Tell Toqaan A Syrian Village:

Tell Toqaan: a Syrian Village Louise Elizabeth Sweet,1969 Tell Toqaan, A Syrian Village Louise E. Sweet,1960
Anthropologist Louise E Sweet conducted her fieldwork in 1954 in Tell Toqaan a Muslim Arab village in northwest Syria In this volume she presents her research a thorough description of life in the village She discusses in detail the geography and climate history and language settlement patterns animal husbandry agriculture buildings and compounds household technology and economics commerce division of labor social structure and ideology and ritual **Tell Toqaan: a Syrian Village** Louise Elizabeth Sweet,1960 Tell Toqaan Louise Elizabeth 1916- Sweet,2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Area Handbook for Syria American University (Washington, D.C.). Foreign Areas Studies Division,1970 Area Handbook for Syria Richard F. Nyrop,1971 Attempts to provide a comprehensive study of the dominant social political and economic aspects of Syrian society and to identify the pattern of behaviour characteristic of its members The Social Origins of the Modern Middle East Haim Gerber,1987 **Community, Identity, and Ideology** Charles Edward Carter,Carol L. Meyers,1996 This collection of essays contextualizes the history and current state of the social science method in the study of the Hebrew Bible Part 1 traces the rise of social science criticism by reprinting classic essays on the topic Part 2 provides case studies examples of application of the methods to biblical studies Middle Eastern Cities Ira M. Lapidus,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1969 **Historical Dictionary of Syria** David Commins,2004-03-29 This Second Edition gives the reader easy access to the history and contemporary situation of one of the world s ancient civilizations The heart of the work is more than 350 entries on the most influential political figures and events religious groups and movements economic sectors social institutions and cultural facets The second edition includes nearly 100 entirely new entries and updates on 43 entries from the first edition An important difference between the two editions is the inclusion of many more entries on social institutions such as the family and coffeehouses cultural aspects such as art architecture cinema literature music and theater and

economic facets such as inflation corruption the public sector and efforts at reform There is also expanded coverage on Syria's political dynamics with entries on human rights civil society and security forces The only specific reference work in English this new edition addresses profound changes in Syria's domestic and regional circumstances The domestic political scene witnessed a major transition with the passing of Syria's ruler for 30 years Hafiz al Asad and the unexpectedly smooth succession of his son Bashar as new president in 2000 The regional situation has changed even more since the first edition came out in 1996 Peace talks with Israel collapsed in 2000 and three years later the United States invaded Iraq beginning an occupation of Syria's neighbor for an indeterminate period with incalculable consequences In addition to the A to Z dictionary the second edition contains a chronology that presents fairly general information on early centuries and becomes quite detailed for the most recent years The bibliography also reflects significant changes in research on Syria Not only does the bibliographical essay highlight important new monographs it introduces the reader to credible Internet resources for guides to travel and popular culture as well as news and statistical data at major international organizations **T&T Clark**

Handbook of Food in the Hebrew Bible and Ancient Israel Janling Fu, Cynthia Shafer-Elliott, Carol Meyers, 2021-11-04 Food and feasting are key themes in the Hebrew Bible and the culture it represents The contributors to this handbook draw on a multitude of disciplines to offer an overview of food in the Hebrew Bible and ancient Israel Archaeological materials from biblical lands along with the recent interest in ethnographic data a new focus in anthropology and emerging technologies provide valuable information about ancient foodways The contributors examine not only the textual materials of the Hebrew Bible and related epigraphic works but also engage in a wider archaeological environmental and historical understanding of ancient Israel as it pertains to food Divided into five parts this handbook examines and considers environmental and socio economic issues such as climate and trade the production of raw materials and the technology of harvesting and food processing The cultural role of food and meals in festivals holidays and biblical regulations is also discussed as is the way food and drink are treated in biblical texts in related epigraphic materials and in iconography

Anthropology of the Middle East and North Africa Sherine Hafez, Susan Slyomovics, 2013-06-05 This volume combines ethnographic accounts of fieldwork with overviews of recent anthropological literature about the region on topics such as Islam gender youth and new media It addresses contemporary debates about modernity nation building and the link between the ideology of power and the production of knowledge Contributors include established and emerging scholars known for the depth and quality of their ethnographic writing and for their interventions in current theory **Intimate Selving in Arab Families** Suad Joseph, 1999-12-01 The study of relationships a topic which has received considerable attention in Europe the United States and parts of Asia until now has not been addressed in the Arab world Here for the first time are articles written by native feminist scholars that focus on intimate Arab familial relationships and provide a scholarly discussion of gendering of the self the process of intimate selving in the Arab community The book is divided into three parts

biographical and autobiographical ethnographic and literary accounts in which the authors identify key family relationships mother son brother sister mother daughter granddaughter co wives and father daughter and explore them in terms of shaping and defining gender in relation to others
