

2 Samuel 12:9-10

9 Why have you despised the word of the Lord, by doing evil in His sight? You have struck and killed Uriah the Hittite with the sword, you have taken his wife as your wife, and you have slaughtered him with the sword of the sons of Ammon. 10 Now then, the sword shall never leave your house, because you have despised Me and have taken the wife of Uriah the Hittite to be your wife.'

Sins Of King David:

The Sins of King David Gary Greenberg, 2002 The common view of King David is of a young boy full of courage piety and humility who grew to be a goodly king Not so writes Gary Greenberg in this stunning history of the world s most beloved monarch In actuality David arranged the murder of Saul the popular first king of Israel had Saul s seven sons hanged did not slay Goliath and had an affair with Bathsheba impregnated her and arranged the murder of her husband Finally David allied himself with the Philistines the enemies of Israel In sum he was deceitful corrupt a tyrant and a murderer Drawing on the latest historical research as well as detailed biblical analysis this book represents a groundbreaking new look at one of our culture s most revered figures Greenberg takes a fresh look at the biblical stories of David unraveling the written skeins and hidden truths that weave through the biblical texts *King David's Sin* Brandon R Burdette, 2019-05-05 King David s Sin is a commentary on 2 Samuel 11 12 of the Old Testament in the Bible These 2 chapters tell of the adultery murder and repentance of King David They also tell of the grievous consequences of his sins and David s acceptance of his circumstances

The Adventures of King David Joseph Agbi, 2014-06-26 This book is a detailed account of the life of king David It vividly narrates his life and helps you to understand the spiritual strength he gathered as he grew in obedience and faith under the watchful eyes of the Almighty As a young shepherd he killed a lion and a bear thereby saving his sheep Also David watched by cowardly men defeated Goliath the Philistine giant setting the stage for his greatness King Saul David s predecessor was not pleased with David s successes and determined to exterminate the young wise man to prevent him from tasting royalty and the glories of kingship Together with a band of faithful men David under divine guidance overcame all obstacles he faced Thereafter king David backed by a committed military built a successful kingdom continued by his son king Solomon David s resolute faith and strong passion for God earned him the eternal reward of being the progenitor of Christ The intricacies of victory the agonies of defeat his love life the luring power of sin the rebellion from his own household and betrayal by friends makes his story compelling for everyone to understand You will certainly be motivated to aim for higher goals after reading this book King David D. Owen Kaiser, 2011-11 The words in the title You Are the Man convicted a deeply guilty King David of the heinous crimes he had committed against Uriah the Hittite Bathsheba s husband Yet in many remarkable ways David was God s man chosen and blessed for greatness This book tells a story of David s life from the Bible read as literally true The flowing easy to read narrative observes him progress from shepherd to king to his death Walking with David through tragedy and triumph makes it easier to see the actual person behind this larger than life Bible character A fresh approach to the life of David Pastor Tim Murdoch While David s sins and difficulties are not ignored King David You Are the Man highlights several positive events including some lesser known ones found only in I Chronicles King David was the man whom God chose to be ancient Israel s second king who established daily praise and worship of God in Israel to whom God revealed eternal purposes for His Son and His kingdom who led Israel to an exalted place among the

nations to whom God revealed the details of the temple Solomon would build and who organized the priests and Levites in their ministries of worship at that temple I feel as if I am getting to know David and more than that his faith As a woman of faith it sings to my heart I feel as if I am getting to know God better too Halin I Soaring Included in this narration of David s life are a history of the Ark of the Covenant a possible timeline of David s life a probe into the disastrous census that David ordered to be taken When considering the difficult questions posed by II Samuel 24 1 and I Chronicles 21 1 Pastor Mike Green expressed this credible idea I think God was angry with Israel because the tabernacle was in Gibeon a history of the Levites and their development as God s special servants and several specific life disciplines that made David a man after God s own heart

Sin and Its Consequences Donald H. Roy Ph.D.,2023-02-15 Well a book about sin might not be too compelling these days given that the subject hardly ever appears in day to day conversations perhaps only in theological settings and even there the subject is rather rare these days as well But one might find this Sin and Its Consequences A Biblical Timeline a satisfying exception to this commonplace reaction for it uses the theme as a vehicle to take the reader on a fascinating journey through the entire Bible from the first sin recorded there and its devastating results to the death of sin and the banishment of its worldly chieftain and his minions Yes it does consider most of the sins recorded in the Old and New Testaments and how God dealt with them this to help explain what Moses meant when he wrote The Lord is slow to anger and abounding in steadfast love forgiving iniquity and transgression but by no means clearing the guilty Numbers 14 18 That is the book helps to understand just what the implications of by no means clearing the guilty might be and how it is relevant to how we live and think today The story line follows God s dealings with His images from Adam and Eve to the end times as recorded by Saint John in his book of Revelation There is much linking and contextual material including numerous images and discussion of the geopolitical settings related to the scripture which carries the main story line The book deviates from canonical scripture to present in two add on excursuses the author s views on why God arranged the creation of His first two images Adam and Eve just the way He did and on what the fallen world to which they were banished was and is like Also presented are the author s noncanonical views on what Saint John saw in the seven thunders of chapter 10 of his apocalyptic journal The views expressed there are the result of many years of thinking about what Saint John might have seen and heard as those thunders sounded and why he was told to seal up what the seven thunders have said and do not write it down Revelation 10 4 The purpose in addressing this issue is to somehow bring the notion of what God might consider as the most egregious sins of modern times to the reader s mind and perhaps compel her or him to think about the subject as well After all this business of sin is no small matter It doesn t have to be morbid either but Jeremy Taylor expressed it well when he wrote No sin is small It is a sin against an infinite God and may have consequences immeasurable No grain of sand is small in the mechanism of a watch Finally in addition to all of this the book is a testimony or witness of the author to his faith as a Christian To this engineer the good news of what God has done in Jesus Christ is beyond a matter of faith it is so logical and

so beautiful and so like God that it just must be fact why how else could His fallen images be made perfect as he is perfect righteous as He is righteous sinless as He is sinless except by the perfection and righteousness and sinlessness of Christ imputed to us by faith and so make the believer a fit citizen of the Kingdom **Repentance from Dead Works** Onyeije Chukwudum Dr. Okoro,2009-04-10 The Holy Bible the Book Nobody Knows as described by one Bruce Barton is a book of ancient stories prophecies and wisdom literatures But the Bible does have other specific themes It contains specific teachings knowledge and instructions on the purposes of the Creator and His plan for human salvation In the series The Foundation of Biblical Faith the foundational knowledge and teachings of the Scriptures and treated in depth In this volume 1 Repentance from Dead Works you will learn about the meaning of Biblical repentance and your need for it sin its effects how the Creator views it and the need to turn from it the law and its purposes the Levitical and Melchizedek priesthoods sacrifices and their meanings and purposes You will also learn the place of true deliverance in repentance and its relationship with the law The book defines Repentance shows the place and functions of Biblical Laws in Repentance and shows the difference between the Levitical sacrificial laws and the Laws in the first five Books of the Bible It gives a Biblical example of true repentance discusses obstacles to true repentance and shows the need for true deliverance in repentance
