Six Great Ideas:

Six Great Ideas Mortimer J. Adler, 1997-12-01 This enlightening study is the result of group discussions at Dr Adler's annual seminar in Aspen Colorado and conversations between Dr Adler and Bill Moyers filmed for public television. Each summer Mortimer J. Adler conducts a seminar at the Aspen Institute in Colorado. At the 1981 seminar leaders from the worlds of business, literature, education and the arts joined him in an in-depth consideration of the six great ideas that are the subject of this book: Truth, Goodness and Beauty, the ideas we judge by, and Liberty, Equality and Justice, the ideas we act on. The group discussions and conversations between Dr Adler and journalist Bill Moyers were filmed for broadcast on public television and thousands of people followed their exploration of these important ideas. Discarding the outworn and off-putting jargon of academia, Dr Adler dispels the myth that philosophy is the exclusive province of the specialist. He argues that philosophy is everybody's business and that a better understanding of these fundamental concepts is essential if we are to cope with the political, moral and social issues that confront us daily.

Eternalism Politics Dale Armon Eaton, 2025-07-17

Eternalism is the philosophical appeal of the restored gospel. It is the rational basis for understanding Christ. Elder John A. Widtsoe said: "The Gospel may be said to be the philosophy of Eternalism. It is the philosophy that explains the whole of man's relationship to the universe. It invites the deepest study and the severest scrutiny." The previous *Eternalism* book discussed only the first three branches of philosophy: metaphysics, epistemology and ethics. In this book we pick up where the previous volume left off and deal specifically with primacy issues related to the higher philosophical branch of politics. Mortimer Adler explained: "In discussing the philosophical branch of politics we focus on the ideas we act on in governing our social, political and economic affairs. So when we say *Eternalism Politics* we simply mean the principles of interaction between two or more people."
