Telling And Remembering A Century Of American Jewish Poetry:

Telling and Remembering Steven Joel Rubin, 1997 A collection of more than two hundred poems by American Jewish poets on Jewish subjects and themes Jacket **Jewish American Poetry** Jonathan N. Barron, Eric Murphy Selinger, 2000 A rich and provocative overview of Jewish American poetry The Poetry of Louise Glück Daniel Morris, 2006-12-01 A dominant figure in American poetry for more than thirty five years Louise Glück has been the recipient of virtually every major poetry award She won the Nobel Prize in Literature in 2020 and was named U S poet laureate for 2003 2004 In a full length study of her work Daniel Morris explores how this prolific poet utilizes masks of characters from history the Bible and even fairy tales Morris treats Glück's persistent themes desire hunger trauma survival through close reading of her major book length sequences from the 1990s *Ararat* *Meadowlands* and *The Wild Iris* An additional chapter devoted to *The House on Marshland* 1975 shows how its revision of Romanticism and nature poetry anticipated these later works Seeing Glück's poems as complex analyses of the authorial self via sustained central metaphors Morris reads her poetry against a narrative pattern that shifts from the tones of anger despair and resentment found in her early *Firstborn* to the resignation of *Ararat* and proceeds in her latest volumes including *Vita Nova* and *Averno* toward an ambivalent embrace of embodied life By showing how Glück's poems may be read as a form of commentary on the meanings of great literature and myth Morris emphasizes her irreverent attitude toward the canons through which she both expresses herself and deflects her autobiographical impulse By discussing her sense of self of Judaism and of the poetic tradition he explores her position as a mystic poet with an ambivalent relationship to religious discourse verging on Gnosticism with tendencies toward the ancient rabbinic midrash tradition of reading scripture He particularly shows how her creative reading of past poets expresses her vision of Judaism as a way of thinking about canonical texts *The Poetry of Louise Glück* is a quintessential study of how poems may be read as a form of commentary on the meanings of great literature and myth It clearly demonstrates that through this lens of commentary one can grasp more firmly the very idea of poetry itself that Glück has spent her career both defining and extending **Index to Jewish Periodicals** , 2003 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests Jewish American Literature Jules Chametzky, 2001 A collection of Jewish American literature written by various authors between 1656 and 1990 **A Study Guide for Linda Pastan's "Grudnow"** Gale, Cengage Learning, 2016 A Study Guide for Linda Pastan's *Grudnow* excerpted from Gale's acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Poetry for Students* for all of your research needs Jerome Rothenberg's Experimental Poetry and Jewish Tradition Christine Meilicke, 2005-07 On a more specific level this book analyses Rothenberg's use of postmodern appropriative strategies such as collage assemblage palimpsest parody pastiche forgery found poetry and theft These strategies illustrate the concept practice and problematics

of appropriation Embracing postmodern experimentation and drawing on heterodox Jewish sources Rothenberg constructs a contemporary American Jewish identity that does not rely on institutionalized Judaism Jacket **Imagining the Jewish God** Leonard Kaplan, Ken Koltun-Fromm, 2016-09-09 Jewish art has always been with us but so has a broader canvas of Jewish imaginings in thought in emotion in text and in ritual practice Imagining the Jewish God was there in the beginning as it were engraved and embedded in the ways Jews lived and responded to their God This book attempts to give voice to these diverse imaginings of the Jewish God and offers these collected essays and poems as a living text meant to provoke a substantive and nourishing dialogue A responsive living covenant lies at the heart of this book a covenantal reciprocity that actively engages the dynamics of Jewish thinking and acting in dialogue with God The contributors to this volume are committed to this form of textual reasoning even as they all move us beyond the text as foundational for the imagined people of the book That people we submit lives and breathes in and beyond the texts of poetry narrative sacred literature film and graphic mediums We imagine the Jewish people and the covenant they respond to as provocative intimations of the divine The essays in this volume seek to draw these vocal intimations out so that we can all hear their resonant call Studies in American Jewish Literature ,2001 □□□□ □□□□ Elyse D. Frishman, 2007 **The Open Door: A Passover Haggadah** Rabbi Sue Levi Elwell, 2002-01-01 The Open Door includes traditional and innovative blessings extensive commentaries and supplemental readings contemporary additions like Miriam s Cup women s and men s voices in gender inclusive language more than 40 pages of traditional and newly commissioned music and magnificent full color art Published by CCAR Press a division of the Central Conference of American Rabbis **Mishkan T'filah** Central Conference of American Rabbis/CCAR Press, 2007 Radical Poetics and Secular Jewish Culture Stephen Paul Miller, Daniel Morris, 2010 This collection of essays is the first to address this often obscured dimension of modern and contemporary poetry the secular Jewish dimension Editors Daniel Morris and Stephen Paul Miller asked their contributors to address what constitutes radical poetry written by Jews defined as secular and whether or not there is a Jewish component or dimension to radical and modernist poetic practice in general These poets and critics address these questions by exploring the legacy of those poets who preceded and influenced them Stein Zukofsky Reznikoff Oppen and Ginsberg among others **The Missing Jew** Rodger Kamenetz, 2022-08-23 Kamenetz s poems whirl and shake on the page He is the poet of the living history of unspeakable names and his book sings with dark wit the tales of tough family spirits Louise Erdrich author of Love Medicine and The Night Watchman These are very exciting and original poems a secret and almost intimate meeting place of English and Hebrew Yehuda Amichai author of A Life of Poetry 1948 1994 and Open Closed Open Poems *Incarnate* Marvin Bell, 2020-01-15 The Dead Man Marvin Bell s brilliant poetic invention is an overarching consciousness alive and dead at once defeating time Mystical and anonymous The Dead Man offers searing insight into the joys as well as the catastrophes of fluctuating cultural and political moments Incarnate draws from all of Bell s previous collections where The Dead Man

appeared and adds an abundant cache of new poems that resonate with the dark matter and sticky stuff of life As David St John writes in his introduction No voice in our poetry has spoken with more eloquence and wisdom of the daily spiritual political and psychological erosion in our lives no poet has gathered our American experience with a more capacious tenderness all the while naming and celebrating our persistent hopes and enduring human desires Remarkable for its eclectic and culturally diverse vision Incarnate embodies a vivid world of poetic reflection unlike anything else in American poetry

Holy Envy Maera Shreiber, 2022-11-15 What is between us and the Christians is a deep dark affair which will go for another hundred generations Amos Oz Judas Among the great social shifts of the post World War II era is the unlikely sea change in Jewish Christian relations We read each other's scriptures and openly discuss differences as well as similarities Yet many such encounters have become rote and predictable Powerful emotions stirred up by these conversations are often dismissed or ignored Demonstrating how such emotions as shame envy and desire can inform these encounters Holy Envy Writing in the Jewish Christian Borderzone charts a new way of thinking about interreligious relations Moreover by focusing on modern and contemporary writers novelists and poets who traffic in the volatile space between Judaism and Christianity the book calls attention to the creative implications of these intense encounters While recognizing a long overdue need to address a fundamentally Christian narrative underwriting twentieth century American verse Holy Envy does more than represent Christianity as an aesthetically coercive force or as an adversarial other For the book also suggests how literature can excavate an alternative interreligious space at once risky and generative In bringing together recent accounts of Jewish Christian relations affect theory and poetics Holy Envy offers new ways into difficult and urgent conversations about interreligious encounters Holy Envy is sure to engage readers who are interested in literature religion and above all interfaith dialogue

Not One of Them in Place Norman Finkelstein, 2012-02-01 Not One of Them in Place is the first book to examine the ways in which Jewish belief thought and culture have been shaped and articulated in modern American poetry Based on the idea that recent American poetry has gravitated between two traditions romantic and symbolist on the one

hand modernist and objectivist on the other Norman Finkelstein provides a theoretical framework for reading the Jewish American canon as well as close readings of well known and less established poets including Allen Ginsberg Charles Reznikoff Louis Zukofsky Harvey Shapiro Armand Schwerner Hugh Seidman and Michael Heller Not One of Them in Place presents this poetry in a clear and nuanced style paying equal attention to its historical and its aesthetic dimensions

Triptych Jerome Rothenberg, 2007 The key book by the internationally celebrated poet with the only Polish ghetto hassidic cowboy and Indian American comic voice Robert Duncan in history
