Women's Wit and Wisdom: A Book Of Quotations Susan L.

Rattiner,2012-05-22 Over 400 memorable quotes from the last 2 500 years by Sappho Queen Elizabeth I Harriet Tubman Susan B Anthony Eleanor Roosevelt Erma Bombeck Oprah Winfrey and many others A delight *Enterprising Minnesotans* Stephen George, In *Enterprising Minnesotans* we read stories of the men and women throughout Minnesotas history who have created exceptional businesses from 1849 to the present including Cargill the Mayo Clinic Andersen Windows Ecolab Schwans and Leeann Chin Inc Through fascinating stories *Enterprising Minnesotans* honors the creativity tenacity and boldness that enabled these men and women to transform their dreams into success The Last Children's Plague Richard J. Altenbaugh,2015-09-16 Poliomyelitis better known as polio thoroughly stumped the medical science community Polio s impact remained highly visible and sometimes lingered exacting a priceless physical toll on its young victims and their families as well as transforming their social worlds This social history of infantile paralysis is plugged into the rich and dynamic developments of the United States during the first half of the twentieth century Children became epidemic refugees because of anachronistic public health policies and practices They entered the emerging clinical world of the hospital rupturing physical and emotional connections with their parents and siblings As they underwent rehabilitation they created ward cultures They returned home to occasionally find hostile environments and always discover changed relationships due to their disabilities The changing concept of the child from an economic asset to an emotional commitment medical advances and improved sanitation policies led to significant improvements in child health and welfare This study relying on published autobiographies memoirs and oral histories captures the impact of this disease on children s personal lives encompassing public health policies hospitalization philanthropic and organizational responses physical therapy family life and schooling It captures the anger frustration and terror not only among children but parents neighbors and medical professionals alike

Infectious Diseases Wesley William Spink,1978-01-01 **Focus On: 100 Most Popular 20Th-century American Politicians** Wikipedia contributors, **Selling Science** Stephen E. Mawdsley,2016-08 Today when many parents seem reluctant to have their children vaccinated even with long proven medications the Salk vaccine trial which enrolled millions of healthy children to test an unproven medical intervention seems nothing short of astonishing In *Selling Science* medical historian Stephen E Mawdsley recounts the untold story of the first large clinical trial to control polio using healthy children 55 000 healthy children revealing how this long forgotten incident cleared the path for Salk s later trial Mawdsley describes how in the early 1950s Dr William Hammon and the National Foundation for Infantile Paralysis launched a pioneering medical experiment on a previously untried scale Conducted on over 55 000 healthy children in Texas Utah Iowa and Nebraska this landmark study assessed the safety and effectiveness of a blood component gamma globulin to prevent paralytic polio The value of the proposed experiment was questioned by many prominent health professionals as it harbored potential health risks but as Mawdsley points out compromise and coercion moved it forward And though the trial returned dubious results it was presented to the public as a triumph and used to justify a federally sanctioned mass immunization

study on thousands of families between 1953 and 1954 Indeed the concept conduct and outcome of the GG study were sold to health professionals medical researchers and the public at each stage At a time when most Americans trusted scientists their mutual encounter under the auspices of conquering disease was shaped by politics marketing and at times deception Drawing on oral history interviews medical journals newspapers meeting minutes and private institutional records *Selling Science* sheds light on the ethics of scientific conduct and on the power of marketing to shape public opinion about medical experimentation Small Matters Mona Gleason, 2013 An innovative study of the struggle for healthy children in early twentieth century Canada
