Sir John George Bourinot, Victorian Canadian Margaret Banks, 2001-04-23 As clerk of the House of Commons Bourinot advised the speaker and other members of the house on parliamentary procedure he also wrote the standard Canadian work on the subject A founding member of the Royal Society of Canada he played a leading role during the Society's first twenty years Ahead of his time in writing intellectual history Bourinot was also an early supporter of higher education for women He was a man of contrasts an early Canadian nationalist as well as an imperialist In spite of the constitutional changes of 1982 there is still much in Bourinot's writing that is relevant today

Liberal Education, Civic Education, and the Canadian Regime David W. Livingstone, 2015-09-25 Reflections on the education some early Canadians thought necessary for citizenship and contemporary threats to that education

Questions of Order Peter Price, 2021 Canadian Confederation has long been assessed as a political moment that created a new national entity This book breaks new ground by arguing that Confederation was an imperial event that generated new questions and ideas about the future of global political order

The Confederation Group of Canadian Poets, 1880-1897 D.M.R. Bentley, 2013-12-11 As one of the formative periods in Canadian history the late nineteenth century witnessed the birth of a nation a people and a literature In this study of Canada's first school of poets D M R Bentley combines archival work including extensive research in periodicals and newspapers with close readings of the work of Charles G D Roberts Archibald Lampman Bliss Carman William Wilfred Campbell Duncan Campbell Scott and Frederick George Scott Bentley chronicles the formation reception national and international successes and eventual disintegration after the 1895 War Among the Poets of the Confederation Group whose poetry forever changed the perception and direction of Canadian literature With the aid of biographical political and sociological analyses Bentley's literary history delineates the group's political aesthetic and thematic dispositions and characteristics and contextualizes them not only within Canadian history and politics but also within contemporary intellectual and literary currents including Romantic nationalism Canadianism and poetic formalism Bentley casts new light on the poets commonalities such as their debt to Young Ireland their commitment to careful workmanship and their participation in the American mind cure movement as well as on their most accomplished and anthologized poems from 1880 to 1897 In the process he presents a compelling case for the literary and historical importance of these six men and their poems in light of Canada's cultural and political past and defends their right to be known as Canada's first poetic fraternity at a time when Canada was striving to achieve literary and national distinction *The Confederation Group of Canadian Poets 1880 1897* is an erudite and innovative work of literary history and

critical interpretation that belongs on the bookshelf of every serious scholar of literary studies Royally Wronged Constance Backhouse, Cynthia E. Milton, Margaret Kovach, Adele Perry, 2021-10-27 The Royal Society of Canada's mandate is to elect to its membership leading scholars in the arts, humanities, social sciences, and sciences, lending its seal of excellence to those who advance artistic and intellectual knowledge in Canada. Duncan Campbell Scott, one of the architects of the Indian residential school system in Canada, served as the society's president and dominated its activities; many other members, historically overwhelmingly white men, helped shape knowledge systems rooted in colonialism that have proven catastrophic for Indigenous communities. Written primarily by current Royal Society of Canada members, these essays explore the historical contribution of the RSC and of Canadian scholars to the production of ideas and policies that shored up white settler privilege, underpinning the disastrous interaction between Indigenous peoples and white settlers. Historical essays focus on the period from the RSC's founding in 1882 to the mid-twentieth century; later chapters bring the discussion to the present, documenting the first steps taken to change damaging patterns and challenging the society and Canadian scholars to make substantial strides toward a better future. The highly educated in Canadian society were not just bystanders; they deployed their knowledge and skills to abet colonialism. This volume dives deep into the RSC's history to learn why academia has more often been an aid to colonialism than a force against it. Royally Wronged poses difficult questions about what is required for individual academics, fields of study, and the RSC to move meaningfully toward reconciliation **Downtown Canada** Justin D. Edwards, Douglas Ivison, 2005-01-01 *Downtown Canada* is a collection of essays that addresses Canada as an urban place. The contributors focus their attention on the writing of Canada's cities and call attention to the centrality of the city in Canadian literature *From Nursery Rhymes to Nationhood* Elizabeth Galway, 2010-12-22 As Canada came to terms with its role as an independent nation following Confederation in 1867, there was a call for a literary voice to express the needs and desires of a new country. Children's literature was one of the means through which this new voice found expression. Seen as a tool for both entertaining and educating children, this material is often overtly propagandistic and nationalistic and addresses some of the key political, economic, and social concerns of Canada as it struggled to maintain national unity during this time. *From Nursery Rhymes to Nationhood* studies a large variety of children's literature written in English between 1867 and 1911, revealing a distinct interest in questions of national unity and identity among children's writers of the day and exploring the influence of American and British authors on the shaping of Canadian identity. The visions of Canada expressed in this material are often in competition with one another, but together they illuminate the country's attempts to define itself and its relation to the world outside its borders The Constitution in a Hall of Mirrors David E. Smith, 2017-01-01 In *The Constitution in a Hall of Mirrors*, David E. Smith presents a learned but accessible analysis of the interconnectedness of Canada's parliamentary institutions On the House Rob Walsh, 2017-10-30 A former House of Commons official's personal account, a learning experience that will surprise Essays in the History of Canadian Law

Kohn,2004-11-22 Kohn shows how Americans and Canadians often referred to each other as members of the same family sharing the same blood and drew upon the common lexicon of Anglo Saxon rhetoric to undermine old rivalries and underscore shared interests Though the predominance of Anglo Saxonism proved short lived it left a legacy of Canadian American goodwill as both nations accepted their shared destiny on the continent Kohn argues that this new Canadian American understanding fostered the Anglo American special relationship that shaped the twentieth century **Canada During the Victorian Era** Auguste Gosselin,Benjamin Sulte,Charles Hill-Tout,Hospice Anthelme
