Sir George Trevelyan and the New Spiritual Awakening Frances Farrer, 2002 The first biography of Sir George Trevelyan felt by many to be the grandfather of the movement for spiritual regeneration in Britain Sir George Trevelyan espoused alternative values long before the phrase became as popular as it is today After hearing a lecture by a pupil of Rudolf Steiner Trevelyan declared The agnosticism of thirty six years faded like morning mist The spiritual worldview was clear to me in its glory and wonder During his lifetime he explored beliefs in angels the calming effects of crystals and the power of ley lines alongside organic farming and communal living In 1971 he set up the Wrekin Trust to promote spiritual education and knowledge and in 1982 he was awarded the Right Livelihood Award the alternative Nobel Prize for his contribution towards healing the planet He inspired and encouraged the emerging synthesis between science and spirituality putting his faith for the future of society in the transforming power of spiritual awakening He taught extensively inspiring communities universities and spiritual groups worldwide He died in 1996 at the age of ninety Sir George Trevelyan, Residential Adult Education and the New Age Sharon Clancy, 2023-11-29 This book examines the development of British post Second World War short term residential adult education through the lens of the Shropshire Adult Education College 1948 1976 and the tenure of Sir George Trevelyan as its first warden Trevelyan is acknowledged as the godfather of new age spiritualism in the UK and is credited with the development of eclectic and esoteric learning opportunities in arts traditional crafts culture and ecology Embodying the spirit of a new national drive for optimism and enterprise in the post war period Trevelyan and his contemporaries at other colleges took risks and innovated in new pedagogical approaches to adult education capturing the imagination of hundreds of students before being stifled by an increasingly restrictive policy framework and financial strictures The book considers the ideological drivers and tensions behind this unique form of education its inception evolution and virtual demise and seeks to learn from its complex history to inform education in the future **Encyclopedia of New Religious Movements** Peter Clarke, 2004-03 An essential companion to both research and scholarship upon which undergraduates postgraduates lecturers and researchers can all be expected to draw The Psychic's Handbook Julie Soskin, 2012-01-01 Once the seer the priestess and the sage were revered by their community Their roles were considered sacred the practising of an art requiring training and experience like any other art All these individuals tuned into their psycho spiritual powers on our behalf But each of us has always had the ability to draw upon these powers directly inside ourselves This book shows us not only how to exploit our psycho spiritual potential it also shows us how to navigate the different realms of inner experience that are our birthright Psycho spiritual powers can take time and expertise to discern especially for the novice How do we know what we are dealing with Does the information made available to us derive from the subtle energies around the body or does it come from some discarnate being Or perhaps from an alter ego the personification of hopes and fears from aspects of our projected selves This book is drawn from research and first

hand experience from thousands of consultations and teaching sessions over many years In addition the author at the end of each chapter uses anecdotes to illustrate and enlighten the reader and these are sometimes humorous sometimes sad sometimes philosophical and always true Well implemented psychic and intuitive guidance can help to move the individual towards wholeness a new dawn based on working with the heart and the energy of unconditional love This in turn radiates out to affect the whole of our society Psycho spiritual powers enlarge our lives beyond measure Julie is preparing those who choose to raise their consciousness and see beyond the immediate The late Eileen Caddy author and co founder of the Findhorn Foundation Arthurian Literature XXXI Elizabeth Archibald,David F. Beddington-Behrens, 2013-08-01 I invite you to come on a journey with me into one of the most important yet often most neglected dimension of yourself namely your heart I want to help you discover as I have slowly been discovering that our hearts not only hold the key to our being able to live a fuller and more meaningful life but also to our being able to play a part in helping heal our planet The change needed is a shift out of our primarily head focus into becoming increasingly heart centred where we are connected to our hearts and are potentially capable of moving mountains We are only going to be good activists if we have plenty of heart in our lives if we are big hearted with a well activated Heart A culture of Heart is vital if we are to heal the many wounds and splits that exist between different classes religions tribes and nations The book has been written from a place of great hope and joy based on knowledge that our world is changing and that the planetary heart is at last awakening **London City of Revelation** C.E. Street, 2010-05-24 Paperback re print of Earthstars The Visionary Landscape London s Sacred sites are not scattered about the capital at random Many form a recognisable pattern of sacred geometry a vast temple groundplan identical to the design used to lay out Stonehenge s megaliths over 3 500 years ago Astonishingly it also relates to the measures and proportions of the New Jerusalem The City of Revelation If the conclusions

Astrology and Popular Religion in the Modern West Nicholas Campion, 2016-04-15 This book explores an area of contemporary religion spirituality and popular culture which has not so far been investigated in depth the phenomenon of astrology in the modern west Locating modern astrology historically and sociologically in its religious New Age and millenarian contexts Nicholas Campion considers astrology's relation to modernity and draws on extensive fieldwork and interviews with leading modern astrologers to present an invaluable contribution to our understanding of the origins and nature of New Age ideology This book challenges the notion that astrology is either marginal or a feature of postmodernism Concluding that astrology is more popular than the usual figures suggest Campion argues that modern astrology is largely shaped by New Age thought influenced by the European Millenarian tradition that it can be seen as an heir to classical Gnosticism and is part of the vernacular religion of the modern west
