## **FIFTH EDITION**

**Paul Henderson and David N. Thomas**

# Skills In Neighbourhood Work

**Alison Gilchrist, Marilyn Taylor**

## **Skills In Neighbourhood Work:**

**Skills in Neighbourhood Work** Paul Henderson, David N. Thomas, 2013 Completely rewritten and updated this fourth edition retains the practical information but sets it in a contemporary context The authors explain the skills knowledge and techniques needed to work effectively in a neighbourhood setting *Skills in Neighbourhood Work* Paul Henderson, David N. Thomas, 2022-12-30 *Skills in Neighbourhood Work* is a practice textbook It explains the skills knowledge and techniques needed by community workers and other practitioners to work effectively in and with communities While the principles and methods it describes have stood the test of time the political economic and social changes which have taken place since the book was first published have made new editions essential Rewritten and updated to include new practice examples this fifth edition retains all the practical information needed by the student or practitioner but sets it in the contemporary context Including a European perspective and views from North America and Australia it covers Starting supporting and ending work with community groups Evaluation Data collection Goals and priorities Making contacts Group work Helping groups work with other organisations This invaluable textbook is essential reading for students and practitioners of community work

*Skills in Neighbourhood Work* Paul Henderson, David N. Thomas, 1987 **Skills in Neighbourhood Work - 2nd** Paul Henderson, David N. Thomas, 1987 *Analysing Community Work: Theory and Practice* Keith Popple, 2015-04-16 Community work is a unique and important activity that has the potential to help individuals groups and communities achieve change This brand new update of an established and acclaimed text explores and analyses different theoretical approaches to community work Written in a highly accessible style this book is grounded in practice issues and tackles political and theoretical issues head on New to the second edition Analysis of the work of New Labour Consideration of Coalition government policies for example the Big Society project and the impact of budget cuts A new international dimension throughout the text and an important new chapter on international community work New definitions of community explored to take into account a diverse population Increased emphasis on community work values skills and challenges Updated pedagogy including end of chapter summaries and reflective questions References the latest writings in the field Written by an established international expert this book will be valuable for students on qualifying programmes practitioners policy makers and commentators and those engaged in community work in all capacities *Analysing Community Work* provided a key text tackling issues of theory and practice in accessible ways for some two decades This second edition builds upon the strengths of the first updating the book to take account of the major changes that have been taking place since then both in Britain and internationally Popple s critical consideration of the impacts of globalization neo liberalism changing technologies increasing inequalities and increasing concerns with environmental issues will be particularly welcomed This edition will be essential reading for those who read and appreciated the first as well as for a new generation of readers Marjorie Mayo Emeritus Professor of community development Goldsmiths University of London UK Popple s book was one of the key

overviews of British community work when it first appeared in 1995 In the last few years the need for a revised and updated version has been increasingly obvious and Popple has now obliged The last twenty years have seen substantial changes in the political economic and organisational context within which community work operates and Popple has fully reflected this whilst remaining clear about its basic tenets and goals This is a highly welcome addition to contemporary community work literature Gary Craig Professor of Community Development and Social Justice Durham University UK **The**

**Well-connected Community** Alison Gilchrist,2009-07-22 Government policy is increasingly focused on the contribution that communities can make to civil society and democratic renewal This book demonstrates how informal and formal networks strengthen community capacity and improve cross sectoral working Analysing Community Work Popple,

Keith,1995-09-01 Beskrivelse af hvad community work er s vel teori som praksis **The community development reader**

Craig, Gary,Mayo, Marjorie,2011-05-18 Community development emerged as a recognisable occupational activity in the United Kingdom in the 1950s Since then whilst struggling to remain true to its basic values it has often been manipulated to serve differing policy and political purposes This unique Reader traces its changing fortunes through a selection of readings from key writers It will be invaluable to those pursuing community development careers for activists and for all those teaching training and practising community development **Community Work** Catherine Briscoe,David N.

Thomas,2021-11-07 The growth of interest in community work during the seventies was very marked But while much had been written on the actual practice of community work there was for too long a lack of British material on the vital subjects of useful theory training and the development of skills In this title originally published in 1977 the authors brought together for the National Institute for Social Work experienced teachers and practitioners of community work in an integrated and carefully structured textbook which would further understanding of the means through which community workers develop their knowledge and skills it would be widely welcomed by all those involved in aspects of community work as teachers students practitioners supervisors and as local authority training officers The first part of the book has four chapters on the principle means through which community workers develop their skills within their employing agencies Part two deals with theories and the contribution made to community work by the social sciences group work research methods and management and planning studies The last part of the book contains three papers which examine the major problems and issues in the placement learning experiences and assessment of students on field work **The Short Guide to Community**

**Development** Alison Gilchrist,Marilyn Taylor,2022-01-18 The third edition of this long established guide offers an invaluable authoritative and concise introduction to community development Fully updated to reflect changes in policy practice economics and culture it will equip readers with an understanding of the history and theory of community development as well as practical guidance **An Introduction To Social Work Practice** Parris , Melanie,2012-03-01 This workbook

provides ideal preparation for students wanting to become self aware and self evaluative before moving into practice for the

first time      *Community Development, Social Action and Social Planning* Alan C. Twelvetrees, 2017-05-12 Now going into its fifth edition Alan Twelvetrees invaluable guide to the theory and practice of community work has been educating students and practitioners alike for over three decades Covering topics such as work with community groups the various dimensions of social action and project planning and how to engage effectively with public bodies this is a truly comprehensive must read for community workers as well as anyone keen to undertake effective work in the community Drawing on the author's wealth of experience and benefiting from the grounded style of writing that has made the previous editions so popular the book considers everyday community work situations to provide readers with a genuine feel for the realities of practice This classic text is essential for anyone studying working or just interested in community work community regeneration and service planning New to this Edition A classic highly regarded textbook substantially updated to reflect new service needs and a tougher economic climate Includes new pedagogic features including chapter overviews practice focus boxes and putting it in to practice features      *Tackling Social Exclusion* John Pierson, 2003-09-02 The concept of social exclusion is a central focus of government policy and is rapidly moving to the core of practitioner activity This textbook shows how social workers can combat the social exclusion experienced by service users and at the same time promote social inclusion Tackling Social Exclusion covers the meanings of social exclusion and the common elements of practice needed to reverse it the skills needed when working with specific groups of people including children and families young people and vulnerable adults the neighbourhood dimension in social exclusion the link between race and ethnic minorities and social exclusion and the implications of the Macpherson Report for practice how service agencies can change their organisation to promote inclusion how to work with communities to effect change Each chapter is grounded in real practice examples and explores through activities case studies and exercises how the perspective of social exclusion is changing social work today      **The Making of Community Work** David N. Thomas, 2024-11-01 Originally published in 1983 The Making of Community Work is the outcome of a two year study of community work in the United Kingdom The main purpose of the study was to review the development of community work and to suggest some of the issues in practice and training that might be important in the 1980s Much of the first part of the book is taken up with the emergence of community work as an occupation David Thomas tries to clarify its contribution to a number of political and social processes and to define community work in a way which distinguishes it from other kinds of interventions The second part of the book deals with training research literature and employment in community work it includes a review of college and field based training opportunities and a critical discussion of the state of theory and ideology in the occupation It was hoped it would be an important source of ideas and inspiration for the years ahead It was the first major review of community work since its re discovery in the 1960s it will still be of interest to all those involved in community work or wishing to understand its influence on other professions The book was intended for fieldworkers administrators policy makers trainers and students in community work and in related occupations and

disciplines Thomas presents his ideas clearly and his ability to look critically at some of the basic assumptions in community work makes for stimulating and enjoyable reading

EBOOK: An Introduction to Applying Social Work Theories and Methods, 4/e Barbra Teater, 2024-08-14 This book is a reassuring thorough and essential guide to the world of social work theories and methods This 4th Edition deserves to find a place on every social work reading list and bookshelf Professor Richard Ingram University of Dundee Scotland UK Based on the belief that all social workers have a responsibility both ethically and professionally to draw upon theories that are grounded in social work values the fourth edition of this book offers readers the opportunity to consider anew those theories Sarah Vicary Professor of Social Work and Mental Health School of Health Wellbeing and Social Care The Open University UK An essential read for anyone in the field of social work This book is a testament to the profound impact that well grounded theoretical knowledge can have on real world social work Highly recommended for its clarity depth and relevance Paul McCafferty Senior Lecturer in Social Work Queen's University Belfast NI This text is a comprehensive guide to the most commonly used theories and methods in social work practice The introductory chapter covers the similarities and differences between a theory and a method as well as an overview of psychosocial theories and concepts Each subsequent chapter explores in detail how to implement a specific theory or method their strengths and limitations key research ethical and cultural considerations and the integration of the theory or method with anti oppressive practice Each chapter includes case examples critical thinking questions and suggested further resources Key features of this new edition include Illustrative case studies Exercises and case examples Critical thinking questions Further readings resources Revised content including a chapter on relationship based social work

*An Introduction to Applying Social Work Theories and Methods* is a practical and essential guide for all social work students practitioners and practice educators who are working with students in field placements Barbra Teater is Professor of Social Work at the College of Staten Island and is Executive Officer of the PhD Program in Social Welfare at The Graduate Center City University of New York USA

*The Myth of Community Care* Steve Baldwin, 2013-11-11

*Handbook for Practice Learning in Social Work and Social Care* Joyce Lishman, 2007 Rev expanded and updated ed of Handbook of theory for practice teachers in social work London J Kingsley 1991

*The Teaching of Community Work* Central Council for Education and Training in Social Work (Great Britain), 1975

**Essential Theory for Social Work Practice** Chris Beckett, 2006-03-21 I can say without equivocation this text is without doubt the best book about social work I have read Chris Beckett explores the purpose values activities and theories of social work in an ever changing social context that is clearly identified and examined Stephanie Petrie University of Liverpool Every day social workers face decisions that will significantly impact others lives and it is essential that these practical assessments are supported by a sound understanding of social work theory In this innovative and highly accessible textbook Chris Beckett explains how an understanding of these theoretical issues can improve the knowledge and skills base of professional practice *Essential Theory for Social Work Practice* is an engaging and

readable text with a distinctively realistic and honest approach to the realities of everyday practice Framed in a comprehensive and logical structure Part 1 establishes what social workers do and the tools they need Part 2 considers how to assess handle and support change in others Part 3 explores the wide range of roles that social workers must fulfil Part 4 strengthens these links between theory and practice Exercises case examples chapter summaries and practice notes are used to great effect in each chapter enabling students to apply theory to practice as they progress through the book The book is an invaluable core text for all undergraduate social work students and offers excellent support for practitioners in their every day practice     *Effective Ways of Working with Children and Their Families* Malcolm Hill,1999 This text examines the latest evidence about the most successful forms of intervention when working with children and their families The book covers a wide range of methods and services with emphasis on helping children with known problems
