*Tell the World* Eric Wright,1981      **Whitaker's Cumulative Book List** ,1983      **British Books in Print** ,1985

**The Bookseller** ,1982      The Apostolic Imperative Carl E. Braaten,2016-10-31 With perceptive insight and vigor Dr Braaten addresses today s crisis in ministry in Protestant and Catholic communities Numerous studies reveal widespread confusion about the nature and scope of the church s mission There is a split consciousness in the church at all levels between evangelism and social action and between lay and ordained forms of ministry The Apostolic Imperative summons the church to embody the apostolic norms of primitive Christianity in its theology and practice A misinterpretation or neglect of the apostolic norms in the life of the church makes the church captive to narrow traditions or victim of fashionable trends says Braaten The aim of this book is to ground our theological thinking in the essentials of apostolic faith its witness to the cross and resurrection of Jesus and its obedience to his command to convey his message to all the world The theology of mission in this book is biblically based evangelically motivated ecumenically oriented and practically posed to grapple with the issues of the immediate future      World Christian Trends Ad30-ad2200 (hb) ,2001      **The Integrating Gospel and The Christian:** Alan Tippett,2015-06-01 Alan Tippett s publications played a significant role in the development of missiology The volumes in this series augment his distinguished reputation by bringing to light his many unpublished materials and hard to locate printed articles These books encompassing theology anthropology history area studies religion and ethnohistory broaden the contours of the discipline This volume contains two manuscripts The first The Integrating Gospel combines a historical ethnolinguistic study of Fijian language an examination of Fijian culture patterns in interaction with the church and Tippett s own firsthand experience as a communicator of the gospel to specific receptors at a specific place and point in time From this Tippett is able to extrapolate broader ideas on contextualization and methods of gospel transmission In The Christian Fiji 1835-67 Tippett addresses the establishment of the Christian church and the spread of Christianity in Fiji with special attention to Ratu Cakobau In this brief but in depth study Tippett presents a strong case against the understanding that Fijian conversions to Christianity were primarily political as he offers evidence of the genuine religious and spiritual experiences behind these conversions      Evangelical Dictionary of World Missions A. Scott Moreau,2000 The first comprehensive one volume reference work to consider the history of world missions and contemporary study of the subject from an evangelical perspective      *The Congregationalist and Christian World* ,1904

World Mission: The Biblical Jonathan Lewis,1994 Back by popular demand this three volume work is now reprinted as a single volume This manual leads the student into a deeper broader mission understanding and vision by covering the Biblical historical foundations the strategic dimensions and cross cultural considerations      *Christians Only* James D. Murch,2004-01-13      **Emergence of the Priests** Pastor M. D. Umar,2011-09-21 Too precious is the blood of the Lamb Jesus that was slain to be trodden under the foot And men shall not be allowed to do respite to the Spirit of grace by whom

we are sealed unto salvation The church must fulfill her purpose and ordained destiny The church is permitted to remain in the world for an end that is to be the light bearer to those who are in the darkness of unbelief through ignorance However the activities and stench of wolves in sheep clothing styling themselves as shepherds in the house of our God has reached the highest heavens Judgment is about to begin and that must be from the very threshold of the house of God The Church was designed and created to be light bearers to the world But the church herself needed light due to the decadence that has set in because of her adultery with the world Her the church inter meddling with the world has eclipsed the original glory of God The prophets within her wall prophesy for bread and divine for silver and for gold Her doctrines are dubbed with untempered mortar and her gospel has been watered down and as such lacks the inherent power grace and life to transform depraved men into the likeness of their master Jesus which was the original design and purpose of the gospel In addition the quest for economic paradise here and now has veiled the glory of the world to come in the heart of men We can no longer distinguish between the clean and the unclean the saved and the unsaved the church and the world Truth which is the hub of Christianity has fallen at the gate and those that seek after godliness and His righteousness has made themselves a prey amongst the sons of men

**The Encyclopedia of Christianity** Erwin Fahlbusch, Geoffrey William Bromiley, 1999 The Encyclopedia of Christianity is the first of a five volume English translation of the third revised edition of Evangelisches Kirchenlexikon Its German articles have been tailored to suit an English readership and articles of special interest to English readers have been added The encyclopedia describes Christianity through its 2000 year history within a global context taking into account other religions and philosophies A special feature is the statistical information dispersed throughout the articles on the continents and over 170 countries Social and cultural coverage is given to such issues as racism genocide and armaments while historical content shows the development of biblical and apostolic traditions This comprehensive work while scholarly is intended for a wide audience and will set the standard for reference works on Christianity Outstanding reference sources 2000 American Libraries May 2000 Comp by the Reference Sources Committee RUSA ALA

**Discipleship and the Evangelical Church** Jesse Hamilton, 2022-03-11 The Evangelical Protestant church is in the midst of a crisis but the causes might be different than we think In this book Jesse Hamilton argues that the reason for the church s growing disunity moral and cultural confusion and general lack of passion and power is its perpetual neglect of the fundamentals of discipleship what it truly means to follow Jesus Our only hope for change is to recalibrate our hearts and lives on the call of Christ and the New Testament distinctives of absolute surrender deep and abiding holiness the work of prayer and engagement with the lost and needy of the world all the things that the modern church has so often struggled to commit to But first the church must come to a biblical understanding of what these things actually are and how we must pursue them Combining theological rigor with clarity of thought and simplicity of style Discipleship and the Evangelical Church aims to reach modern Christians with the urgent message of the hour which is nothing other than the timeless call of

Christ to follow him      How Great Is Your Fall? Pastor M. D. Umar,2011-09-20 Religion frowns at sinners disdain and spite backsliders and treat them like lepers But what does the bible says Does God hate backsliders or those of His children who fall into sin with an unrepentant hatred Is God done and finished with you because you being a child of God has been overtaken by the scheme of the devil and has fallen prey into his web of sin that he has skillfully spurned for you So many giants of faith vibrant Christian brothers and sisters and mighty men of God in every ramification all through history have fallen into one sin or the other Countless numbers never rose again or recover from their fall      *The Negro's Church* Benjamin E. Mays,2015-08-04 Benjamin E Mays 1894 1984 was President and Professor Emeritus of Morehouse College

**The Future of the Global Church** Patrick Johnstone,2014-01-17 In The Future of the Global Church Patrick Johnstone author of six editions of the phenomenal prayer guide Operation World draws on his fifty years experience to present a breathtaking full color graphical and textual overview of the past present and possible future of the church around the world

*Jesus, the Church and the Mission of God* John Valentine,2023-05-18 Church planting is in vogue yet there is a paucity of sustained biblical and theological reflection on the topic Key voices are practitioners and planters themselves here is the biblical theology that the missiological practice of our day has been crying out for John Valentine explores the Bible s how and why for starting new churches and revitalizing old ones in this robust and comprehensive biblical theological look at one aspect of the mission of God      Evangelism and the Openness of God Vaughn W. Baker,2012-12-18 In Evangelism and the

Openness of God Vaughn Baker argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Open theism affirms an ontology of love as opposed to power and it focuses on God s kenosis in creation allowing for the authentic freedom of creation influenced by divine persuasion God s genuine temporal relationship with creation one that is open synergist and non coercive provides a new perspective for evangelistic activity In this volume the author has made a valuable contribution to the integration of new developments in theology and evangelism      **The British National Bibliography** Arthur James Wells,1968
