The Lake Frome Monster Arthur W. Upfield, 2020-06-01 When Eric Maidstone was found dead near Bore Ten just west of the Dingo proof Fence the first thought of those who discovered his body was that he might have been attacked by the rogue camel known as The Lake Frome Monster But camels don't carry guns and Maidstone had a bullet hole in his chest which put the Monster in the clear So who killed young Maidstone Bony disguised as a worker on the Fence intends to find out There are sand storms galore there are mad camels there is personal and professional deprivation there are rabbits by the millions In this typical Upfield country there is the boredom of loneliness there is the sheer weight of the Australian outback it is vintage Upfield from The Spirit of Australia by Ray Browne

Venom House Arthur W. Upfield, 2020-06-01 The Answerth family's mansion seems to deserve its nickname of Venom House perhaps because of its forbidding setting an island in the centre of a man made lake its treacherous waters studded by the skeletons of long dead trees Perhaps it's because of the unquiet ghosts of the Aboriginals slaughtered by the Answerth ancestors Whatever the reason most people are content to give Venom House and its occupants a wide berth until a couple of

corpses turn up in the lake The strength of Upfield's accomplishment in this book is so overwhelming it makes the reader cower The characters are well developed the conversation vernacular for the Australian outback and the development compelling The story is the nearest Upfield comes to a story that would have made Edgar Allen Poe envious Upfield maintains a kind of corpse like humour which is very amusing The whole book is first class Upfield and first class crime fiction from The Spirit of Australia by Ray Browne Sinister Stones Arthur William Upfield,1957 **Death and The D'Urbervilles** Tim Heald,2015-07-06 As head of the Criminal Studies department at the University of Wessex Doctor Tudor Cornwall has murder on his mind One violent death that has always bothered him is the killing of Alec D Urberville in the Thomas Hardy novel Tess of The D Urbervilles He therefore decides to rewrite Hardy's account in the style of his contemporary Sir Arthur Conan Doyle This task is complicated by a real life contemporary murder that bears some uncanny resemblances to the nineteenth century fiction With the help of his brilliant young postgraduate favourite Elizabeth Burney Doctor Cornwall sets about unravelling these two parallel mysteries **Bony at Bermagui** Arthur W.
