Six Contemporary Chinese Women Artists:

Six Contemporary Chinese Women Artists Lucy Lim, 1991 *Modern Chinese Artists* Michael Sullivan, 2006-04-03 An important reference source for scholars and students of modern Chinese art collectors museums and libraries dealers and auction houses It includes biographical entries for approximately 800 Chinese artists who grew up or were trained in China and who are likely to be represented in collections exhibitions and auctions within and outside China *The Art of Women in Contemporary China* Patricia Eichenbaum Karetzky, 2020-01-08 This book presents in eight chapters the work of over 75 Chinese female artists both pictorial and poetic Their art is viewed within a framework of eight themes The broad topics explored include the body life the representation of the experience of being a woman home and the world a view of children and other women clothes social conscience fantasy and abstraction nonfigurative work and its viability as a medium to express the spiritual These themes provide several lenses through which to enjoy and compare these artists approaches and outputs The volume is unique in its inclusion of poetry by contemporary women whose voices articulate so many of the same concerns as the visual artists In China poetry has always been the prime form of artistic expression and it remains so today Looking at this poetry affords us a different means of appreciating the art of women in contemporary society *Women's Studies* Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women s studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women s studies is a must purchase for academic libraries that support women s studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women s studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women s studies It is a must purchase for academic libraries that support women s studies programs and a welcome addition to any academic or public library that

endeavors to represent the field **Asian Women Artists** Dinah Dysart, Hannah Fink, 1996 The many feminisms of the Asian world are introduced in this series of essays on contemporary women artists Prominent women painters sculptors installation artists and printmakers are profiled with over 100 colour illustrations Contemporary Chinese Fiction Writers Laifong Leung, 2016-07-28 In the years since the death of Mao Zedong interest in Chinese writers and Chinese literature has risen significantly in the West In 2000 Gao Xingjian became the first Chinese writer to receive the Nobel Prize for Literature followed by Mo Yan in 2012 and writers such as Ha Jin and Da Sijie have also become well known in the West Despite this progress the vast majority of Chinese writers remain largely unknown outside of China This book introduces the lives and works of eighty contemporary Chinese writers and focuses on writers from the Rightist generation Bai Hua Gao Xiaosheng Liu Shaotang writers of the Red Guard generation Li Rui Wang Anyi Post Cultural Revolution Writers as well as others Unlike earlier works it provides detailed often first hand biographical information on this wide range of writers including their career trajectories major themes and artistic characteristics In addition to this each entry includes a critical presentation and evaluation of the writer s major works a selected bibliography of publications that includes works in Chinese works translated into English and critical articles and books available in English Offering a valuable contribution to the field of contemporary Chinese literature by making detailed information about Chinese writers more accessible this book will be of interest to students and scholars Chinese Literature Contemporary Literature and Chinese Studies Women Artists News , 1994 The Reckoning Eleanor Heartney, Helaine Posner, Nancy Princenthal, Sue Scott, 2014-05-12 The authors of After the Revolution return with an incisive study of the work of contemporary women artists In After the Revolution the authors concluded that The battles may not all have been won but barricades are gradually coming down and work proceeds on all fronts in glorious profusion Now with The Reckoning authors Heartney Posner Princenthal and Scott bring into focus the accomplishments of 24 acclaimed international women artists born since 1960 who have benefited from the groundbreaking efforts of their predecessors The book is organized in four thematic sections Bad Girls profiles artists whose work represents an assault on conventional notions of gender and racial difference History Lessons offers reflections on the self in the context of history and globalization Spellbound focuses on women s embrace of the irrational subjective and surreal while Domestic Disturbances takes on women s conflicted relationship to home family and security Written in lively prose and fully illustrated throughout this book gives an informed account of the wonderful diversity of recent contemporary art by women An indispensable contribution to the literature on contemporary art by women Whitney Chadwick author of Women Art and Society In the 2007 book After the Revolution Women Who Transformed Contemporary Art the authors set a new standard in documenting and evaluating the work of a dozen key women artists spanning generations between the 1960s to the 2000s The beat goes on with the appearance of The Reckoning written by the same authors in the same accessible scholarly style but reflecting important historical changes over the past decade and more In line with the increased presence of women in

mainstream art the book includes twice as many artists as its predecessor And its global reach has expanded vastly stretching from Europe and the Americas to Africa and China Holland Cotter The New York Times **After the Revolution** Eleanor Heartney, Helaine Posner, Nancy Princenthal, Sue Scott, 2013-11-04 Why Have There Been No Great Women Artists asked the prominent art historian Linda Nochlin in a provocative 1971 essay Today her insightful critique serves as a benchmark against which the progress of women artists may be measured In this book four prominent critics and curators describe the impact of women artists on contemporary art since the advent of the feminist movement *Women Artists in History* Wendy Slatkin, 2001 A chronologically organized overview of female artists through the centuries with 110 illustrations **Women Artists News Book Review**, 1993 **Chinese Landscape Painting as Western Art History** James Elkins, 2010-06-01 This is a provocative essay of reflections on traditional mainstream scholarship on Chinese art as done by towering figures in the field such as James Cahill and Wen Fong James Elkins offers an engaging and accessible survey of his personal journey encountering and interpreting Chinese art through Western scholars writings He argues that the search for optimal comparisons is itself a modern Western interest and that art history as a discipline is inherently Western in several identifiable senses Although he concentrates on art history in this book and on Chinese painting in particular these issues bear implications for Sinology in general and for wider questions about humanistic inquiry and historical writing Jennifer Purtle s Foreword provides a useful counterpoint from the perspective of a Chinese art specialist anticipating and responding to other specialists likely reactions to Elkins s hypotheses *Encyclopedia of Contemporary Chinese Culture* Edward Lawrence Davis, 2005 First Published in 2009 Routledge is an imprint of Taylor Francis an informa company 中国当代艺术展 Lucie Cheng, 1996 **Inside/out** Asia Society. Galleries, San Francisco Museum of Modern Art, 1998-01-01 The late twentieth century has been marked by momentous political economic and social change throughout the Chinese world Deeply rooted cultural assumptions and ancient visual traditions have been challenged by rapid modernization and conflicting global ethnic and local identities Inside Out New Chinese Art was the first major international exhibition to explore the impact of these challenges on artists in the People s Republic of China Hong Kong Taiwan and those of the 1980s Diaspora The multifaceted exhibition and accompanying catalog encompass an extensive range of artistic forms including installation video and performance art as well as more traditional media such as oils and ink The art is grouped according to themes some specific to regions and others that reflect widespread and overlapping trends With the inclusion of ambiguous territories like Hong Kong and Taiwan the exhibition opens up a perspective of modern Chinese art from the outside as well as a looking out from the inside The catalog features essays by eminent Chinese art scholars and curators along with leading curators and historians of Western art Together they promote Chinese art s rightful place in the contemporary global cultural arena and at the same time acknowledge the influence of its rich heritage The diversity and freshness of the exhibition reflects the explosion of creativity among Chinese artists during the past decade The ironic social

commentary of Li Shan's The Rouge Series no 24 the apartment art of artists reacting against the traditional patronage of large museums and corporations and Wang Jin's sly humor in portraying consumer fetishes in today's China are a few examples of the spirited artistry awaiting the viewers of Inside Out

A History of Contemporary Chinese Art Yan Zhou, 2020-07-14 Chinese art has experienced its most profound metamorphosis since the early 1950s transforming from humble realism to socialist realism from revolutionary art to critical realism then avant garde movement and globalized Chinese art With a hybrid mix of Chinese philosophy imported but revised Marxist ideology and western humanities Chinese artists have created an alternative approach after a great ideological and aesthetic transition in the 1980s toward its own contemporaneity though interacting and intertwining with the art of rest of the world This book will investigate from the perspective of an activist critic and historian who grew up prior to and participated in the great transition and then researched and taught the subject the evolution of Chinese art in modern and contemporary times The volume will be a comprehensive and insightful history of the one of the most sophisticated and unparalleled artistic and cultural phenomena in the modern world

Contesting British Chinese Culture Ashley Thorpe, Diana Yeh, 2018-09-18 This is the first text to address British Chinese culture It explores British Chinese cultural politics in terms of national and international debates on the Chinese diaspora race multicultural identity and belonging and transnational Chineseness Collectively the essays look at how notions of British Chinese culture have been constructed and challenged in the visual arts theatre and performance and film since the mid 1980s They contest British Chinese invisibility showing how practice is not only heterogeneous but is forged through shifting historical and political contexts continued racialization the currency of Orientalist stereotypes and the possibility of their subversion the policies of institutions and their funding strategies and dynamic relationships with transnationalisms The book brings a fresh perspective that makes both an empirical and theoretical contribution to the study of race and cultural production whilst critically interrogating the very notion of British Chineseness

Paris and the Art of Transposition Angie Chau, 2023-12-11 A brief stay in France was for many Chinese workers and Chinese Communist Party leaders a vital stepping stone for their careers during the cultural and political push to modernize China after World War I For the Chinese students who went abroad specifically to study Western art and literature these trips meant something else entirely Set against the backdrop of interwar Paris Paris and the Art of Transposition uncovers previously marginalized archives to reveal the artistic strategies employed by Chinese artists and writers in the early twentieth century transnational imaginary and to explain why Paris played such a central role in the global reception of modern Chinese literature and art While previous studies of Chinese modernism have focused on how Western modernist aesthetics were adapted or translated to the Chinese context Angie Chau does the opposite by turning to Paris in the Chinese imaginary and discussing the literary and visual artwork of five artists who moved between France and China the painter Chang Yu the poet Li Jinfa the art critic Fu Lei the painter Pan Yuliang and the writer Xu Xu Chau draws the idea of transposition from music theory where it refers

to shifting music from one key or clef to another or to adapting a song originally composed for one instrument to be played by another Transposing transposition to the study of art and literature Chau uses the term to describe a fluid and strategic art practice that depends on the tension between foreign and familiar new and old celebrating both novelty and recognition a process that occurs when a text gets placed into a fresh context *Art in Turmoil* Richard King, Sheng Tian Zheng, Scott Watson, 2010-01-01 Forty years after China's tumultuous Cultural Revolution this book revisits the visual and performing arts of the period the paintings propaganda posters political cartoons sculpture folk arts private sketchbooks opera and ballet and examines what these vibrant militant often gaudy images meant to artists their patrons and their audiences at the time and what they mean now both in their original forms and as revolutionary icons reworked for a new market oriented age Chapters by scholars of Chinese history and art and by artists whose careers were shaped by the Cultural Revolution offer new insights into works that have transcended their times *Art and Artists of Twentieth-Century China* Michael Sullivan, 2023-12-22 This visually stunning book focuses on the rebirth of Chinese art in the twentieth century under the influence of Western art and culture Michael Sullivan recognized throughout the world as a leading scholar of Chinese art vividly documents the conflicting pulls of traditional and Western values on Chinese art and provides 364 illustrations in color and black and white to show the great range of artistic expression and the historical processes that occurred within various movements A substantial biographical index of twentieth century Chinese artists is a valuable addition to the text Sullivan discusses artists and their work against China's background of oppression and relaxation despair and hope He expertly conveys the diverse and at times bizarre intertwining of Chinese cultural history and art during this century Included are the intense debates between traditionalists and reformers the creation of the first art schools and the birth of the idea shocking in ethnocentric China that art is a world language that obliterates all frontiers The scholarly traditions of classical Chinese painting the belated discovery of Western modernism the artistic upheaval under Communism and China's rethinking of the very nature of art all have a place in Sullivan's fascinating history Michael Sullivan has known many of the major figures in China's modern art movement of the 1930s and 1940s and has also gained the confidence of younger artists who rose to prominence following the 1979 Peking Spring This long awaited book richly documented and abundantly illustrated is a capstone to Sullivan's work and will be enthusiastically welcomed by art lovers everywhere
