Colleen Lundy,2011-01-01 The second edition of this popular social work practice text more fully addresses the connection

between social justice and human rights The Skills of Helping Individuals, Families, Groups, and Communities + Mindtap Social Work, 6-month Access , *The Life Model of Social Work Practice* Alex Gitterman, Caryl B. Gitterman, 2008-05-27

Originally published in 1980 this seminal work was the first to introduce an ecological perspective into social work practice. The third edition expands and deepens this perspective further developing the basic premise that by being situated within the people environment interface the social work profession is distinct from other service professions. The book presents the what theories and concepts and the how practice methods to help people with their life stressors and simultaneously to influence communities organizations and policymakers to be more responsive to them. In this edition Gitterman and Gitterman examine major changes to our socioeconomic and political landscape. They restore a chapter on the history of social work practice offering a view of the limited services for African Americans provided by settlements and charity organization societies. Building on the African American self help and mutual aid traditions this chapter traces the replication of a parallel social service system by African American leaders for their own communities. The chapter also addresses the impact of contemporary societal trends including the global economy immigration cultural changes and the technology revolution. In addition it discusses current professional contexts of managed mental health care evidence based practice and the professional uses of technology. A new chapter explores issues and processes embedded in assessment practice monitoring and practice evaluation. The volume continues to feature innovative schema for assessment and intervention with respect to stressful life transitions and traumatic events environmental pressures and dysfunctional interpersonal processes. Practice illustrations offer reflections of today's major social issues such as AIDS homelessness and modern forms of violence.

Social Work Practice With Individuals, Families, and Groups Shelagh Jane Larkin, Jaylene Krieg Schaefer, 2025-01-06
Social Work Practice with Individuals Families and Groups An Integrated Approach serves as a foundational text that supports students through effective practice with multiple levels of client systems from the classroom to the profession. Authors Shelagh Jane Larkin and Jaylene Krieg Schaefer have integrated the practicum experience throughout the core chapters emphasizing its role as the first area of social work practice. Developed with both BSW and foundational MSW programs in mind this text offers an accessible exploration of social work practice with individuals families and groups through diverse case studies and practical examples aligned with the 2022 EPAS core competencies Mutual Aid Groups, Vulnerable and Resilient Populations, and the Life Cycle Alex Gitterman, Lawrence Shulman, 2005. The authors reveal the ways in which mutual aid processes help individuals overcome social and emotional trauma in contemporary society by reducing isolation universalizing individual problems and mitigating stigma. New chapters in this completely revised and updated third edition illustrate the power of mutual aid processes in dealing with children traumatized by the events of September 11 adult survivors of sexual abuse parents with developmentally challenged children people with AIDS in substance recovery and mentally ill older adults **Social Work Practice with Children, Third Edition** Nancy Boyd

Webb,2011-11-15 This book has been replaced by Social Work Practice with Children Fourth Edition ISBN 978 1 4625 3755 6

The Empowerment Approach to Social Work Practice Judith A. B. Lee,2001-03-07 First published in 1994 this book was hailed as a cutting edge theory driven report from the front line trenches in the battle for social justice Both clinical and community oriented and written from a global perspective it presents clients speaking for themselves alongside reports of prominent social work educators This new edition puts greater emphasis on how to skills in working with people toward their own empowerment and stresses multiculturalism A new chapter identifies worldwide issues of oppression such as abuse of women and children and neglect of the mentally ill **The Skills of Helping** Lawrence Shulman,1984 **Generalist**

Social Work Practice Janice Gasker,2018-10-17 Generalist Social Work Practice provides students with the foundational skills and knowledge needed to serve clients across micro mezzo and macro areas of practice Author Janice Gasker brings a focus on self reflection as the first stage in the planned change process and writes with the perspective that we consider work at all levels of practice simultaneously rather than in isolation In accordance with the 2015 Educational Policy and Accreditation Standards EPAS set forth by the Council of Social Work Education CSWE the planned change process is presented as dynamic and interactive providing students with a clear understanding of how each stage of the planned change process can be utilized at any point when serving a client system The text spotlights the distinctive characteristics of the worker their values attitudes and experiences that may influence client interaction The text also includes case studies collaborative learning exercises and critical thinking questions to help students apply concepts to practice
