

Birthday Letter to Sister on Her Birthday

Date: 06.05.2025

Dear Ria,

It was on this day, two one years ago, that you were born (OMG!!! Time flies really fast). HAPPY BIRTHDAY my sweet and adorable sister.... I still remember the day when mom and dad brought you home and I met you for the first time. The first time when I took you in my arms. You looked like an adorable princess, a cute doll. It was the happiest day for me because I knew that now I have someone with whom I can play day and night. I knew I have someone who will be my friend forever.

Over all these years, I have seen you grow. I have seen you become a strong and independent girl from a little baby. When I look back, I see a beautiful journey that we two have had. Those childhood memories when we would play with dolls and share our small secrets to present days when we are always there for each other sharing our lives, happy and sad moments.

On this day, which is not just your special day but also a very special day for me.... I want to tell you that I love you and I promise to be there by your side. Though, I am not there with you to hug you tight and wish you birthday but I am sending my best wishes. I pray to Almighty to shower you with all the happiness in this world. May He bless you with all the strength to become a wonderful woman who is an example for others. May you are successful in everything you do. May you have a wonderful day!!!

Your loving sister
Rhea

Sister Claras Letters:

Sister Clara's Letters Clara Warp Jensen, 1979 **Letters from Vladivostock, 1894-1930** Eleanor L. Pray, 2013-12-01
In 1894 Eleanor L. Pray left her New England home to move with her merchant husband to Vladivostok in the Russian Far East. Over the next thirty-six years, from the time of Tsar Alexander III to the early years of Stalin's rule, she wrote more than 2,000 letters chronicling her family life and the tumultuous social and political events she witnessed. Vladivostok, 5,600 miles east of Moscow, was shaped by a rich intersection of Asian cultures, and Pray's witty and observant writing paints a vivid picture of the city and its denizens during a period of momentous social change. The book offers highlights from Pray's letters along with illuminating historical and biographical information. *The Lost Art of Letter Writing* Menna van Praag, 2017-02-16
In a forgotten nook of Cambridge, a little shop stands where thousands of sheets of beautiful paper and hundreds of exquisite pens wait for the next person who, with Clara Cohen's help, will express the love, despair, and desire they feel to correspondents alive, estranged, or dead. Clara knows better than most the power a letter can have to turn a person's life around, so when she discovers a cache of wartime love letters, she follows them on the start of a profound journey of her own. **Letters of Clara Schumann and Johannes Brahms, 1853-1896** Clara Schumann, 1927 , **The two sisters** Matilda Mary Pollard, 1890 *Journals of the House of Lords* Great Britain House of Lords, 1820 **Those Other Days** Edward Phillips Oppenheim, 1913 **The Edinburgh annual register**, 1823 *The Edinburgh Annual Register, for 1808-26*, 1823 *The Edinburgh Annual Register* Walter Scott, 1823 **Transamerican Sentimentalism and Nineteenth-Century US Literary History** Maria A. Windell, 2020-07-11
Sentimentalism is usually studied through US British relations after the American Revolution or in connection to national reforms like the abolitionist movement. *Transamerican Sentimentalism and Nineteenth Century US Literary History* instead argues that African American, Native American, Latinx, and Anglo American women writers also used sentimentalism to construct narratives that reframed or countered the violence dominating the nineteenth-century Americas, including the Haitian Revolution, Indian Removal, the US Mexican War, and Cuba's independence wars. By tracking the transformation of sentimentalism as the US reacted to, enacted, and intervened in conflict, *Transamerican Sentimentalism and Nineteenth Century US Literary History* demonstrates how marginalized writers negotiated hemispheric encounters amidst the gendered, racialized, and cultural violence of the nineteenth-century Americas. It remaps sentiment's familiar transatlantic and national scholarly frameworks through authors such as Leonora Sansay and Mary Peabody Mann and considers how authors including John Rollin Ridge, John S. and Harriet Jacobs, María Amparo Ruiz de Burton, Victor Séjour, and Martin R. Delany adapted the mode. *Transamerican sentimentalism* cannot unseat the violence of the nineteenth-century Americas, but it does produce other potential outcomes, including new paradigms for understanding the coquette, a locally successful informal diplomacy, and motivations for violent slave revolt. Such transformations mark not sentiment's failures or distortions but its adaptive attempts to survive and thrive. **Basil; a**
