-09-04 Social Problems is a contemporary collection of articles covering core issues within the broad topic of social problems The book is intended to supplement core courses in the Sociology curriculum titled Social Problems Introductory Sociology Principles of Sociology among other similarly titled courses The book has a 4 part structure of topics generally covered in social problems courses and texts The Bases of Inequality Our Social Institutions Our Social and Physical Worlds and Individual Action and Social Change In total there are 16 articles *Mad Men* Gary R.

Edgerton,2010-12-18 Don and Betty Draper live in a picture perfect world He is a hard living advertising executive a mad man on the fast track She s a Bryn Mawr graduate and former fashion model now a suburban princess mother of three children If they ve everything why are they so unhappy Why is their dream come true not enough This book explores analyses celebrates the world of Mad Men in all its aspects and includes an interview with it s Executive Producer and an episode guide Every few years a new television program comes along to capture and express the zeitgeist Mad Men is now that show Since premiering in July 2007 it s won many awards and is syndicated across the globe Its imprint is evident throughout contemporary culture from features to fashions and online debate Its creator Matthew Weiner a former exec producer on The Sopranos has created again compelling complex characters this time in the sophisticated go go world of Madison Avenue through the 1960s with the excessive drinking and smoking as well as the playing out of the prejudices and anxieties of an era long neglected in popular culture Mad Men is a zeitgeist show of the early twenty first century this book demonstrates partly because its characters are an earlier confused and conflicted version of ourselves trying to make the best of a future unfolding at breakneck speed National Association of Broadcasters Engineering Handbook Graham A. Jones,David H.

Layer,Thomas G. Osenkowsky,2013-04-26 The NAB Engineering Handbook provides detailed information on virtually every aspect of the broadcast chain from news gathering program production and postproduction through master control and distribution links to transmission antennas RF propagation cable and satellite Hot topics covered include HD Radio HDTV 2 GHz broadcast auxiliary services EAS workflow metadata digital asset management advanced video and audio compression audio and video over IP and Internet broadcasting A wide range of related topics that engineers and managers need to understand are also covered including broadcast administration FCC practices technical standards security safety disaster planning facility planning project management and engineering management Basic principles and the latest technologies and issues are all addressed by respected professionals with first hand experience in the broadcast industry and manufacturing This edition has been fully revised and updated with 104 chapters and over 2000 pages The Engineering Handbook provides the single most comprehensive and accessible resource available for engineers and others working in production postproduction networks local stations equipment manufacturing or any of the associated areas of radio and television

Hardware Age ,1967-07 *I Love Lucy* Lori Landay,2010 **Saturday Night Live, Hollywood Comedy, and American Culture** J. Whalley,2010-06-21 Saturday Night Live Hollywood Comedy and American Culture sheds new light on

the ways in which Saturday Night Live's confrontational boundary pushing approach spilled over into film production contributing to some of the biggest hits in Hollywood history such as National Lampoon's Animal House Ghostbusters and Beverly Hills Cop Jim Whalley also considers how SNL has adapted to meet the needs of subsequent generations launching the film careers of Mike Myers Adam Sandler Will Ferrell and others in the process Supported by extensive archival research some of Hollywood's most popular comedians are placed into the contexts of film and television comic traditions and social and cultural trends in American life

Make Room for TV Lynn Spigel, 2013-11-26 Between 1948 and 1955 nearly two thirds of all American families bought a television set and a revolution in social life and popular culture was launched In this fascinating book Lynn Spigel chronicles the enormous impact of television in the formative years of the new medium how over the course of a single decade television became an intimate part of everyday life What did Americans expect from it What effects did the new daily ritual of watching television have on children Was television welcomed as an unprecedented window on the world or as a one eyed monster that would disrupt households and corrupt children Drawing on an ambitious array of unconventional sources from sitcom scripts to articles and advertisements in women's magazines Spigel offers the fullest available account of the popular response to television in the postwar years She chronicles the role of television as a focus for evolving debates on issues ranging from the ideal of the perfect family and changes in women's role within the household to new uses of domestic space The arrival of television did more than turn the living room into a private theater it offered a national stage on which to play out and resolve conflicts about the way Americans should live Spigel chronicles this lively and contentious debate as it took place in the popular media Of particular interest is her treatment of the way in which the phenomenon of television itself was constantly deliberated from how programs should be watched to where the set was placed to whether Mom Dad or kids should control the dial *Make Room for TV* combines a powerful analysis of the growth of electronic culture with a nuanced social history of family life in postwar America offering a provocative glimpse of the way television became the mirror of so many of America's hopes and fears and dreams

The Encyclopedia of Television, Cable, and Video R.M. Reed, M.K. Reed, 2012-12-06 This is a major reference work about the overlapping fields of television cable and video With both technical and popular appeal this book covers the following areas advertising agencies associations companies unions broadcasting cable casting engineering events general production and programming

Professional Journal of the United States Army, 1994 *Popular Radio and Television*, 1923 *The Wireless Age*, 1918 **Code of Federal Regulations**, 1995 **Iowa Radio Audience Survey**, 1955 *Military Review*, 1994 **Thesaurus of ASTIA Descriptors** Defense Documentation Center (U.S.), 1962
