The Forgotten Borough Kenneth M. Gold, 2023-04-04. What sets Staten Island apart from the rest of New York City? The island's identity has in part been defined in opposition to the city: its physical and cultural differences and the perception of neglect by city government. It has long been whiter, wealthier, less populated, and more politically conservative. And despite many attempts over the years, Staten Island is not connected by the subway to any of the other four boroughs. Kenneth M. Gold argues that the lack of a subway connection has deeply shaped Staten Island's history and identity. He chronicles decades of recurrent efforts to build a rail link, using this history to explore the borough's fraught relationship with New York City as a whole. **The Forgotten Borough** ranges from when Staten Island first contemplated joining the city in the 1890s to the opening of the Verrazzano Narrows Bridge in 1964, highlighting pivotal moments when the construction of a subway appeared possible. The economics and engineering of tunnel construction, the difficulty of uniting Staten Islanders around a single solution, competition from the other boroughs, and resistance from powerful corporations.

and public authorities all undermined a rapid transit connection Gold demonstrates that the failure to establish a rail link during this period caused Staten Island to diverge culturally demographically and politically from the other four boroughs Drawing on extensive archival research *The Forgotten Borough* shows how transportation infrastructure and politics shed new light on urban history **Mastering Magick** Mat Aurn,2022-10-08 Create Personalized and Soul Stirring Magick with Bestselling Author Mat Aurn Boost your psychic ability and incorporate the greater mysteries of magick into your practice A companion to the international bestseller *Psychic Witch* this groundbreaking book features more than sixty spells and is the first of its kind to focus on casting magick to bridge the divide between the seen and unseen worlds Mat teaches you how to enchant yourself as a powerful psychic witch by connecting with the witch s tools the elements the moon the seasons and the planets You ll learn the mechanics of spell work and how to make your magick as effective as possible In addition to Mat s own tried and true castings *Mastering Magick* features more than a dozen spells from well known witches and practitioners including Christopher Penczak Judika Illes Juliet Diaz Storm Faerywolf Laura Tempest Zakroff Devin Hunter Madame Pamita and others **A Man and his Mountain** Edward Humes,2013-10-22 Describes the California wine empire created by Jess Stonestreet Jackson a pioneering entrepreneur whose adventurous tastes in hobbies and business led him to found America s best selling premium wine company **NOAA's FY 2002 Budget** United States.
