Mommy, Tell Me About God Sharanika Curlee, 2019-08-23 I feel it is my responsibility to provide an avenue for young children to learn about God and his promises Raising a child in this world can be scary and difficult therefore I am dedicated to using the gifts I have been blessed with to influence the lives of children and their parents My son has been my biggest source of inspiration He has inspired me to pursue my lifelong dream of becoming a professional author I have now completed my first Christian children s book The main character of this book Mommy Tell Me about God is also my biggest inspiration my son Ian While our life experiences shape our outlook on life they also guide the way we pursue our future interests My name is Sharanika Curlee I was born and raised in a small town called Corinth MS Getting to know God for myself I quickly realized the importance of giving back I have been blessed to work in a variety of settings and had the opportunity to encounter many people whom I have been blessed to spread the word of God I have worked as a optician for 14 years certified financial loan officer for 3 years licensed cosmetologist for 12 years and jewelry designer 10 years While wearing many hats throughout my career I have been blessed to cross paths with many people to whom I was able to grace with God s word I have always had a desire to make a greater impact As a single parent to a five year old son I understand the importance of rearing him in a manner that provides him with the foundation to become a happy healthy young man with a heart for not only serving God but also to be a vessel of hope and help to others In today s society there are always opportunities to do wrong and become engulfed in a way of life that produces unfavorable results Teach them early and if they stray they have the knowledge that was instilled in them at a young age to find their way back to God *God, Just Tell Me What to Do* Michael Youssef, 2014-08-01 The epistle of James is unusual in tone and content among the New Testament letters containing many moral precepts and challenging readers to seek godly wisdom on such topics as poverty and riches trials and temptation hearing and obeying the Word of God faith versus works taming the tongue friendship with the world versus friendship with God patience in suffering The wisdom of this letter speaks to us across the ages as every issue James addresses is as urgent and timely today as when he first wrote it For the person who wants to be wise time spent soaking up the wisdom of James the half brother of Jesus is time wisely spent **Tell Me Why** Michael and Jana Novak, 1999-07 Theologian Michael Novak responds to the skeptical questions of his twentysomething daughter Jana *Tell Me a Story* Robert J. Hater, 2006 Father Robert Hater strongly believes that story without basic belief lacks direction and basic belief without story is lifeless He illustrates this relationship between story and Catholic belief with sensitive and powerful narratives including the account of his own mother s death and its impact on him This is an invaluable resource for anyone involved in conveying the story of Jesus and the church pastors homilists catechetical leaders catechists and teachers parish ministers and families as well as all who wish to find God in their own stories **Tell Me about God** Susan Harding, 1987 A child s introduction to the nature of God **Everything You Always Wanted to Know about God (But Were Afraid to**

Ask) Eric Metaxas,2005-10-18 Who doesn't have questions about God But where in the world can you go to get answers Eric Metaxas has been there so he gets it Which is why he's written this shockingly down to earth book on the big questions everyone asks but not always out loud Totally conversational and sometimes flat out hilarious this book asks How can a good God create a world that has evil and suffering Is God anti sex Doesn't science make God obsolete What's the real story on miracles If God is everywhere why go to church Don't we already have God within us Isn't God too busy running the universe to care about the details of my day These questions and many more get no nonsense answers that don't hide behind dull theological language So get the lowdown and more than a few laughs on what are probably the most important questions anyone has *Getting to know God* Andrés Ramírez,2020-06-09 Look for answers based on personal experiences and real events to questions such as Does God Exist How will the enemy attack you How can I listen to God How can I change my life How to start having a close relationship with God Learn through this book how to change your life regardless of the circumstances in which you find yourself or how you can change the lives of other people This book was written especially for those who do not know about God or do not believe in Him Recommended for anyone who wants to learn in depth how to have an intimate relationship with God Jesus and the Holy Spirit Kenya National Assembly Official Record (Hansard) ,1995-06-21 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya *Spotting the Devil Spotting the Devil from Far and Near* Rev. Bagan Tewa,2009-04-20 Spotting The Devil Spotting The Devil From Far and Near Avoiding The Trap Of Negative Behavior In Order To Fulfill The Purpose Of Ones Life The word devil in this book is not used in the traditional sense The word devil conjures up a powerful image of everything that is negative and destructive and it is in this sense that the word is used We are surrounded by it In many ways we are consumed by it yet man is afraid to utter the word as if by saying the word devil man is somehow admitting that he is accepting of this taboo and is in agreement with the devil force This book says that we must and can learn to identify all these negatives as they come at us in order to avoid the dire consequences that come about as a result of our contact with these devils in our society This book seeks to examine the world in which we live with an analytical approach to why we as the human race make the choices in life that we do It starts with a simple story about an incident that happens in the authors childhood with the intention of explaining why the author sees things the way he does and coming to the realization that this was a defining moment in his life even though he did not know it at the time This book looks at fear the fear that is an obstacle to most of us and this fear is something we take for granted Most of us think that this fear is normal and that there is no way around it Not true as the author explains He goes into the reasons why we must conquer these fears and where most of these fears originate The author goes on to explain friendship and how we are so easily lulled into different behavior how easy it is for us to get caught up in the moment and how easily it is to get carried away usually to our detriment In using stories from his life experience he takes the reader

on a journey and in every step of that journey he unfolds a secret There is so much that we take for granted and yet so much of this behavior can be prevented if we could only recognize what is coming at us just like the driver who knows he is about to collide with another car because he sees it coming towards him from the opposite direction The author looks at popular culture from the inside out and shows us how we are surrounded by so much negativity yet we don't know it because we do not look at society from this angle We can have a greater appreciation for the images that are fed to us if we see them for what they are and we can watch and enjoy without becoming consumed by fantasy if we understand the motives behind what is being fed to us In these times it is crucial that we learn from the mistakes of the past and we challenge ourselves to be more disciplined and to develop our sense of foresight because we all have the gift We are born with it but as we grow we allow society's ills to get the better of us and we just follow rather than lead ourselves into a better life where we can find the fulfillment that we all seek This book looks at first the microcosm and then the macrocosm taking a peek at wars and what is the lesson of these wars The author also looks at religion and man's attitude towards it Why do we get caught up in imagery and names and not listen to what is truth and what makes sense We follow even when two plus two does not make four we follow blindly and again are led downstream Finally the author looks at colors that have been in cultures for thousands of years and unravels the associations that many have come to attach to certain colors This book is an eye opener written in a simple language that would only serve to enlighten and unravel some of the mysteries that make life so complex The key is right in front of us We feel it therefore we know it and we are in denial more than we are not Do we get dressed everyday for the creator or do we get dressed for ourselves It is true that man cannot serve two masters but one can always find th

Wisdom About Wisdom

Greg Giles,2025-04-29 What is biblical wisdom The Bible gives three very different answers to that question First wisdom is the best possession possible so everyone should get wisdom Second wisdom is God s domain which no one can understand so the only wise path is to fear him Third Jesus the Messiah is God s wisdom alive He is co wise with God and reveals God s wisdom We can access his wisdom by living as he lived One lesson all of the wisdom writers agree upon is that wisdom is not about being smarter than everyone else but about having good character The wise display their wisdom in humility and good deeds
