Tell It To The Church:

A Biblical Analysis of Corrective Church Discipline: God's Loving Plan to Rescue and Restore Believers Dr. Todd M. Fink, 2019-03-08 Corrective church discipline is probably the most difficult task of a church and its leaders. It's often time consuming, ugly, has fallout, and usually involves criticism. Therefore, rather than deal with the difficulties of implementing church discipline, we often look for ways to get around it so we don't have to deal with the problems it might entail. This might be an easier approach, but it's not the biblical approach. This book tackles this important doctrine head on and seeks to let God say what He intended to say about church discipline. After all, He is the one who spoke about it in the first place.

Telling Truths in Church Mark D. Jordan, 2004-06-15 Is the reform we have seen in the wake of the pedophilia scandals in the Catholic Church meaningful? Have our conversations about the causes of these scandals delved as deeply as they need to? For those questioning the relations between hierarchical power, secrecy, and sexuality in institutional religion, Mark D. Jordan's eloquent meditations on what truths about sexuality need to be told in church and the difficulty of telling any truths will be a balm and a revelation.

The Church Historians of England, 1861 *Independent Churches do not have the Authority for Greater Excommunication* Samuel Rutherford, 2025-07-16 Conservative Presbyterianism has a black side. In the last several decades, heavy-handed independent Presbyterian churches have torn apart people's lives and families by excommunicating persons with little due process, who are left with no recourse of appeal. What is not always known is that the Bible and historic reformed Presbyterianism have never allowed local churches to wield greater excommunication, as Christ gave the Keys of his Kingdom to the universal visible Church. Jn 20:22-23, Mt 28:16-18, 20:16-18, 19, Eph 4:11-12, not the local session of elders. Rutherford defends this Biblical doctrine at length against the Independents and congregationalists. In doing so, he exposites Mt 18:15-20 at length, where Christ tells Christians seeking to address sin issues to tell the Church, showing how this consists with and supports Presbyterianism. He also opens up our communion with the entire visible Catholic Universal Church of Christ.

This book, in every man's language, helps readers overcome fear and become effective witnesses for Christ. Helps Christians understand non-Christians, which is the key to being effective and successful. Lays out practical witnessing dos and don'ts. Explains the usefulness of apologetics in helping readers reach their friends and loved ones. Unveils important principles of witnessing. Discusses common objections to the Christian faith and how to address them, organizing them into categories that are easy to find and reference. Explains how to recognize and find one's calling in the body of Christ, making readers more joyful and fulfilled in their own Christian walks.
