Signal , 1989 Smear Tactics Brad Miner, 2009-10-13 In this spirited survey of liberal lies and dirty tricks Brad Miner one of America s leading conservative insiders offers a look at the American liberal tradition of slander insult and character assassination throughout history Smear Tactics mines both today s papers and the classic campaigns of history for tales of liberal deception and manipulation Tracing smears from the early days of our nation right through the run up to the 2008 elections Miner highlights the Left s most atrocious campaigns against Soldiers The media s attacks on our troops from Vietnam to Iraq The Faithful The Left s campaign to vilify Christians in American life Entrepreneurs Is the American Dream

dead The Left says yes and Girl Scout cookies Wal Mart and Legos have all played a part President Bush He caused global warming and Hurricane Katrina Smears against the man the Left loves to hate As Brad Miner shows American politics has never been a sport for gentlemen but recent campaigns have proven dirtier than ever full of negative ads rumormongering and worse With the coming election a wide open race full of polarizing candidates of all stripes the mud is about to start flying across the American landscape and in Smear Tactics Brad Miner returns the fire with a vengeance **The Army Communicator** ,2002 **Professional Journal of the United States Army** ,1997 Armed with Abundance Meredith H. Lair,2011-11-28 Popular representations of the Vietnam War tend to emphasize violence deprivation and trauma By contrast in Armed with Abundance Meredith Lair focuses on the noncombat experiences of U S soldiers in Vietnam redrawing the landscape of the war so that swimming pools ice cream visits from celebrities and other comforts share the frame with combat To address a tenuous morale situation military authorities Lair reveals wielded abundance to insulate soldiers and by extension the American public from boredom and deprivation making the project of war perhaps easier and certainly more palatable The result was dozens of overbuilt bases in South Vietnam that grew more elaborate as the war dragged on Relying on memoirs military documents and G I newspapers Lair finds that consumption and satiety rather than privation and sacrifice defined most soldiers Vietnam deployments Abundance quarantined the U S occupation force from the impoverished people it ostensibly had come to liberate undermining efforts to win Vietnamese hearts and minds and burdening veterans with disappointment that their wartime service did not measure up to public expectations With an epilogue that finds a similar paradigm at work in Iraq Armed with Abundance offers a unique and provocative perspective on modern American warfare **The Earl J.
