Skandinavien Bei Plinius Und Ptolemaios

A. H. Merrills

Skandinavien Bei Plinius Und Ptolemaios:

The Geographical Guide of Ptolemy of Alexandria Duane W. Roller, 2023-12-15 This volume offers a detailed study of Ptolemy of Alexandria's Geographical Guide whose eight books contain a wealth of geographical information unavailable elsewhere and represent the culmination of the Greco Roman discipline of geography Written near the middle of the second century AD the Geographical Guide is the most anomalous of the surviving works of ancient geographical scholarship but offers a vivid record of the expansion of geographical knowledge in antiquity Roller examines this peculiar text which offers unique data about explorations in the far reaches of the inhabited world from Thule and Hibernia in the northwest to Kattigara in the southeast and from Serice in northeastern Asia southwest into central Africa He positions the Guide within the tradition of ancient geography and gives close attention to the reason why Ptolemy wrote the guide and how it contributes to the genre of geographical scholarship There is also an emphasis on the topographic and ethnic material within the Guide that is new or unique especially explorations in sub Saharan Africa and knowledge of the world beyond India Because the Guide was written over half a century after the previous extant geographical work the first books of Pliny's Natural History the book also assesses how knowledge of geography changed during this period This work is an essential text for students and scholars of ancient geography and is also of interest to anyone working on the cultural history of the Roman Empire during this period

History of the Goths Herwig Wolfram, 1990 Provides an overview on the formation of the Gothic tribes their migrations and the later history of the Ostrogothic and Visigothic settlements

Cassiodorus, Jordanes and the History of the Goths Arne Søby Christensen, 2002 This book is a study in the myth of the origins and early history of the Goths as told in the *Getica* written by Jordanes in AD 551 Jordanes claimed they emigrated from the island of Scandza Sweden in 1490 BC thus giving them a history of more than two thousand years He found this narrative in Cassiodorus Gothic history which is now lost The present study demonstrates that Cassiodorus and Jordanes did not base their accounts on a living Gothic tradition of the past as the *Getica* would have us believe On the contrary they got their information only from the Graeco Roman literature The Greeks and Romans however did not know of the Goths until the middle of the third century AD Consequently Cassiodorus and Jordanes created a Gothic history partly through an erudite exploitation of the names of foreign peoples and partly by using the narratives about other peoples history as if they belonged to the Goths The history of the Migrations therefore must be reconsidered

Rulership in 1st to 14th century

Scandinavia Dagfinn Skre, 2019-12-16 This book seeks to revitalise the somewhat stagnant scholarly debate on Germanic rulership in the first millennium AD A series of comprehensive chapters combines literary evidence on Scandinavia's polities kings and other rulers with archaeological documentary toponymical and linguistic evidence The picture that emerges is one of surprisingly stable rulership institutions sites and myths while control of them was contested between individuals dynasties and polities While in the early centuries Scandinavia was integrated in Germanic Europe profound societal and

cultural changes in 6th century Scandinavia and the Christianisation of Continental and English kingdoms set northern kingship on a different path The pagan heroic warrior ethos essential to kingship was developed and refined only to recur overseas embodied in 9th 10th century Vikings Three chapters on a hitherto unknown masonry royal manor at Avaldsnes in western Norway excavated 2017 concludes this volume with discussions of the late medieval peak of Norwegian kingship and its eventual downfall in the late 14th century This book's discussions and results are relevant to all scholars and students of 1st millennium Germanic kingship politics and societies Classica et Mediaevalia 42 Dansk Selskab for Oldtids- og Mi,1991-12 History and Geography in Late Antiquity A. H. Merrills,2005-08-11 The period from the fifth century to the eighth century witnessed massive political social and religious change in Europe Geographical and historical thought long rooted to Roman ideologies had to adopt the new perspectives of late antiquity In the light of expanding Christianity and the evolution of successor kingdoms in the West new historical discourses emerged which were seminal in the development of medieval historiography Taking their lead from Orosius in the early fifth century Latin historians turned increasingly to geographical description as well as historical narrative to examine the world around them This book explores the interdependence of geographical and historical modes of expression in four of the most important writers of the period Orosius Jordanes Isidore of Seville and the Venerable Bede It offers important readings of each by arguing that the long geographical passages with which they were introduced were central to their authors historical assumptions and arguments

The Northern Routes to Kingship Dagfinn Skre,2025-01-31 This book argues that tribal Scandinavia was set on the route to kingship by the arrival in the AD 180s 90s of warrior groups that were dismissed from the Roman army after defeating the Marcomanni by the Danube Using a range of evidence this book details how well equipped and battle seasoned warriors familiar with Roman institutions and practices seized land and established lordly centres It shows how these new lords acquired wealth by stimulating the production of commodities for trade with peers and Continental associates Romans included to reward retainers and bestow on partners In these transcultural circumstances lords and their retainers nurtured artisanal production of exquisite quality and developed a heroic ethos and refined hall etiquette The topic of warfare created by the volatile politics of lordly cooperation and competition is also explored Venturing substantially beyond the usual scope of syntheses of this period this book looks at how the break up of the Western Roman Empire and the rise of Great tribes such as the Franks and Goths influenced lords and tribal leaders across Scandinavia to form kingdoms emulating what they for centuries had considered the superior polity the Roman Empire This book's fresh take on disputed research topics will inspire scholars students and interested readers to delve further into this pivotal period of European history The Migration Period between the Oder and the Vistula (2 vols) ,2020-03-17 This collection of studies is the result of a six year interdisciplinary research project undertaken by an international team of archaeologists historians numismatists and paleobotanists It constitutes a completely new approach to environmental cultural and settlement changes during the

Migration Period in Central Europe Part One discusses written sources theories regarding migration and environmental change in the first millennium AD In Part Two archaeological sources relating to Central Europe in the Migration Period are analysed while Part Three is devoted to new discoveries between the Oder and the Vistula including traces of Germanic settlement in northern Poland in the early seventh century In Part Four evidence for cultural and settlement changes in neighbouring areas is characterized in a comparative light *Irish Influence on Medieval Welsh Literature* Patrick Sims-Williams, 2011 Patrick Sims Williams provides an approach to some of the issues surrounding Irish literary influence on Wales situating them in the context of the rest of medieval literature and international folklore **The Nordic Languages. Volume 1** Oscar Bandle, Kurt Braunmüller, Ernst Hakon Jahr, Allan Karker, Hans-Peter Naumann, Ulf Telemann, Lennart Elmevik, Gun Widmark, 2008-07-14 No detailed description available for NORDIC LANGUAGES BUNDLE 1 TLBD HSK 22 1 E BOOK

Skandinavien Bei Plinius Und Ptolemaios Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Skandinavien Bei Plinius Und Ptolemaios free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Skandinavien Bei Plinius Und Ptolemaios free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for

offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Skandinavien Bei Plinius Und Ptolemaios free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Skandinavien Bei Plinius Und Ptolemaios. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Skandinavien Bei Plinius Und Ptolemaios any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Skandinavien Bei Plinius Und Ptolemaios Books

1. Where can I buy Skandinavien Bei Plinius Und Ptolemaios books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
